Tonbo (Dragonfly) K. R. Couey,2014-05-16 Set in modern day Japan and during Obon-the most supernatural of Japanese holidays, a time when the dead return for a short visit-Tonbo is a story of English conversation teacher, Jezzy Dubois from Louisiana, U.S.A., who has grown weary of her job but loves living in Japan and doesn't want to leave it. She visits a local shrine to seek the advice of the nature gods, and in the days that follow a series of unexplainable events occur and culminate in a suspenseful encounter that has Jezzy calling on deepest instincts to find her way out as unseen forces provide guidance and support.

Tonbo Allen Say,2024-09-17 In this semiautobiographical story told through the eyes of a man who ages backward, Caldecott medalist Allen Say reveals the power of memory to shape one's art. As an old man takes a morning walk, he is startled by a paper airplane overhead. He follows it to a strangely familiar town. There he meets a man who calls him son and high school boys who ask him to play catch. When he sees a glimpse of his reflection, he realizes a shocking fact: He is a young man. Could it be that he is getting younger and younger with each person he meets? As he searches for the plane, he is led deeper into his memories. Where will he find the plane? And what will he discover? Lushly rendered in oil paintings that nod to the American realist movement, Tonbo will encourage a new generation of artists to take up the creative path. Inner Demons Amanda Strong, 2016-02-15 Who do you trust when you can't trust yourself? Having discovered who was behind her abduction, Samantha Campbell is still haunted by what happened. Memory lapses and a nagging suspicion that the cabin was only the beginning means Sam needs answers. Her only problem? The one person who might have them still wants to kill her. With Mack unwilling to forgive himself, and Blake refusing to let her anywhere near his brother, she must find other ways to piece together her missing time line. Hoping that returning to Tonbo's Islands will help, Blake and Sam are horrified to learn Kory's treachery runs even deeper. Ancients are missing, Kate's disappeared, and the worst part is Sam feels she may be responsible. She's willing to try almost anything to know what her other half has been up to, but with each new discovery, she slips deeper into something she may not be able to recover from. Driven by the need to set things right, she's thrown into a web of lies where she realizes she can't trust anyone, least of all herself.

Tokyo Seven Roses Hisashi Inoue, 2013-05-15 Tokyo Seven Roses' is set in Japan during the waning months of WWII and the beginning of the Occupation. It is written as a diary kept from April 1945 to April 1946 by Shinsuke Yamanaka, a fifty-three-year-old fan-maker living in Nezu, part of Tokyo's shitamachi (old-town) district. After the war, Shinsuke learns by chance that the Occupation forces are plotting a nefarious scheme: in order to cut Japan off from its dreadful past, they intend to see that the language is written henceforth using the alphabet. To fight off this unheard-of threat to the integrity of Japanese culture, seven beautiful women – the Seven Roses – take a stand.

Monsters Among Us Amanda Strong, 2017 What if the fate of the world lies with the monster—not the hero? The world is shifting, and Sammy has complete control. But as hidden truths surface, she starts to doubt everyone who is close to her. The Ancients and Kory have been harboring dark secrets, and it could mean war between the Dragon Fae and the Irukas. With the Defenders as her devoted soldiers, Sam must make some difficult decisions. Should she save the world... or save herself? Blake won't give up on Sam. He knows he can't trust Tonbo anymore, or the web of lies he's been thrown into. If he hopes to save Sam, he must find the real reason Kory created the bug army. Turns out there could be something far worse than bloodthirsty bugs buried on the islands, and Blake will have to fight his own inner demons if he wants to save those he loves—including Sam. In a world filled with mistrust and lies, Blake and Sam must unearth the truth and face their own fears and weaknesses. If they don't, their lives—and the fate of all humanity—will hang in the balance.
