Toward a Reference Grammar of Tok Pisin John W. M. Verhaar, 1995-01-01

Cave Zaba Hamad S Alomar, 2015-02-12 *Cave Zaba* is a work of realistic fiction that explores the hidden human potential to deal with the unexpected—given that people have the self-confidence, courage, and tact to unleash that potential. The story revolves around a mother, Afra, and her child, Suhail, members of two notably unprotected classes, as well as their extended family. Despite the cultural and legal barriers that stand in their way in 1960s Saudi Arabia, these two people display a profound ability to do what is necessary for their family. Their loyalty and determination exist as virtues in themselves, and the tale serves as both entertainment and a glimpse into another culture in a different time. Opening in Jobna, a desert village some two hundred miles north-east of Riyadh, the story shifts to the capital city when Suhail is forced to move there on his own, at the age of twelve to continue school. As he grows up and his mother struggles to support the family, their true potentials are revealed.

Inteligența Artificială în Viața Ta Cum Transformă Tehnologia Modul în Care Trăim M.B. Chatfield, 2023-11-23 Inteligența artificială (IA) este o tehnologie care se dezvoltă rapid și care are potențialul de a transforma modul în care trăim. În această carte, M.B. Chatfield, un expert în inteligența artificială, oferă o prezentare cuprinzătoare a modului în care IA este folosită în prezent în viața noastră de zi cu zi. Cartea oferă, de asemenea, o discuție despre provocările și riscurile asociate cu IA. De exemplu, IA ar putea duce la pierderea locurilor de muncă, la discriminare și la utilizare abuzivă. În concluzie, această carte este o lectură esențială pentru oricine dorește să înțeleagă modul în care IA ne transformă viața.

Metafore după care trăim George Lakoff, Mark Johnson, 2022-11-15 Așa cum Lakoff și Johnson demonstrează la fiecare pagină, cel mai important lucru despre metaforă este că e experimentată - iar această carte cere nu atât să fie citită, cât să fie experimentată. Ideile care se nasc în timpul experienței reprezintă atât structura conceptuală a cititorului, cât și pe cea a autorilor. Această trăsătură, comună întregii comunicări umane, este intensificată în această carte de viziunea artistică a lui Lakoff și Johnson, rezultând o carte cu o puternică încărcătură umană despre un subiect uman puternic. / John M. Lawler, Language Prin bogăția exemplelor și prin claritatea analizei lor, Lakoff și Johnson ne-au atras atenția asupra dezbaterei dintre metaforă și categorie. Metafore după care trăim reprezintă un exemplu de colaborare reușită între discipline care au fost mult prea izolate unele de altele în epoca noastră. / Robert Greene, Modern Language Notes Acest volum a fost publicat în cadrul unui proiect editorial co-finanțat de Administrația Fondului Cultural Național.

A Grammar and Dictionary of Tayap Don Kulick, Angela Terrill, 2019-06-04 Tayap is a small, previously undocumented Papuan language, spoken in a single village called Gapun, in the lower Sepik River region of Papua New Guinea. The language is an isolate, unrelated to any other in the area. Furthermore, Tayap is dying. Fewer than fifty speakers actively command it today. Based on linguistic anthropological work conducted over the course of thirty years, this book describes the grammar of the language, detailing its phonology, morphology and syntax. It devotes particular attention to verbs, which are the most elaborated area of the grammar, and which are complex, fusional and massively suppletive. The book also provides a full Tayap-English-Tok Pisin dictionary. A particularly innovative contribution is the detailed discussions of how Tayap's grammar is dissolving in the language of young speakers. The book exemplifies how the complex structures in fluent speakers' Tayap are reduced or reanalyzed by younger speakers. This grammar and dictionary should therefore be a valuable resource for anyone interested in the mechanics of how languages disappear. The fact that it is the sole documentation of this unique Papuan language should also make it of interest to areal specialists and language typologists.

Steep Slopes Kirsty Gillespie, 2010-12-01 This book is a musical ethnography

of the Duna people of Papua New Guinea. A people who have experienced extraordinary social change in recent history, their musical traditions have also radically changed during this time. New forms of music have been introduced, while ancestral traditions have been altered or even abandoned. This study shows how, through musical creativity, Duna people maintain a connection with their past, and their identity, whilst simultaneously embracing the challenges of the present.

The Pacific and Australasia Kate Burridge, Bernd Kortmann, 2008-12-10 This volume gives a detailed overview of the varieties of English spoken in the Pacific and Australasia, including regional, social and ethnic dialects (such as New Zealand, Australian Vernacular, or Maori English) as well as pidgins and creoles (such as Tok Pisin, Hawaii Creole, or Kriol in Australia). The chapters, written by widely acclaimed specialists, provide concise and comprehensive information on the phonological, morphological and syntactic characteristics of each variety discussed. The articles are followed by exercises and study questions. The exercises are geared towards students and can be used for classroom assignments as well as for self study in preparation for exams. Instructors can use the exercises, sound samples and interactive maps to enhance their classroom presentations and to highlight important language features. The accompanying CD-ROM contains interactive maps and speech samples that supplement the printed articles and offer material and data for further research. The rich detail found in the

chapters as well as the valuable tools on the CD-Rom make this survey of English Varieties a mainstay for researchers and teachers. The content of the CD-ROM is online: <http://www.varieties.mouton-content.com>.
