Trick 'r Treat John Griffin, Michael Dougherty, 2008-09-02

Trick 'r Treat delves into the four stories that make up the feature film, Trick 'r Treat, releasing in October 2007. It reflects Dougherty's personal take on the filmmaking process, details how the ideas and art came together, and presents it with exclusive special features in a unique format. The genre encompasses drama, horror, thriller...mixed with a good dose of twisted humor. Set in a small suburban town, Trick 'r Treat explores Halloween traditions while following a group of people trying to survive the most terrifying night of the year. From a serial killer who specializes in poisoning candy; to a group of mischievous kids who unearth their town's dark secret; to a young woman hunted by a masked stalker at the local festival; to a cantankerous old hermit confronted by a demonic trick-or-treater, the film is filled with horrifying surprises, nervous laughs and strange creatures of every variety--human or otherwise. The atmosphere Dougherty creates on film mirrors the flavor of his art--whimsical, yet eerie. It seems welcoming from a distance, but the closer you look, the more you see the twisted, dark side of Dougherty's mind. Dougherty's third-grade teacher once remarked on a report card that his behavior exhibited early evidence of what may be an extraordinary morbid ingenuity. Years later, his drawings and doodles of the youthful, eerily pumpkin-headed character, Sam--a kind of ghost of Halloweens past--along with a number of other creepy, unforgettable characters, have made it to the big screen. There, Dougherty's art and storytelling promise to take a fresh twist. At the launch of his career he's already got a loyal following eagerly awaiting his next spooky project.

Conor—her new, weird stepbrother—chose Martha's new room for her. It's dark and drafty, and no matter how she tries to fix it up, she can't sleep easily there. At night, whispers come from the closet, filling Martha with a sense that something terrible happened here. She's right. Not long ago, the house was the site of a gruesome murder. When Conor and Martha's parents leave town on their honeymoon, the two teens will find out why the dead don't rest easy at the old Bedford house. Trick or Treat Lisa Morton, 2013-09-15 Every year, children and adults alike take to the streets dressed as witches, demons, animals, celebrities, and more. They carve pumpkins and play pranks, and the braver ones watch scary movies and go on ghost tours. There are parades, fireworks displays, cornfield mazes, and haunted houses—and, most important, copious amounts of bite-sized candy. The popularity of Halloween has spread around the globe to places as diverse as Russia, China, and Japan, but its association with death and the supernatural and its inevitable commercialization has made it one of our most misunderstood holidays. How did it become what it is today? In Trick or Treat, Halloween aficionado Lisa Morton provides a thorough history of this spooky day. She begins by looking at how holidays like the Celtic Samhain, a Gaelic harvest festival, have blended with the British Guy Fawkes Day and the Catholic All Souls' Day to produce the modern Halloween, and she explains how the holiday was reborn in America, where costumes and trick-or-treat rituals have become new customs. Morton takes into account the influence of related but independent holidays, especially the

Mexican Day of the Dead, as well as the explosion in popularity of haunted attractions and the impact of such events as 9/11 and the economic recession on the celebration today. Trick or Treat also examines the effect Halloween has had on popular culture through the literary works of Washington Irving and Ray Bradbury, films like Halloween and The Nightmare Before Christmas, and television shows such as Buffy the Vampire Slayer and The Simpsons. Considering the holiday in the context of its worldwide popularity for the first time, this book will be a treat for any Halloween lover.
