Max Verstappen James Gray, 2021-05-20 **FULLY UPDATED PAPERBACK EDITION OF THE BESTSELLING BIOGRAPHY ON MAX VERSTAPPEN, NOW DOUBLE WORLD CHAMPION ** Few drivers have shaken up Formula 1 in quite the same way as Max Verstappen. Already the youngest competitor in F1 history, he made history as the first Dutch driver to win the World Championship in 2021. In 2022 he retained his title with four races to spare and went on to achieve the highest season points tally of all time. As the son of former F1 driver Jos Verstappen, Max was destined to be a racing driver. And as sports journalist James Gray deftly shows, since his headline-grabbing debut victory at the 2016 Spanish

Grand Prix, Max has continued to make an indelible impression on the sport, courting criticism and plaudits in equal measure. Gray seeks to understand the outspoken nature and aggressive driving style that make Verstappen a must watch before, during and after races, and why his Dutch fans, who turn up to cheer him on in their orange-clad droves, are quite so fanatical.

Red Bull. L'impero del marketing del Toro rosso Francesco Domenighini, 2023
Meet Sebastian Vettel Andrea Cremonesi, Marco Degl'Innocenti, 2012 In 2008 Sebastian Vettel became the youngest ever winner of a Formula 1 race when he won the Italian Grand Prix while driving for Toro Rosso. He is now the youngest ever Formula One champion (and has won two consecutive World Championships). This illustrated biography follows Sebastian Vettels life and career from his first encounter with his hero, Michael Schumacher, his years as a karting champion to his ascent to Formula 1 and becoming its youngest ever driver at just 19. Depicting Vettels private life and personality, the book is fully illustrated with photographs from every stage in his life, as well as contributions in their own words from Vettel himself, his team-mate, Mark Webber, as well as the members of Red Bull who have helped to make him a champion.

Unstoppable Mark Hughes, 2023-09-07 WATERSTONES' BEST BOOKS OF 2023: SPORT A definitive and intriguing biography of Max Verstappen, Formula 1's superstar, Lewis Hamilton's great rival and the three-time winner of the World Drivers' Championship. No Hollywood scriptwriter could possibly have envisioned the breathless, adrenaline-pumping climax to the 2021 Formula 1 season. On the very last lap of the final race of an unbelievably arduous and controversial season, Red Bull's Max Verstappen nervelessly overtook the seven-time World Champion Lewis Hamilton of Mercedes to clinch the first place that thrust the

young prodigy to the narrowest of victories and to his first World Drivers' title. He followed up by taking the 2022 and 2023 titles as well. Verstappen may only be 26 years of age, but the Dutch motorsport sensation has an incredible record in F1. This young man has already left an indelible mark on the sport. The son of F1 driver Jos, Verstappen junior quickly stepped out of his father's shadow: his youthful charisma, ferocious speed, fearless driving style and refusal to back down mark him out as a true champion. And the phenomenal success of Netflix's Drive to Survive documentary series has elevated his worldwide popularity still further. Widely respected motorsport writer and F1 insider Mark Hughes is perfectly placed to write the most authoritative narrative on Verstappen's incredible rise through the ranks to F1 glory. Hughes' immaculate credentials and first-rate access enable him to generate fresh and fascinating insights, and to paint a fully-rounded and richly-textured portrait of one of the most exciting young sportsmen on the planet.

Max Verstappen Ewan McKenzie, 2024-04-16 A fully illustrated biography of Max Verstappen, from karting in the junior races at age 10 to his third time winning the world championship at the end of 2023. Max's journey to Formula 1 stardom was not a typical one. His parents are both motorsport talents. He was born in Belgium to mum Sophie Kumpen, a champion karter, while dad Jos Verstappen was Benetton team-mate to Michael Schumacher and survived perhaps the scariest F1 pitlane incident when his car caught fire during a refuelling stop. As well as being good team-mates, his dad and Michael Schumacher became great friends over the years. Max grew up going on family holidays with Schumacher and his son, fellow F1 star Mick. Max broke all the records for youngest driver after he made his official debut in 2015, including youngest

ever driver to win an F1 race after he transferred from Red Bull's junior team Toro Rosso to Red Bull in 2016. However, his move was at the expense of Daniil Kvyat who was demoted to Toro Rosso in his place. Verstappen then started dating Kvyat's girlfriend, Kelly Piquet, and is now stepfather to Kvyat's son. Complicated to say the least! Max's career has barely spanned a decade and he's already gained the title of the most popular Formula One driver. With incredible skills on the track and a legion of travelling Dutch fans, he's a force to be reckoned with and the one to watch in racing. This fully illustrated biography explores his youth karting through to the end of the 2023 season, interspersed with 10 key races, including: His debut F1 race for Toro Rosso His wholly unexpected win on debut for the Red Bull team in 2016, the Spanish Grand Prix where Lewis Hamilton and Nico Rosberg took themselves out on the opening lap The 2021 British Grand Prix at Silverstone where he survived a 56G deceleration as he hit the barriers at Copse corner His titanic showdown in Abu Dhabi where he won his first controversial world championship His second world championship win in 2022 His latest win and third world championship in 2023 This detailed biography with high-quality photographs is the perfect gift for any fan of the rising F1 star Max Verstappen. It's a standout collector's item full of impactful info about a racing maverick. Relive Max's formative moments, racing success and explore what the future holds for this young talent. Though things are going well right now, the volatility that led him to a physical altercation with Esteban Ocon in the 2020 Brazilian Grand Prix still appears from time to time when things don't go his way. And soon Red Bull want a team-mate who can really push him...
