Heart of Darkness Joseph Conrad,2023-11-21 Heart of Darkness is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country – even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the

most unforgettable fictional characters of our time. JOSEPH CONRAD [1857–1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella *Heart of Darkness* [1899], adapted into a film by Francis Ford Coppola in 1979 as *Apocalypse Now*.

Island Beneath the Sea Isabel Allende, 2020-06-30 The New York Times bestselling author of *The House of the Spirits* and *A Long Petal of the Sea* tells the story of one unforgettable woman—a slave and concubine determined to take control of her own destiny—in this sweeping historical novel that moves from the sugar plantations of Saint-Domingue to the lavish parlors of New Orleans at the turn of the 19th century “Allende is a master storyteller at the peak of her powers.”—Los Angeles Times The daughter of an African mother she never knew and a white sailor, Zarité—known as Tété—was born a slave on the island of Saint-Domingue. Growing up amid brutality and fear, Tété found solace in the traditional rhythms of African drums and the mysteries of voodoo. Her life changes when twenty-year-old Toulouse Valmorain arrives on the island in 1770 to run his father’s plantation, Saint Lazare. Overwhelmed by the challenges of his responsibilities and trapped in a painful marriage, Valmorain turns to his teenaged slave Tété, who becomes his most important confidant. The indelible bond they share will connect them across four tumultuous decades and ultimately define their lives.

High Drama John Burgman, Kynan Waggoner, 2020-03-03 One afternoon in 1987, two renegade climbers in Berkeley, California, hatched an ambitious plan: under the cover of darkness, they would rappel down from a carefully scouted highway on-ramp, gluing artificial handholds onto the load-bearing concrete pillars underneath.

Equipped with ingenuity, strong adhesive, and an urban guerilla attitude, Jim Thornburg and Scott Frye created a serviceable climbing wall. But what they were part of was a greater development: the expansion and reimagining of a sport now slated for a highly anticipated Olympic debut in 2020. High Drama explores rock climbing's transformation from a pursuit of select anti-establishment vagabonds to a sport embraced by competitors of all ages, social classes, and backgrounds. Climbing magazine's John Burgman weaves a multi-layered story of traditionalists and opportunists, grassroots organizers and business-minded developers, free-spirited rebels and rigorously coached athletes.

*Total Drama* Sarah Vickers, 2023-04-12 This is an aftermath fan fiction story of what all transpired between Alejandro and Heather after the final episode of *Total Drama All Stars* aired on national television. The very first scene at the beginning of chapter one begins at the moment when Alejandro and Heather's head pop out of the water after the island they were on literally sank into the bottom of the ocean. Heather is, of course, furious that she got cheated out of winning a million dollars yet again. Then Alejandro flirts with her, and she groans in anger and frustration. After that, the man eating shark Fang roars, and begins swimming after Alejandro and Heather, trying to chase them down in order to devour them as his next meal. Alejandro winds up punching the living daylight out of the shark Fang, and Heather becomes enamored by him and then owes him her life. Afterwards, things begin to heat up between Alejandro and Heather again. They have to go back home to their families in separate countries, but they are determined to be together again. What all will transpire between this reunited newly blossomed romantic *Total Drama Show* couple?
