**The Troop** Nick Cutter,2014-02-25 WINNER OF THE JAMES HERBERT AWARD FOR HORROR WRITING “The Troop scared the hell out of me, and I couldn’t put it down. This is old-school horror at its best.” —Stephen King Once every year, Scoutmaster Tim Riggs leads a troop of boys into the Canadian wilderness for a weekend camping trip—a tradition as comforting and reliable as a good ghost story around a roaring bonfire. But when an unexpected intruder stumbles upon their campsite—shockingly thin, disturbingly pale, and voraciously hungry—Tim and the boys are exposed to something far more frightening than any tale of terror. The human carrier of a bioengineered nightmare. A horror that spreads faster than fear. A harrowing struggle for survival with no escape from the elements, the infected...or one another. Part Lord of the Flies, part 28 Days Later—and all-consuming—this tightly written, edge-of-your-seat thriller takes you deep into the heart of darkness, where fear feeds on sanity...and terror hungers for more.

*Troop 6000* Nikita Stewart,2021-03-02 The inspiring true story of the first Girl Scout troop founded for and by girls living in a shelter in Queens, New York, and the amazing, nationwide response that it sparked “A powerful book full of powerful women.”—Chelsea Clinton Giselle Burgess was a young mother of five trying to provide for her family. Though she had a full-time job, the demands of ever-increasing rent and mounting bills forced her to fall behind, and eviction soon followed. Giselle and her kids were thrown into New York City’s overburdened shelter system, which housed nearly 60,000 people each day. They soon found themselves living at a Sleep Inn in Queens, provided by the city as temporary shelter; for nearly a year, all six lived in a single room with two beds and one bathroom. With curfews and lack of amenities, it felt more like a prison than a home, and Giselle, at the mercy of a broken system, grew fearful about her family’s future. She knew that her daughters and the other girls living at the shelter needed to be a part of something where they didn’t feel the shame or stigma of being homeless, and could develop skills and a community they could be proud of. Giselle had worked for the Girl Scouts and had the idea to establish a troop in the shelter, and with the support of a group of dedicated parents, advocates, and remarkable girls, Troop 6000 was born. New York Times journalist Nikita Stewart settled in with Troop 6000 for more than a year, at the peak of New York City’s homelessness crisis in 2017, getting to know the girls and their families and witnessing both their triumphs and challenges. In Troop 6000, readers will feel the highs and lows as some families make it out of the shelter while others falter, and girls grow up with the stress and insecurity of not knowing what each day will bring and not having a place to call home, living for the times when they can put on their Girl Scout uniforms and come together. The result is a powerful, inspiring story about overcoming the odds in the most unlikely of places. Stewart shows how shared experiences of poverty and hardship sparked the political will needed to create the troop that would expand from one shelter to fifteen in New York City, and ultimately inspired the creation of similar troops across the country. Woven throughout the book is the history of the Girl Scouts, an organization that has always adapted to fit the times, supporting girls from all walks of life. Troop 6000 is both the intimate story of one group of girls who find pride and community with one another, and the larger story of how, when we come together, we can find support and commonality and experience joy and success, no matter how challenging life may be.

*Troop 402* Donald Ladew,2003-03 When a commuter plane crashes in a violent storm in the Canadian Rockies, four unlikely passengers must find a way to survive. Each will be tested in ways they can't imagine. Their chances seem impossible at the outset. A determined, obsessive boy scout, an arrogant 'Mr. America,' an old Italian deli man with a bad heart and a pretty flight attendant are thrown together on a Canadian mountainside. Before they can escape to civilization they must confront bad weather, a wounded grizzly bear, criminal trappers and each other. Their greatest test will be to learn to work together, to become a team, in this case, Troop 402.

**X Troop** Leah Garrett,2021-05-25 WALL STREET JOURNAL BOOK OF THE MONTH This is the incredible World War II saga of the German-Jewish commandos who fought in Britain’s most secretive special-forces unit—but whose story has gone untold until now. —Wall Street Journal “Brilliantly researched, utterly gripping history: the first full account of a remarkable group of Jewish refugees—a top-secret band of brothers—who waged war on Hitler.”—Alex Kershaw, New York Times best-selling author of The Longest Winter and The Liberator The incredible World War II saga of the German-Jewish commandos who fought in Britain’s most secretive special-forces unit—but whose story has gone untold until now June 1942. The shadow of the Third Reich has fallen across the European continent. In desperation, Winston Churchill and his chief of staff form an unusual plan: a new commando unit made up of Jewish refugees who have escaped to Britain. The resulting volunteers are a motley group of intellectuals, artists, and athletes, most from Germany and Austria. Many have been interned as enemy aliens, and have lost their families, their homes—their whole worlds. They will stop at nothing to defeat the Nazis. Trained in counterintelligence and advanced combat, this top secret unit becomes known as X Troop. Some simply call them a suicide squad. Drawing on extensive original research, including interviews with the last surviving members, Leah Garrett follows this unique band of brothers from Germany to England and back again, with stops at British internment camps, the beaches of Normandy, the battlefields of Italy and Holland, and the hellscape of Terezin concentration camp—the scene of one of the most dramatic, untold rescues of the war. For the first time, X Troop tells the astonishing story of these secret shock troops and their devastating blows against the Nazis. “Garrett’s detective work is stunning, and her storytelling is masterful. This is an original account of Jewish rescue, resistance, and revenge.”—Wendy Lower, author of The Ravine and National Book Award finalist Hitler’s Furies

**Super Troop** Bruce Hale,2022-06-28 From the Edgar-nominated author Bruce Hale comes a hilarious story about a kid who likes to break the rules . . . until the rules try to break him. Cooper just wants to spend the summer before 7th grade drawing and having adventures with his best friend, Nacho. Anything to keep his mind off the fact that his dad’s new girlfriend and his mom’s announcement that she’s going to start dating. But when one of his adventures with Nacho goes too far, Cooper’s parents freak out. Either he joins the Boy Rangers, a dorky club that’s all about discipline and rules, or that dream cartooning camp at the end of his summer? Will get erased. At first it’s not so bad -- the troop is a disorganized mess. But then a new scoutmaster starts. Mr. Pierce is a gruff ex-Marine who’s never worked with kids before, especially not a ragtag team of misfits like Troop 19. As he tries turning them into a lean, mean, badge-earning machine, Cooper longs for freedom. He doesn’t want to break the rules, but the rules are going to break him!

**Patrol and Troop Leadership** Boy Scouts of America,1972  
**Campaign of the First Troop Philadelphia City Cavalry April 25-November 11, 1898** James Fenimore Cooper,  
**Gray Horse Troop** Charles Baker,2013-09 This searing memoir of the war in Vietnam, and again in Iraq, captures the emotions, fears, and concerns of young men facing life or death in far away lands. Gray Horse Troop is a testament to the gallantry of the men of the 5th Battalion 7th U.S. Cavalry - from Montana in the 1870s to the Middle East in 2005. The author narrates the story about the soldiers, honoring the men who served in this storied unit. From his perspective as the Battalion Operations Officer, he gives a first hand account of combat as part of the legendary 1st Cavalry Division in Vietnam in the first half of 1968. 5/7th Cav fights its way into Hue during Tet of 1968, clears the NVA away from the perimeter at Khe Sahn, and pursues the enemy into the infamous A Shau Valley. He provides the big picture that surviving veterans did not get while fighting for survival down at squad level. Gray Horse Troop is a personal account of what the author saw, remembered, and further researched; which he writes about with traces of wit, political incorrectness, and cynicism. Being embedded with 5/7th Cav in Iraq in 2005 provides the framework for recalling the various Vietnam battles. He is blunt about the human costs of war. He writes in simple language, directed beyond the military reader to all who are interested in the Cold War Era.

**The Deep** Nick Cutter,2015-07-28 A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget--small things at first, like where they left their keys, then the not-so-small things like how to drive or the letters of the alphabet. Then their bodies forget how to function involuntarily. There is no cure. But far below the surface of the Pacific Ocean, a universal healer hailed as 'ambrosia' has been discovered. In order to study this phenomenon, a special research lab has been built eight miles under the sea's surface. When the station goes incommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine--Page [4] of cover.

**Troop 1204** Craig Estes,2002 From a new author comes a mystery that encompasses four decades of brutal murder and betrayal among a group of neighborhood friends who rise to prominence, wealth and fame, but cannot escape the choice each made about his role in this nation's longest and least understood military campaign. TROOP 1204 On a hot summer California night in 1958, someone brutally slit the throat of a Boy Scout and carved a gruesome murder signature across the twelve year old's forehead. Now, 40 years after that horrific overnight campout, another member of Troop 1204 turns up dead in Arizona with the same latticework pattern of forehead carvings, and the police look to the surviving scouts for their killer. The latest victim, an international film idol, brings worldwide attention to the 1204 troop roster, which includes a policeman, a TV news anchor, a university professor and a doctor, as well as two lawyers and a United States Congressman. The authorities are especially interested in Joshua Hilliard, the only scout known to be in Arizona at the time of the second killing. Hilliard, a Washington, D.C. urban design architect and decorated Vietnam War veteran, sets out to solve the crimes and clear his name. Teaming up with his wife, Carla, a high powered D.C. attorney, he retraces his life and the lives of the other ten surviving scouts, working against time to find the killer before he is indicted for the murders of his childhood friends, the two amateur sleuths confront their past as they fight for their future. In the course of their investigation, they discover how the war has effected their friends' lives and their own feelings toward each other since Joshua's return from Vietnam. As new murders occur and old ones come to light, Josh wages a battle with long dormant memories of his tour in country while Carla comes face to face with her husband's old combat adrenaline rush and her own sexual reawakening as well.
