Being a Toucan Katherine Ponka,2013-12-30 Vibrant, playful toucans are beautiful birds to watch at the zoo, or, even better, in the rainforests of Central and South America. If readers can't be in either of these places, this book is the next best thing. Each page asks the reader to imagine themselves living the wild life of the colorful toucan. They will picture themselves with long bills and a funny way of eating. They will imagine sleeping in a tree hollow and even sword fighting another toucan with their bill. Fun text and science concepts are a great combination in this look at a toucan's life.

Toco Toucans Anastasia Suen,2010-01-01 Is that a flower on the tree, or is it a toco toucan? Sometimes it's hard to tell. The toco toucan's bright colors can be mistaken for a flower growing on a tree, allowing the animal to blend in with its surroundings. Hungry animals fly right by the camouflaged creature, missing out on a tasty meal. Look inside to learn more about the ways these masters of disguise live and stay safe-but keep a close eye on them. If you don't, they might disappear right before your eyes. Book jacket.
