Funny Buggers: The Best Lines from Australian Stand-up Comedy Karl Chandler,2011-11-23 Karl Chandler is a funny bugger and so are his mates. In fact, our local talent has been killing it in clubs and festivals the world over. Lucky for us, these comics have worked around their hectic schedules – setting their alarm clocks for before midday and logging off Twitter – to cough up some of the most pants-wettingly funny stuff you'll read all year. This is a line-up of the hottest comedians around, giving you a front-row seat to their best material. I stopped writing a diary when I read Anne Frank's effort. That genre has been conquered. HANNAH GADSBY Television is a very powerful tool. But then again, so is Eddie McGuire. GREG FLEET Throw your hands in the air like you just don't care. Unless you're at an auction. DAVE THORNTON The other day I got a big pile of money and burned it. Sorry, I mean I joined a gym. CELIA PACQUOLA I like to go to the library, get all the books on feng shui out, and put them back in the wrong section. KARL CHANDLER

Dot Con James Veitch,2020-06-02 From viral comedy sensation James Veitch (as seen on TED, Conan, and The Tonight Show with Jimmy Fallon) comes a collection of laugh-out-loud funny exchanges with email scammers. The Nigerian prince eager to fork over his inheritance, the family friend stranded unexpectedly in Norway, the lonely Russian beauty looking for love . . . they spam our inboxes with their hapless pleas for help, money, and your social security number. In Dot Con, Veitch finally answers the question: what would happen if you replied? Suspicious emails pop up in our inboxes and our first instinct is to delete unopened. But what if you responded to the deposed princess begging for money in your Gmail? Veitch dives into the underbelly of our absurd email scam culture, playing the scammers at their own game, and these are the surprising, bizarre, and hilarious results.

Tommy Tommy George Thompson,Doug Moe,2018 A reflective and entertaining memoir by a master of politics. Thompson, a four-time Wisconsin governor and a cabinet secretary, speaks candidly of his achievements and regrets, including his involvement with welfare reform, school choice, land conservancy, prisons, health insurance, and stem cell research.

Mining My Own Business Xavier Toby,2013 What's life really like on a fly-in-fly-out (FIFO) mine? In 2012, after touring his comedy shows through Europe, stand-up comedian Xavier Toby was broke and decided to take a job on a remote minesite to pay the bills. In his memoir, Mining My Own Business, Xavier Toby is onsite somewhere in Australia working in admin to pay off his credit card debt. Damo, Pando, Jonno, Robbo, Donk, Jokka and Dale are just some of the other blokes earning a crust, attending endless safety briefings, swapping tall tales and 'missing' the missus out there in the middle of nowhere. With Xavier, FIFO is not life on hold - it is life in hilarious overdrive.

Van Gogh and the Seasons Sjraar van Heugten,2018-03-06 A new look at the ways van Gogh represented the seasons and the natural world throughout his career The changing seasons captivated Vincent van Gogh (1853–90), who saw in their unending cycle the majesty of nature and the existence of a higher force. Van Gogh and the Seasons is the first book to explore this central aspect of van Gogh's life and work. Van Gogh often linked the seasons to rural life and labor as men and women worked the land throughout the year. From his depictions of peasants and sowers to winter gardens, riverbanks, orchards, and harvests, he painted scenes that richly evoke the sensory pleasures and deprivations particular to each season. This stunning book brings to life the locales that defined his tumultuous career, from Arles, where he experienced his most crucial period of creativity, to Auvers-sur-Oise, where he committed suicide. It looks at van Gogh's interpretation of nature, the religious implications of the seasons in his time, and how his art was perceived against the backdrop of various symbolist factions, antimaterialist debates, and esoteric beliefs in fin de siècle Paris. The book also features revealing extracts from the artist's correspondence and artworks from his own collection that provide essential context to the themes in his work. Breathtakingly illustrated and featuring informative essays by Sjraar van Heugten, Joan Greer, and Ted Gott, Van Gogh and the Seasons shines new light on the extraordinary creative vision of one of the world's most beloved artists.

Your Own Kind of Girl Clare Bowditch,2019-10-28 ARIA Award-winning singer and actress Clare Bowditch confronts her inner critic in this no-holds-barred memoir. This is the story I promised myself, aged twenty-one, that I would one day be brave enough - and well enough - to write. Clare Bowditch has always had a knack for telling stories. Through her music and performing, this beloved Australian artist has touched hundreds of thousands of lives. But what of the stories she used to tell herself? That 'real life' only begins once you're thin or beautiful, that good things only happen to other people. YOUR OWN KIND OF GIRL reveals a childhood punctuated by grief, anxiety and compulsion, and tells how these forces shaped Clare's life for better and for worse. This is a heartbreaking, wise and at times playful memoir. Clare's own story told raw and as it happened. A reminder that even on the darkest of nights, victory is closer than it seems. With startling candour, Clare lays bare her truth in the hope that doing so will inspire anyone who's ever done battle with their inner critic. This is the work of a woman who has found her true power - and wants to pass it on. Happiness, we discover, is only possible when we take charge of the stories we tell ourselves. 'The words that kept coming to me over and over again as I read this book were authenticity and decency. Clare Bowditch made me feel how wonderful and difficult and amazing it is to be a human.' LEIGH SALES 'Brutal at times but funny as f@#k. This book will change a lot of lives for the better.' BERNARD FANNING 'Reading this book felt as intimate as having a long, heart-breakingly vulnerable yet hilarious conversation with Clare by a fire with wine in hand. It is a celebration of the human struggle, how we can learn to befriend (and say f@#k off to) our demons, and ultimately write our own story. There is so much hope in this book.' MISSY HIGGINS 'Clare Bowditch cements her status as one of Australia's most mesmerising storytellers with this debut. Her ability to lay bare the vulnerabilities, hurts and triumphs of a woman's life is second to none. She's my kind of girl, for sure.' CLEMENTINE FORD 'This book is like a life-buoy, tossed across a generation by a sick and frightened young woman, who grew up to be Clare Bowditch. An extraordinary tale, faithfully remembered and generously told. What a woman. A transfixing and powerful memoir.' ANNABEL CRABB 'Clare Bowditch opens her heart and history with staggering generosity - unpicking the birth of her creativity and the early scars that forged her. Much like the woman herself, YOUR OWN KIND OF GIRL is unflinching, entertaining, inspiring and real. I inhaled this book.' KAT STEWART 'A brave and

generous work. Never didactic or patronising, Bowditch nonetheless has much to share as she invites the reader inside the tender heart and evolving mind of a young woman determined to make sense of herself and her place in the world. Told with Bowditch's trademark warmth and openness, this book is an act of compassion as much as it is the product of diligent reflection and insight.' PEGGY FREW 'For parents, indeed anyone that would like to understand mental illness, and that recovery is possible. Clare writes with extraordinary self-awareness and insight. Her journey encourages anyone to keep going; to believe that there is something better, to take one step at a time toward it, and not to give up. A truly compelling story of resilience, survival and growth. ' DR CHARLOTTE KEATING 'A deeply revealing insight into how a true artist is born. Brutally honest, compelling and affecting, Clare's luminous warmth shines through every page.' KATE MILLER-HEIDKE 'I fell in love with this book from the start - it's a brutally honest, witty, smart and courageous account of Clare Bowditch finding her path and her power.' EDDIE PERFECT 'Clare takes us to the edge of the stuff we flee from - the late-night inner turmoil of an eating disorder, the loneliness of being the fat kid and death - so that, as her friend Leonard Cohen once said, the light might come in.' SARAH WILSON

Saturday Afternoon Fever Matthew Hardy,2014-10-01 A footy fan's memoir of a life on the outer looking in. Late 1970s, suburban Melbourne. Another time, another world. COP SHOP is the hottest show on television and Malcolm Fraser has set up house in The Lodge. Skyhooks are corrupting young minds and Simon Townsend still has Woodrow by his side. Against this backdrop of political upheaval and social unrest, a young boy discovers Australian Rules Football and the man who will shape his destiny - St Kilda star Trevor Barker. Soon, his flirtation with the sport becomes an obsession and weekend trips to the outer assume an almost religious significance. But a new decade brings with it new hormones, and soon our hero is trading in his football cards for condoms. Nothing, however, is quite as easy as it seems. Taking up where FEVER PITCH left off, SATURDAY AFTERNOON FEVER is the poignant and funny memoir of one socially confused football fan's painful journey into adulthood and the ups and downs of his beloved club's bumpy ride into the 1980s and beyond.

XX Rian Hughes,2020-11-10 A massive work of dizzying originality (Boston Globe), XX is an inventive and boldly designed science-fiction epic by acclaimed graphic designer Rian Hughes—now in paperback The battle for your mind has already begun. At Jodrell Bank Observatory in England, a radio telescope has detected a mysterious signal of extraterrestrial origin—a message that may be the first communication from an interstellar civilization. Has Humanity made first contact? Is the signal itself a form of alien life? Could it be a threat? If so, how will the people of Earth respond? Jack Fenwick, artificial intelligence expert, believes that he and his associates at tech start-up Intelligencia can interpret the message and find a way to step into the realm the signal encodes. What they find is a complex alien network beyond anything mankind has imagined. Drawing on Dada, punk, and the modernist movements of the 20th century, XX is assembled from redacted NASA reports, artwork, magazine articles, secret transcripts, and a novel within a novel. Deconstructing layout and language in order to explore how ideas propagate, acclaimed designer and artist Rian Hughes's debut novel presents a compelling vision of humanity's unique place in the universe, and a realistic depiction of what might happen in the wake of the biggest scientific discovery in human history. Propulsive and boldly designed, XX is a gripping, wildly imaginative, utterly original work.

A History of Rock Music in 500 Songs Vol 1 ANDREW. HICKEY,2019-12-28 In this series of books, based on the hit podcast A History of Rock Music in 500 Songs, Andrew Hickey analyses the history of rock and roll music, from its origins in swing, Western swing, boogie woogie, and gospel, through to the 1990s, grunge, and Britpop. Looking at five hundred representative songs, he tells the story of the musicians who made those records, the society that produced them, and the music they were making. Volume one looks at fifty songs from the origins of rock and roll, starting in 1938 with Charlie Christian's first recording session, and ending in 1956. Along the way, it looks at Louis Jordan, LaVern Baker, the Ink Spots, Fats Domino, Sister Rosetta Tharpe, Jackie Brenston, Bill Haley, Chuck Berry, Elvis Presley, Little Richard, and many more of the progenitors of rock and roll.

Athletico Mince Bob Mortimer,Andy Dawson,2017 For the first book inspired by their popular podcast, Bob Mortimer and Andy Dawson considered producing an authoritative guide to the past, present and future world of football. But, as in the podcast, they got a bit side-tracked. As well as bringing you some (more or less) completely genuine football facts, Bob and Andy speculate about the lifestyle of baked bean-loving, yellow snake-owning ex-England boss Steve McClaren, and investigate the 'Gangs of the EPL', where football meets infantile bullying. There's also input from the Secret Soccer Superstar - a former player who lifts the lid on what it's really like to be a top, top pro - and the lyrics from some of Bob's most memorable Scottish songs, so that you can sing them to your children, elderly relatives or, indeed, yourself, should you need to be soothed after learning about Robson Green's Extreme Bangers. In summary, it's a bit of a mess - but - it's a beautiful, glorious, hilarious mess and if you're not reduced to at least one convulsion while reading it, Bob and Andy are going to be very disappointed with you.
