Trooper Down! Marie Bartlett,2012-04-03 It's a trooper's worst nightmare. What begins as a routine patrol suddenly turns violent when someone pulls a weapon. Moments later, the trooper is down—wounded or dead. Then, like a swarm of angry bees, every other trooper on the force mobilizes to catch the suspect. Whether they're issuing a ticket for speeding "just a little" over the limit or conducting an all-out manhunt, the people who have chosen this perilous and demanding profession are rarely revealed as vividly or candidly as they are here. In *Trooper Down!* Marie Bartlett uses her gripping hell-for-leather style to paint a fascinating portrait of one of the nation's most elite law-enforcement agencies. In interviews and anecdotes, troopers relate stories of narrow misses, breathtaking confrontations, strange and hilarious encounters with various "crazies," and, most heartbreakingly, working the wrecks—aiding the injured and dying in highway accidents—while troopers' wives and widows tell of the heart-wrenching realities trooper families face. Through this remarkable book, we not only comprehend the life of a trooper, we are unforgettably there.

Arkansas State Troopers Lieutenant Dempsie Coffman,2005-09-28 Ride with the Troopers of the Arkansas State Police as they raid illegal gambling operations and take down drug dealers. Experience the helplessness as officers watch a fellow Trooper being ambushed. Mourn with the families when they receive word that a loved one has been killed in the line of duty. Feel the pain when you hear the sound of a twenty one-gun salute and cry as taps are blown at the funeral of a fallen comrade. You may wonder why anyone would choose to enter a profession that poses the danger associated with wearing a badge. Its pretty simple. Just ask any police officer who has rescued someone from a burning vehicle, or found a lost child and safely returned him or her to their parents. Then youll understand! Lieutenant Coffman has also written an autobiography entitled *Life* (its all about the Family) and a book of poetry entitled *Southern Charm* I believe that you will enjoy reading all of his books.

The Story of a Trooper Francis Colburn Adams,2016-10-12 Excerpt from *The Story of a Trooper: With Much of Interest Concerning the Campaign on the Peninsula, Not Before Written* An eccentric

gentleman, who had sold jewelry in Maiden Lane, thinking the Government might need an extra regiment or so of cavalry before the war was ended, had inserted in the Herald an advertisement, proposing a meeting at a hall on Broadway, for the purpose of considering measures to raise a regiment of volunteer cavalry. A Colonel was wanted, to whom would be presented a remarkable horse, of great value, and a near relation to Patchen. There was something attractive about the advertisement, as there also was about the wild, dashing life of a trooper. None but skillful horsemen were to apply, horsemanship being considered necessary to a useful trooper. It must be remembered that I am writing of what occurred before the Government made that greatest Of military discoveries, that it is not necessary a man first learn to ride before you entrust him with a horse and equipments, and send him, disabled with carbine, sabre and pistols, into the field to fight the enemy. There were those inclined to set this ambitious dealer in jewelry down as a very Indiscreet gentleman, to hazard his fortune on so dangerous an enterprise. Super Trooper John Young, 2012-07-25 The Washington State Patrol pilot flying overhead, radioed he had two readings of 75 mph on a black sedan traveling southbound on the freeway in a posted 60 mph zone. Upon the direction of the pilot I entered the freeway as the car passed over the overpass I had been parked below. I headed up the on-ramp and set my speed at 70 mph to see if the black sedan would be pulling away from me. As I pulled in behind and in the lane next to this black Lincoln sedan, the pilot radioed, I now have the car at 80 mph. I increased my speed to 80 mph as the pilot radioed again, The car is now doing 90 mph. I noticed the Lincoln was still pulling away from me so I continued to increase my speed. The pilot radioed, The black sedan is now at 105 mph. I have had enough; I sped up to 120 mph to get in behind the Lincoln to end this. The driver noticed my red lights, pulled over and stopped.

After Roll Call Tom Verge, 2014-05 Florida Highway Patrol State Trooper Tom Verge has witnessed just about every way a person can get hurt. His memoir, *After Roll Call*, recalls the events that were never written in any official reports, but instead recounted only to fellow officers. Protests over the Vietnam War, race riots, and drug violence were the backdrop when, on November 15, 1967, Tom Verge became a Florida State Trooper. His memoir presents a series of stories that occurred during his many years stationed throughout Florida, but especially in Brevard County, home to NASA's Kennedy Space Center, a central location for the space race of the late 1960s and 1970s. Whether it was making a traffic stop, delivering a celebrity to watch a rocket launch, or helping tourists, Verge always answered the call of duty. Florida played host to both the Democratic and Republican 1972 national presidential conventions, and Verge was involved in several political events that included meeting sitting presidents, presidential candidates, governors, and other public figures. He, along with countless other police officers were called on to make decisions that would change lives. These officers considered themselves neither heroes nor particularly violent men. They were just police officers doing their duty.

Trooper Forrest Bryant Johnson, 2020-04-21 A charming tale for fans of *Marley & Me* and *Dewey's Nine Lives*. Whenever middle-aged desert tour guide Forrest Bryant Johnson went out on his daily walks into the Mojave, all was usually peaceful and serene. But one beautiful summer day in 1987, Forrest heard a cry of distress. Following the cries, he came upon a small bobcat kitten, injured, orphaned, and desperately in need of help. So Forrest took his new feline friend home for a night. But when the little "trooper" clearly needed some more time to recoup, that night turned into two nights, a week, and eventually nineteen years. And so Trooper became a part of the Johnson family. And in those nineteen years, Trooper lived his nine lives to the fullest. He explored desert flora and fauna around him, befriending kit foxes, jackrabbits, desert tortoises, and other creatures and getting into

mischievous along the way. Trooper became a “big brother” to stray tabby Little Brother, teaching, guiding, and protecting Brother on the pair’s adventures and misadventures. He became a beloved patient at his local vet, and cherished housemate of Forrest’s wife, Chi. And Trooper even managed to melt the icy heart of a tough guy neighbor. But most of all, throughout his nineteen years, Trooper became Forrest’s best friend, as the two shared each other’s worries and frustrations, musings and rants, joys and laughter. Harrowing and heartfelt, Trooper: The Bobcat Who Came in from the Wild is for any reader who ever had their heart stolen by their pet.

A Trooper's Tale David Beattie,2023-09-15 A Trooper's Tale is the story about a young man whose childhood dream was to become a State Trooper. As he grew, the goal of teaching elementary through high school supplanted that earlier dream. We are taken through the author's early hardscrabble roots, in a home with no running water, chopping wood for heat in the winter and sub-zero visits to the outhouse. From High School graduation to auto assembly line work, the Author heads off to college to earn a teaching degree. After being laid off from his first teaching job, the old dream resurfaces and the Author gets accepted to the State Police Academy. Survives the grueling training, graduates, and is offered an assignment to a northern Midwest Michigan State Trooper outpost. This book tells the story of his experiences on the job back in the days during the turbulence of the post Vietnam era, the joy of serving, the challenges, the inner politics, the pressures, the suspense, and the heartbreaks of facing violence and death on a daily basis. From policing, to the more lucrative insurance business, back to teaching, A Trooper's Tale takes you on a ride inside the world of perpetrators and victims, villains and heroes in a culture that ultimately set the table for the controversy surrounding policing today in this post- George Floyd, Black Lives Matter, and the Thin Blue Line era that characterizes policing today.

At times laugh-out-loud hilarious and at others heart-rending, the exploits and adventures of Trooper Gahagan offer keen insight into the world of law enforcement in the straight-shooting, no-holds-barred voice that only Gahagan has. But more than a career rundown, Wearer of the Confederate Gray tells the story of a man, his family, and the path they walk to uphold the law for the safety and betterment of society. Ever since he was eight years old, Mike Gahagan knew he wanted to be part of the North Carolina Highway Patrol. He served briefly in the Andrews Police Department before living out his dream. He has been a member of many law enforcement organizations. Now retired from Highway Patrol, he is still a sworn law enforcement officer with the Buncombe County Sheriff’s Department and the A-B Tech Police Department.

Crossroads: Conflicted Journey of a New Jersey State Trooper Dr. Vincent Lucas Martin, 2018-07-16 *Crossroads: Conflicted Journey of a New Jersey State Trooper* is a book that details the author's revelations about growing up in an inner city and making strategic decisions that paved the way for his entrance into the New Jersey State Police. Along the way, after attaining advanced degrees, and attending law enforcement's most prestigious training academy, he was assigned to an internal investigative unit, which was purportedly in place to ferret out racial, sexual and gender discrimination. However, after investigating several cases, the author witnessed the pattern and practice of intentionally stalling investigations, which enabled high ranked commissioned officers to retire without being reprimanded. The author reported his allegations directly to those in charge, but instead of making institutional changes, they retaliated against him and denied him promotions. The author reluctantly filed a civil lawsuit, which made its way to the New Jersey Supreme Court, where he won and ultimately settled his case.
