The History of Tommy Potts, or, the Lovers Quarrel Tommy Potts, 1790

The Rise of Tommy Boy Breanna Cone, 2006-04 For eighteen years, it had been just Tommy Murphy and his mother. His father was out of the picture. When his

mother died, she left two letters; one telling him the name of his father and another explaining the son to his father. The young man travels to New York City to meet his father, the famed heavy-weight boxer, Bruiser Hunter, but an unforeseen accident prevented that meeting. The boxer's brother disappeared without a trace and was presumed dead. Overcome by grief, Bruiser dropped out of sight without telling anyone. Paddy O'Shay, his great-uncle, took the young man under his wing and began training him to be a boxer like his father. He knew Bruiser would contact him eventually. Six months later, they were still waiting when fate stepped in and the whole family was reunited in the small town of Spencer City, Connecticut. Can two strangers have a normal father and son relationship? Breanna Cone credits her Irish ancestry with the gift of gab that helps her spin this tale of the special relationship between a father and child. Regardless of your age, the love of a parent is a priceless gift indeed. Coming in Fall 2006: Romancing Delilah

Tommy's Choice Robert Anthony Aiello,2014-08-14 Tommy Bilotti was born with athletic ability that was developed during his early years at Palisades West where he earned a statewide reputation as an athlete at George Washington High School as a baseball and football star. He set school and state records and led his American Legion baseball team in all categories. College football and baseball scouts and Major league baseball representatives and scouts followed him every game he participated in. Ted Piano a former minor league star became his baseball mentor, while Carmine Longo, a swab honest businessman working for dishonest men became Tommy's friends. Palisades West was a gambler's paradise, where loan sharks obligated to pay the mob for the right to run their business were easy to find. A bet could be placed in most corner stores and young men played craps and gin rummy in social clubs, in the parks, or on deserted street corners. No one in law enforcement paid attention. Gambling was expected and it harmed no one, they concluded at police headquarters and by the cop on the beat. Tommy was part of the

gambling environment that eventually led him to Frankie Pellegrino Jr. who unlike his friend Carmine Longo was one day to become his nemesis and a threat to his family and career.

Fbi Killer Escapes Tommy Tiernan, 2013-03 This is a fun but deadly story, about East Coast Irish Twins, who worked for J..Edgar Hoover. The protagonist, JAMES BLACKIE BUTLER, is from Boston and did his undergraduate work robbing banks, with a degree for ten years, three of which were served on the ROCK! Then back home, took over the Winter Hill Gang. An old buddy from school, who became an FBI Agent, told him the FBI was hiring TEI's. So they cut a deal that turned devastating for both! For starters, they needed his help to break the North Boston LCN Italian Mob. Before the Appalachian Meet, the Bureau said - No National Crime Syndicate, next day - JEH started the Top Hoodlum Program in all FBI Offices in USA. They had to take care not to knock off a Race Track, when the boss was in attendance, don't embarrass the Bureau. While they did not have a parade for BLACKIE, all soon learned he was back in town ! He worked overtime to become multi-millionaire Boston Drug Kingpin, whacking those who dared to get in his way. If you want whack job details, check out the press accounts under homicide. CAUTION - he is alleged to have whacked 19 PLUS - two were females he strangled to death! Not the guy you want your daughter to date. Some of the kills were aided by the law

closing their eyes. A major casualty was the Boston Southie kids and young adults. They OD'd, became vegetables, committed suicide, due to the quantities ingested of Meth, Coke, etc., as the dealers said - it was their choice! Unfortunately this scenario goes hand and hand with hard - tough law enforcement, and some agency in-fighting, in the race to scrape up the scum from the Southie streets, and its companion - corruption! Meanwhile, the press was on it regarding the homicides, real bodies and real coroner reports. BUT, no specific in depth reporting on the drug scourge. Without it, we focus on homicides, easier to cover with those grotesque images as they are ripped from the earth that they hugged for years. Then the mob burial detail told the cops where they were as a trade for immunity! Not to say that some in-depth work on the drug scourge is easy, BUT the more we do not dig into it, the more we guarantee it will continue! Yes, it is the USA drug appetite that fuels the Mexican production and distribution. Mexico has had thousands of street executions in last 15 years; all USA families have, or know those who have young loved ones, who got hooked and we attended their funerals! The Congress and the Administration needs to get off their collective asses and address the problem. The drug war losses cap the numbers we lost since the BIG WAR plus! For the DC crowd, they would rather focus on cocktail parties funded by the numerous lobbyists that choke the traffic on K St, NW, employ aides that write 1,000 page bills that no one reads before voting, none of them took the time from there career to serve the country in

the military (just like their elected pols they work for), as they beef up the resume so we soon see them on the Sunday Morning Talkies. WHAT THE HELL IS GOING ON? MARK - THERE ,I SAID IT! The nemesis, is TOMMY TIERNAN, from Newark, NJ, from a blue collar upbringing, other side of the tracks, first of five siblings, first of parents, siblings and relatives to do college, no green stamps, just guts and determination!. As oldest of five boys, thanks to the Pope, started with fish on Fridays, as got older substituted it with Pizza. Dad an Irish Fire Captain, Mom a German grade school teacher and nurse. Grandfather an immigrant from Germany, a stone carver who did the Lions on the N.Y. Public Library. The five brothers lived in the Ironbound Section of down neck Newark, N.J. After the BIG WAR, they were joined by Mom's brother who lived through the Pacific War, finishing up with the invasion of Okinawa, where he survived constant Jap kamikaze attacks. All shared the same sleeping bedroom and pretty mu
