10 Treasure Legends! Virginia Jovan Hutton Pulitzer, National Treasure Society, Cacheology Society of America, 2014-02-05

Is Treasure really out there? A resounding YES! Over \$14 trillion dollars of it! Then why is Treasure Hunting considered to be a dirty word and said in hushed tones? Why does so much of society not want people hunting for Lost Treasures and Treasure Legends? The reasoning is simple: Many people DO NOT want to see other people successful and rich beyond their wildest dreams. But now, more than ever Treasure after Lost Treasure is being recovered. Thanks to better technology, better research tools and that good ol' American Spirit and Determination! 10 Treasure Legends is a simple book series. One book for each State in the United States. The 10 Treasure Legends inside this work are legends of buried or lost treasure and fortunes. If you are willing to separate fact from fiction - who knows? You might be the one to find them and make history. These Treasure Legends have been around a long time, and time after time people have wanted to or claimed to go after them, but the truth is - they are still lost and out there for someone like you to find. Not a lot of technical how to or educational mumbo-jumbo in this series; only the legends as best as the legends can be retold. But, there are some tools included should you get excited and decide to research, investigate and either prove or disprove these Treasure Legends for yourself. Go Treasure and Lost History Hunting with COMMANDER Hutton Pulitzer of ExpeditionHistory.org and TreasureForce. The World's Foremost History Expedition and Terrestrial Treasure Recovery Team and COMMANDER plans and manages missions all around the globe. TreasureForce combines historical re-enactments and forensic research with the most advanced tools and instruments in the world to locate and recover famous Lost Treasures and to either prove or disprove various Treasure Legends. As an Inventor, Commander Pulitzer is globally one of the foremost Inventors in modern times,

recognized as one of the Top 50 Inventors in the World, and as an Author, he has published over 200 individual History and Treasure Hunting titles. Cacheology Society of America and the Cacheology Society and Institute of the United Kingdom are the governing and certification boards of Certified Cacheologists. Cacheology: The profession, whereby highly trained and certified individuals, using archaeological methods combined with forensic historical research and modern technology, set out to either prove or disprove, dispel or recover, set the historical record straight or professionally document, the various types of caches, common treasures or otherwise, that have been lost to history and mankind. The mission of the Cacheologists is to recover lost caches, using profit driven methods, for the expansion of mankind's study, education, instruction, collecting, showcasing, and the preservation of caches that time and the environment rapidly and thoroughly destroy, thus erasing vital and irreplaceable historical records and artifacts of the entire world.

*A Treasure's Trove* ,2004 A Treasure's Trove is a compelling fairy tale, suitable for adults and children of all ages, about twelve forest creatures whose mates disappear after being crystallized by a dark dust that blankets the forest every evening. The

creatures combine forces with a handsome woodcarver, his beautiful half-elf, half-human wife, and their timid, winged doth to save the creatures and restore the dying forest. A sweet and sometimes sad story about friendship and greed, A Treasure's Trove shows how love can be a greater force than fear. Ever poignant, it reminds us to take care of each other and the Earth, and to work together to accomplish our goals. But the story doesn't end there. It can lead you on a terrific family adventure to discover real treasure. In the book's wonderfully written and superbly illustrated pages are clues to finding 12 gold tokens, redeemable for 12 magnificent jewels, similar to the jeweled forest creatures in the tale. The tokens have been hidden in 12 separate locations throughout the continental USA, spawning an exciting nationwide treasure hunt. A Treasure's Trove will be talked about for years to come! There is, of course, a catch. First they must find the legendary religious relic that men of power have searched for from King Arthur's time to the present. For Selene and the ex-assassin, it is a dangerous odyssey that begins in erotic captivity and leads to an encounter with the mysterious and reclusive Tarik, who now possesses the treasure. But the truth is far more explosive, the stakes far more deadly, and the closer they come to discovering the secret, the closer they will come to losing each other—and their lives.
