Santa's Toy Shop (Disney) Al Dempster,2015-09-08 The magic of the holidays and the magic of Disney combine in this charming Christmas tale! Inspired by a 1932 Walt Disney Silly Symphony animated short, the Santa's Toy Shop Little Golden Book was originally published in 1950. In this delightful story, Santa wants time to play with all the wonderful toys he and the elves have made, but he's just too busy--until Mrs. Claus gives him an idea! The Little Toy Shop Frances Wolfe,2011-12-14 Come and explore Mr. Kringle's special little toy shop, where he spends his days helping every customer find just the right toy. When a box arrives at the shop with a small stuffed bunny inside, Mr. Kringle determines to find him a loving home in time for Christmas. Could the little girl who peers through the toy-shop window be the one who provides just the home he seeks? Meet Teddy, the stuffed bear who befriends Bunny, and watch their friendship deepen as, one by one, the other toys leave the shop. Will the little girl who stared at Bunny through the window ever come back to claim him? Frances Wolfe's vibrant paintings complement her poignant prose in this heartwarming tale of love lost and found for the young and the young at heart.

Toy Shop Harry Harrison,Sheba Blake,2019-03-31 The gadget was strictly, beyond any question, a toy. Not a real, workable device. Except for the way it could work under a man's mental skin....Harry Harrison (March 12, 1925 August 15, 2012) was an American science fiction author, known for his character the Stainless Steel Rat and for his novel Make Room! Make Room! (1966). The latter was the rough basis for the motion picture Soylent Green (1973). Harrison was (with Brian Aldiss) the co-president of the Birmingham Science Fiction Group.Aldiss called him a constant peer and great family friend. His friend Michael Carroll said, Imagine Pirates of the Caribbean or Raiders of the Lost Ark, and picture them as science-fiction novels. They're rip-roaring adventures, but they're stories with a lot of heart. Novelist Christopher Priest wrote in an obituary,Harrison was an extremely popular figure in the SF world, renowned for being amiable, outspoken and endlessly amusing. His quickfire, machine-gun delivery of words was a delight to hear, and a reward to unravel: he was funny and self-aware, he enjoyed reporting the follies of others, he distrusted generals, prime ministers and tax officials with sardonic and cruel wit, and above all he made plain his acute intelligence and astonishing range of moral, ethical and literary sensibilities.
