sTORI Telling **Tori Spelling**, Hilary Liftin, 2009-02-24 A memoir by the actress best known for her role on *Beverly Hills, 90210* challenges popular misconceptions about her privileged life while discussing such topics as her relationship with her late father, her marriages, and her parenting experiences.

Spelling It Like It Is **Tori Spelling**, Hilary Liftin, 2014-05-06 The popular Hollywood starlet presents a collection of essays about the challenges of life in Hollywood, from navigating tabloid scrutiny and the latest headline-making feud to her visit to the set of the new *90210* and her baby nurse Patsy's health scare.

uncharted terriTORI **Tori Spelling**, 2010-06-15 Welcome to Los Angeles, birthplace and residence of **Tori Spelling**. It's not every Hollywood starlet whose name greets you on a Virgin Airways flight into la-la land. But **Tori Spelling** has come to accept that her life is a spectacle. Her name is her brand, and business is booming. Too bad when your job is to be yourself, you can't exactly take a break. **Tori** finally has everything she thought she wanted—a loving family and a successful career—but trying to live a normal life in Hollywood is a little weird. With the irresistible wit, attitude, and humor that fans have come to love, the New York Times bestselling author of *sTORI telling* and *Mommywood* is back with more hilarious, heartwarming, and candid stories of juggling work, marriage, motherhood, and reality television cameras. **Tori** comes clean about doing her time on jury duty, stalking herself on Twitter, discovering her former *90210* castmates' I Hate **Tori** club, contracting swine flu, and contacting *Farrah Fawcett* from the dead. Like many mothers, she struggles to find balance (Stars, they're just like us!)—only most women don't have to battle it out with paparazzi at the grocery store. She talks openly about the darker side of life in the spotlight: media scrutiny over her weight and her marriage to *Dean McDermott*, her controversial relationship with *Dean's* ex-wife, and her unfolding reconciliation with her mother. Having it all isn't always easy—especially when you're a perfectionist—but with the help of her unconventional family and friends, an underwear-clad spiritual cleansing or two, and faith in herself, she's learning to find her happy ending. Because when you're **Tori Spelling**, every day brings *uncharted terriTORI*. *** Just when you thought *sTORI* time was over, the beloved Hollywood starlet has so much more to say. *** My life has changed dramatically in the past several years. I married *Dean*; we moved several times; we had two children; we created a show that has gone into its fifth season on the air. I have love. I have a family. I have a home. I have work. It's all I ever wished for. But trying to be a perfect wife, mother, and mini-mogul has its challenges, especially if, like me, you want to be perfect at all of them at the same time. —from *uncharted terriTORI*

sTORI Telling **Tori Spelling**, 2008-03-11 The star of *Beverly Hills 90210* offers a hilarious, insightful memoir about growing up on America's favorite teen drama and her life after the show. She was television's most famous virgin—and, as *Aaron Spelling's* daughter, arguably its most famous case of nepotism. Portraying *Donna Martin* on *Beverly Hills, 90210*, **Tori Spelling** became one of the most recognizable young actresses of her generation, with a not-so-private personal life every bit as fascinating as her character's exploits. Yet years later the name **Tori Spelling** too often closed—and sometimes slammed—the same doors it had opened. *sTORI telling* is **Tori's** chance to finally tell her side of the tabloid-worthy life she's led, and she talks about it all: her decadent childhood birthday parties, her nose job, her fairy-tale wedding to the wrong man, her so-called feud with her mother. **Tori** has already revealed her flair for brilliant, self-effacing satire on her VH1 show *So NoTORious* and Oxygen's *Tori & Dean: Inn Love*, but her memoir goes deeper, into the real life behind the rumors: her complicated relationship with her parents; her struggles as an actress after *90210*; her accident-prone love life; and, ultimately, her quest to define herself on her own terms. From her over-the-top first wedding to finding new love to her much-publicized—and misunderstood—disinheritance, *sTORI telling* is a juicy, eye-opening, enthralling look at what it really means to be **Tori Spelling**.

CelebraTORI **Tori Spelling**, 2013-03-19 Meals for social and public occasions.

Presenting . . . Tallulah **Tori Spelling**, 2011-05-24 Don't get dirty. Don't talk loudly. Don't wear jeans like all the other kids. All her life, **Tallulah** has heard DON'T. She knows plenty about what she

can't do and what she shouldn't do, and all about what kind of girl she isn't. Now she needs to find out what kind of girl she is. In her picture book debut, New York Times bestselling author Tori Spelling teams up with illustrator Vanessa Brantley Newton to bring us the uplifting story of a spunky little girl who, with the help of some special friends, is able to discover her true self—and to let her spirit shine.

Mommywood Tori Spelling, 2010-03-23 IF YOU THOUGHT TINSELTOWN WAS TOUGH . . . Tori Spelling might have grown up with everything a girl could wish for, but these days she's just another suburban working mom . . . whose toddler regularly recognizes her in the pages of *US Weekly*. Welcome to Mommywood, where the stars are two feet tall and your neighbors know who you are before you move in. Like most parents, Tori wants her children to have the one thing she didn't have as a kid—a normal family. On their hit Oxygen reality show, *Tori & Dean: Home Sweet Hollywood*, the starlet and her husband Dean McDermott regularly wrestle dirty diapers, host the neighborhood block party, and tackle temper tantrums on the red carpet. But when the cameras aren't rolling, Tori's still having awkward run-ins with a former *90210* costar at a laser tag birthday party, scooping rogue poo out of the kiddie pool on a resort vacation, and racing to win back her pre-baby body before the media starts calling her fat. For all her suburban fantasies, Tori Spelling is no June Cleaver. With the same down-to-earth wit that made her entertaining memoir *sTORI* telling a #1 New York Times bestseller, Tori tells the hilarious and humbling stories of life as a mom in the limelight, from learning to be the kind of parent her own mother never was to revealing what it's like to raise a family while everyone is watching. *Mommywood* is an irresistible snapshot of celebrity parenthood that you won't get from the paparazzi.

Stories from Candyland Candy Spelling,2009-03-31 Carole Gene Marer spent her girlhood dreaming of meeting Rock Hudson, but when she finally had the chance—on her second date with her future husband, television mogul Aaron Spelling—she was so shy she hid all night in the powder room. How Candy morphed from that quiet girl into a seemingly-confident, stylish trophy wife, mistress of the largest house in Los Angeles (70,000 square feet when you count the attic) is at the heart of *Stories from Candyland*. The life Candy created for her family—her husband and children Tori and Randy—was fabulous, over-the-top, and often magical. So what if California Christmases don't come with snow? Let's make some on the tennis court! How do we take a cross-country family vacation with a dad who doesn't fly? By private train car, of course (with an extra for the fifty-two pieces of luggage). The kids want to dress up for Halloween? No problem, why not call in Nolan Miller to design their costumes? Candy had a hand in some of the most beloved television shows of all time (she once stopped production on *Dynasty* because Krystle Carrington's engagement ring was not spectacular enough), has entertained half of Hollywood in epic fashion, and lives an enviable life. But under all the fun and showmanship lies a more interesting character, still wrestling with some of the insecurities of her ingénue self. Oprah threw her into a major panic with a discussion of hoarding. A lifelong humming habit evolved as a unique coping mechanism. And there's nothing like being defined as, well, you know, complicated by your daughter on television and in her own book. *Stories from Candyland* sparkles with glamour and grand gestures. But it also satisfies with some more intimate Candy concerns: why being a perfect wife and mother was so important to her, how cooking and cleaning can keep the home fires burning, why collections matter, and whether dogs are better judges of people than people are. Visit Candyland in these pages and get a glimpse of a generous, glittering world revealing many of its surprising and funny secrets for the first time.
