

Tombstone

Wm. B. Shillingberg

Tombstone Tom Clavin,2020-04-21 THE INSTANT NATIONAL BESTSELLER Tombstone is written in a distinctly American voice. –T.J. Stiles, The New York Times “With a former newsman’s nose for the truth, Clavin has sifted the facts, myths, and lies to produce what might be as accurate an account as we will ever get of the old West’s most famous feud.” –Associated Press The true story of the Earp brothers, Doc Holliday, and the famous Battle at the OK Corral, by the New York Times bestselling author of Dodge City and Wild Bill. On the afternoon of October 26, 1881, eight men clashed in what would be known as the most famous shootout in American frontier history. Thirty bullets were exchanged in thirty seconds, killing three men and wounding three others. The fight sprang forth from a tense, hot summer. Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers. The Mexican government built forts along the border to try to thwart American outlaws, while Arizona citizens became increasingly agitated. Rustlers, who became known as the cow-boys, began to kill each other as well as innocent citizens. That October, tensions boiled over with Ike and Billy Clanton, Tom and Frank McLaury, and Billy Claiborne confronting the Tombstone marshal, Virgil Earp, and the suddenly deputized Wyatt and Morgan Earp and shotgun-toting Doc Holliday. Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous. Tombstone also digs deep into the vendetta ride that followed the tragic gunfight, when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo, Curly Bill Brocius, and other cowboys who had cowardly gunned down his brothers. That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier's last boom town.

Tombstone Yang Jisheng,2012-10-30 An account of the famine that killed roughly thirty-six million Chinese during the Great Leap Forward examines how the communist ideologies and collectivization campaigns perpetuated by the country's leaders caused the catastrophe.

Tombstone Walter Noble Burns,1927

Tombstone, A.T. Wm. B. Shillingberg,2016-02-19 Once nearly forgotten, Tombstone, Arizona, is trapped in myth and legend. Walking its quiet streets, one finds it hard to separate truth from illusion and remember this was a real town, not some Hollywood fantasy. Tombstone’s rough and rowdy exploits were reported from San Francisco to New York. William B. Shillingberg rediscovers the real Tombstone in this historical tour-de-force. The rough mining town of boomers and investors, of hard men and women seeking their fortunes, comes to life with startling clarity. Tombstone, A.T.: A History of Early Mining, Milling, and Mayhem relates true tales of those who founded and built the town, including the infamous Earps and Clantons. Shillingberg details life in a pioneer mining town, from the discoverers of the mines, Edward and Albert Schieffelin and Richard Gird, to the amazing cast of characters in the most celebrated gunfight in western history–the shootout at the OK Corral, between Wyatt, Virgil, and Morgan Earp, Doc Holliday, and a gang led by Ike Clanton. And tales of John Ringo, Frank Leslie, and diarist George W. Parsons are filled with the famous and the notorious. Today Tombstone slumbers, a shadow of its faded glory, supported by clouded memories and tourist dollars. But the real story remains, and Tombstone, A.T. tells it.

The Making of Tombstone John Farkis,2018-11-26 The day-by-day inside story of the making of Tombstone (1993) as told to the author by those who were there--actors, extras, crew members, Buckaroos, historians and everyone in between. Historical context that inspired Kevin Jarre's screenplay is included. Production designers, cameramen, costume designers, composers, illustrators, screenwriter, journalists, set dressers, prop masters, medics, stuntmen and many others share their recollections--many never-before-told--of filming this epic Western.

Tombstone Jane Eppinga,2010 In the 1800s, Tombstone was a rowdy silver-mining camp and the scene of a famous gunfight that enhanced its wicked reputation. When the rich silver mines were tapped out, Tombstone managed to survive and lived up to its motto, The Town Too Tough to Die. The movie industry enhanced this wild reputation by portraying legendary gunfights at the O.K. Corral--which never actually took place at that location. For many years, the town has used its history to attract visitors by giving them a sense of life in the Old West. This volume includes many of the postcards tourists mailed home depicting romanticized and legendary views of Tombstone.

Murder in Tombstone Steven Lubet,2004-09-10 This account of the court case that followed the gunfight at the OK Corral “will interest Wild West buffs as well as readers interested in legal history” (Publishers Weekly). The gunfight at the OK Corral lasted less than a minute–yet it became the basis for countless stories about the Wild West. At the time of the event, however, Wyatt Earp was not universally acclaimed as a hero. Among the people who knew him best in Tombstone, Arizona, many considered him a renegade and murderer. This book tells the nearly unknown story of the prosecution of Wyatt Earp, his brothers, and Doc Holiday following the famous gunfight. To the prosecutors, the Earps and Holiday were wanton killers. According to the defense, the Earps were steadfast heroes–willing to risk their lives on the mean streets of Tombstone for the sake of order. The case against the Earps, with its dueling narratives of brutality and justification, played out themes of betrayal, revenge, and even adultery. Attorney Thomas Fitch, one of the era’s finest advocates, ultimately managed, against considerable odds, to save Earp from the gallows. But the case could easily have ended in a conviction–and Wyatt Earp would have been hanged or imprisoned instead of celebrated as an American icon. “This trial has everything: a family feud, famous outlaws and lawmen, politics, sex, and the most famous shootout in frontier history . . . Lubet’s accessible and highly original book will set a standard for scholarship in a field laden with folklore.” –Allen Barra, author of Inventing Wyatt Earp

Growing up Around Tombstone Charles Bernard Escapule,2013-02-14 Growing up Around Tombstone is a family history of the Escapules. They are one of the oldest families still living in Tombstone, having emigrated from France during the early 1870s. The books tells how the Escapules mined and built ranches but mostly it tells of the familys life and struggles as recalled by one of the second generation Escapules born in Tombstone. There is a detailed account of family life, ranch work and horses, working and developing the mines, and making a living. The story takes the reader from the early days in Tombstone, through the war years, and up until the mid-1950s. The Escapules were a close, hard- working, and loving family. There is also a good depiction of life as it was lived by the townspeople. The book is rich in old family photographs and documents that help give a sense of the times and how people lived their day to day lives. There are also stories of many of the people

living in Tombstone and the surrounding area. Ernest and Mildred Escapule and their family are the main characters. Tombstone, Arizona, became world famous for the rich silver and gold strike before the turn of the century, its lawless days, and the gun fight at the O K Corral.

Tombstone M Missy,2021-12-15 Hello; my name is Morgan Matthew McCoy III. I grew up near the small coal mining town of Pottsville Pennsylvania. At 18 years of age we moved to Tombstone Arizona; my father was a mining engineer. My childhood was full of confusion, despair, sadness, a very disappointed father; a very loving mother, a thick leather strap, many tears, and a saving angel. During my growing years in Pennsylvania, during our wagon train trip to the West, and after our settlement in Tombstone; problems and trouble seemed to find me at every turn. There just seemed like there were bad men everywhere; sometimes the bad person was me. Because of some special God given talents, though no wish of my own, I became the greatest UNKNOWN gun fighter, protector of the innocent, and healer of the sick and injured; the West had ever; NOT KNOWN! My great fame came, not just because of my many feats, but from the fact I was able to keep my identity a secret. Thus; I became known as "The Ghost". How did I do so? I had secrets of my own. My story will tell you; while the likes of my friends Wyatt Earp and his brothers; Morgan, Warren, and Virgil, along with Wyatt's good friends; Doc Holiday and Bat Masterson; became the famous ones; it was me who was the real law; the real protector of the people. It was me who helped Wyatt Earp finish the outlaw group known as; THE COWBOYS! I have killed more bad men than all the famous lawmen put together. It was me. Well; let me not tell you the end of my story now. Let me just say you will be surprised to know the answer to two of the West's most famous mysteries. How did I accomplish such without becoming famous myself; how did I hide my identity? That answer is what made my life the most unusual of lives. That answer is what made me; who I became; THE GHOST!

Tombstone: Myth and Reality Odie B. Faulk,1972 Tombstone, Arizona, in the years 1879 - 1883, was far more complex, interesting, and exciting than the legendary town perpetuated by Hollywood and television.

Tombstone and The Spoilers Matt Braun,2008-01-02 TOMBSTONE In 1878, a struggling prospector found silver in the jagged mountains of Arizona. Within a year the town of Tombstone was filling up with merchants, tradesmen, gamblers, whores, and gunslingers. And then the Earp family came to Tombstone--five brothers and their women and their wives. Along with Doc Holliday and a band of thieves, Wyatt Earp treated the Arizona territory as his personal stomping grounds--until Wells Fargo decided to put an end to a string of savage stage robberies. With the legend of the OK Corral shoot out fanning out across the frontier, private detective Luke Starbuck was sent to Tombstone to find the truth. And when he got there, Starbuck's mission turned into one burning, personal obsession: to kill Wyatt Earp... THE SPOILERS Private detective Luke Starbuck has been hired to ferret out the Judas working for Central Pacific--the mastermind behind a string of train robberies. The target: gold shipments from the Frisco mint. All Starbuck has to do is pass himself off as an outlaw and infiltrate the pack. But getting inside this hellhole of crime is dangerously easy if you make the right moves. Make the wrong ones, and getting out could be murder.

Tombstone Blues Keith M. Noble,2017-05-31 When Abel learns that his favorite uncle has died, he and his cousin, Ken, plan to meet at a convenience store the next morning to travel the five hundred and fifty miles to the funeral together. But just as Abel realizes Ken is a no show, a stranger opens his car door and plants himself in the passenger seat. It seems that fate has dropped Mike right into Abels life, whether he likes it or not. But when Abel decides to give Mike a ride, he has no idea that the stranger is about to turn the trip into a nightmare. Mike is an arrogant control freak who seems to cause extraordinary things to happen. While he tells frightening tales about hitchhikers and deaths on the highways, Abel must summon false courage to survive the day. Mike has seen a man determine the fate of a passenger bus and people die in mysterious ways. He has slept in unusual places and met a family that refused to die. But it is not until Abel is led to a graveyard where he must unveil his fathers humongous tombstone that he is finally forced to face the brutal reality of his existence. Tombstone Blues shares the gripping tale of an unstable mans convoluted journey of self-discovery as a road trip transforms into a haunting roller coaster of horror and death.

The Last Chance John Myers Myers,1950 Tombstone, the Arizona town of morbid name and violent memories, at last has a chronicler who is as interested in facts as in gaudy legend. John Myers Myers has written the story of Tombstone's early years with painstaking research and commendable respect for verifiable records. The result is as gaudy as anyone could wish, but it probably comes as close to the whole truth about Tombstone, the Clanton gang, the Earps, and the bloody two-year reign of terror as any history of that time and place ever will.-New York Times Book Review.

The Earp Brothers of Tombstone Frank Waters,1976-01-01 The Earp Brothers of Tombstone and the famous fight at the O. K. Corral are well known to American history and even better known to American legend. This composite biography of Wyatt, Morgan, Virgil, James, and Warner Earp is based on the recollections of Mrs. Virgil Earp, dictated to the author in the 1930s, and amplified by documents he unearthed in 1959. In his review of the book for Library Journal, W. S. Wallace stated that he considered The Earp Brothers of Tombstone the most authoritative account ever to be published on the subject.

Tombstone Matthew Braun,1985 The hell-for-leather adventure of wild Arizona in the bloody aftermath of the OK corral--Cvr

Tombstone's Epitaph ,1963

Legends of the West Charles River Editors,2018-01-08 *Includes pictures of Tombstone and important people and places. *Profiles Tombstone's most famous residents, including Ed Schieffelin, the Earp brothers, Doc Holliday, and more. *Highlights the history of Tombstone, as well as its forms of entertainment. *Comprehensively covers the Gunfight at the O.K. Corral. *Includes a Bibliography for further reading. The 26th of October, 1881, will always be marked as one of the crimson days in the annals of Tombstone, a day when blood flowed as water, and human life was held as a shuttle cock, a day to be remembered as witnessing the bloodiest and deadliest street fight that has ever occurred in this place, or probably in the Territory. - The Tombstone Nugget Space may be the final frontier, but no frontier has ever captured the American imagination like the Wild West, which still evokes images of dusty cowboys, outlaws, gunfights, gamblers, and barroom brawls over 100 years after the West was settled. A constant fixture in American pop culture, the 19th century American West continues to be vividly and colorful portrayed not just as a place but as a state of mind. In Charles River Editors' Legends of the West series, readers can get caught up to speed on the lives of America's most famous frontier figures in the time it takes to finish a commute, while learning interesting facts long forgotten or never known. The Wild West has made legends out of many men, but

it has forged a lasting legacy for the city of Tombstone, Arizona, a frontier boomtown that has come to symbolize everything about the Old West. In many ways, Tombstone fit all the stereotypes associated with that era in American history. A dusty place on the outskirts of civilization, Tombstone brought together miners, cowboys, lawmen, saloons, gambling, brothels, and everything in between, creating an environment that was always colorful and occasionally fatal. Those characteristics might not have distinguished Tombstone from other frontier outposts like Deadwood in the Dakotas, but some of the most famous legends of the West called Tombstone home for many years, most notably the Earp brothers and Doc Holliday. And ultimately, the relationships and rivalries forged by those men in Tombstone culminated in the legendary Gunfight at the O.K. Corral on October 26, 1881. The West's most famous fight all but ensured that Tombstone would be the epicenter of Western lore, and as the city's population dwindled at the end of the 19th century, the allure of Tombstone as a tourist center took hold. Nearly half a million tourists flock to Tombstone each year, where they find a city that has cashed in on its legacy through careful preservation. Many of the historic buildings in Tombstone haven't changed much in the last 130 years, and visitors who come to the O.K. Corral or Boothill Cemetery can get an idea of what Tombstone was like at its peak. Legends of the West: Tombstone, Arizona comprehensively covers the history of the city, profiles the people who called it home, and highlights the attractions and events that made it famous. Along with pictures of important people, places, and events, you will learn about Tombstone like you never have before, in no time at all.

Tombstone Sean McLachlan,2013-06-20 The Gunfight at the OK Corral on 26 October 1881 is one of the most enduring stories of the Old West. It led to a series of violent incidents that culminated in the Vendetta Ride, in which Wyatt Earp, Doc Holliday, and several other gunslingers went after their rivals the Cowboys. Like most tales of the Wild West, the facts are buried under layers of myth, and the line between good guys and bad guys is blurry. Wyatt Earp, leader of the so-called “good guys”, was charged with stealing horses in the Indian Territory in 1870 and jumped bail. Becoming a buffalo hunter and gambler, he got into several scrapes and earned a reputation as a gunfighter. Several times he helped lawmen arrest outlaws, but usually his assistance came more because of a personal grudge against the criminal than any real respect for law and order. He even got fired from a police job in Wichita for beating up a political rival.

Tombstone Walter Noble Burns,2023-01-01T20:43:10Z The second of three books by Walter Noble Burns covering the post-Civil War American West, Tombstone: An Iliad of the Southwest, first published in 1927, is one of the earliest popular semi-fictional histories of some of the West’s most famous lawmen and outlaws. Wyatt Earp (the “Lion of Tombstone”), his brothers Virgil and Morgan, and their friend Doc Holliday face off against rustlers and outlaws like Curly Bill, Billy and Ike Clanton, Frank and Tom McLaury, and Johnny Ringo, culminating in the famous gunfight at the O.K. Corral. Throughout the narrative, Burns draws the reader into the life of the boomtown, from founding, to meteoric rise, and final collapse, with a focus on the personalities, conflicts, and myths that have cemented the town and its characters as a fixture in many aspects of American popular culture, including books, comics, radio dramas, films, and television. Burns’ Tombstone is the iconic frontier town of “The Old West.” This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Tombstone's Treasure Sherry Monahan,2007 The silver rush in Tombstone, Arizona, created one of the most sophisticated towns in the American West, complete with lavish saloons, gambling, ice cream parlors, and a swimming pool.

Tombstone Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Tombstone free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can

download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Tombstone free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Tombstone free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Tombstone. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Tombstone any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Tombstone Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tombstone is one of the best book in our library for free trial. We provide copy of Tombstone in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tombstone. Where to download Tombstone online for free? Are you looking for Tombstone PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Tombstone. This method for see exactly what may be included and adopt these ideas

to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Tombstone are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Tombstone. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Tombstone To get started finding Tombstone, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Tombstone So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Tombstone. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Tombstone, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Tombstone is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Tombstone is universally compatible with any devices to read.
