**Starship Troopers** Robert Anson Heinlein, 1987 In a futuristic military adventure a recruit goes through the roughest boot camp in the universe and into battle with the Terran Mobile Infantry in what historians would come to call the First Interstellar War

**State Trooper** Marilyn Olsen, 2001 This study examines the phenomenon of peasant resistance in western Maharashtra with special reference to the years 1875-1947. It investigates the transformation of agrarian society in this region through a sociological analysis of specific cases of peasant resistance.

**Starship Troopers** Robert A. Heinlein, 2006-06-27 In Robert A. Heinlein's controversial Hugo Award-winning bestseller, a recruit of the future goes through the toughest boot camp in the Universe—and into battle against mankind's most alarming enemy... Johnnie Rico never really intended to join up—and definitely not the infantry. But now that he's in the thick of it, trying to get through combat training harder than anything he could have imagined, he knows everyone in his unit is one bad move away from buying the farm in the interstellar war the Terran Federation is waging against the Arachnids. Because everyone in the Mobile Infantry fights. And if the training doesn't kill you, the Bugs are more than ready to finish the job... "A classic...If you want a great military adventure, this one is for you."—All SciFi

**Death Troopers** Joe Schreiber, 2010-10 A horror tale set in the Star Wars universe follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission after which surviving team members bring back a lethal infection. Reprint. A best-selling book.

**Arkansas State Troopers** Lieutenant Dempsie Coffman, 2005-09-28 Ride with the Troopers of the Arkansas State Police as they raid illegal gambling operations and take down drug

dealers. Experience the helplessness as officers watch a fellow Trooper being ambushed. Mourn with the families when they receive word that a loved one has been killed in the line of duty. Feel the pain when you hear the sound of a twenty one-gun salute and cry as taps are blown at the funeral of a fallen comrade. You may wonder why anyone would choose to enter a profession that poses the danger associated with wearing a badge. Its pretty simple. Just ask any police officer who has rescued someone from a burning vehicle, or found a lost child and safely returned him or her to their parents. Then youll understand! Lieutenant Coffman has also written an autobiography entitled Life (its all about the Family) and a book of poetry entitled Southern Charm I believe that you will enjoy reading all of his books.

**Tales of the Alaska State Troopers** Peter B. Mathiesen,2015-02-10 With the elements against them, the state troopers of Alaska face every day with a fight for their lives. In the state of Alaska, anything goes. For the state troopers, an average day can include blizzard conditions, midnight sunsets, and subzero temperatures. Tales of the Alaska State Troopers gives insight to just how the brave men and women of the law combat these conditions while still upholding their duties to the fine people of Alaska. Follow trooper Dan Valentine as he finds himself in the midst of a crisis when an abandoned truck holds more than just an old blanket on the passenger seat. Dan's responsibility for the town of Trapper Creek becomes a fight for survival when he realizes the truck has enough explosives in it to make a small dent in the Alaska Range. With his fellow lawmen, Valentine not only must handle the situation, but he must also make sure that the citizens of Trapper Creek are evacuated from harm's way. Tales of the Alaska State Troopers is rich in content and action. Anyone

familiar with the life of a lawman or the state of Alaska will be fascinated with the way Mathiesen delivers his narrative. It's all in a day's work for troopers like Dan Valentine, who never know what a new day can bring.

Jersey Troopers II George J. Wren, 2009 Jersey Troopers II chronicles the continuing patrol of the New Jersey State Police and its preeminent Outfit of Jersey Troopers. The first sequel to Leo J. Coakley's original Jersey Troopers - A Fifty Year History of the New Jersey State Police, Jersey Troopers II recounts the second era of the New Jersey State Police, an era fraught with an evolution of social change and unparalleled technological advancements. Jersey Troopers II encompasses a thirty-five-year period, from 1971 to 2006, articulated through the actions and deeds of Jersey Troopers. During this period, they faced a multitude of progressive services and advancement while trying to hold true to the steadfast traditions that earned the New Jersey State Police the title of being The Best of the Best. This is an in-depth record of many noteworthy cases and events that impacted Jersey Troopers during a time filled with intrigue and passion that revolved around an ever-changing world harboring a soaring criminal element and fanatical terrorism. It was a time marked by tragic losses and hostilities, when diversified services and progressive leadership brought a once rural state constabulary into the 21st Century as a model of modern policing. These are the real stories of Jersey Troopers told by a Jersey Trooper!

**Trooper Down!** Marie Bartlett, 2012-04-03 It's a trooper's worst nightmare. What begins as a routine patrol suddenly turns violent when someone pulls a weapon. Moments later, the trooper is down—wounded or dead. Then, like a swarm of angry bees, every other trooper on the force mobilizes to catch the suspect. Whether they're issuing a ticket for speeding "just a little" over the limit or conducting an all-out manhunt, the people who have chosen this perilous and demanding profession are rarely revealed as vividly or candidly as they are here. In Trooper Down! Marie

Bartlett uses her gripping hell-for-leather style to paint a fascinating portrait of one of the nation's most elite law-enforcement agencies. In interviews and anecdotes, troopers relate stories of narrow misses, breathtaking confrontations, strange and hilarious encounters with various "crazies," and, most heartbreakingly, working the wrecks—aiding the injured and dying in highway accidents—while troopers' wives and widows tell of the heart-wrenching realities trooper families face. Through this remarkable book, we not only comprehend the life of a trooper, we are unforgettably there.

**The Boy Troopers in the Northwest** Clair Wallace Hayes, 1922

*Jersey Troopers* Sergeant First Class John E. O'Rourke, 2010-04-30 The New Jersey State Police is an organization rich in history and tradition. Formed in 1921, the outfit has grown from a rural police force into one of the most diversified state agencies in the country. Sadly, this success did not come without a price; over thirty-five troopers gave their lives serving the citizens of the Garden State during the organization's formative years, from 1921 to 1960. This book honors their memory, telling the stories of these brave men, and upholds the state police's credo: It is the obligation--the Duty--of the living to remember--Honor--the dead. Let us always remember--Fidelity.

*Young Troopers* Paige Ramsey-Palmer, 1997 Presents accounts of experiences of soldiers and their families serving on the Western frontier during the latter half of the nineteenth century.

*Turnpike Trooper* John I. Hogan, 2005-09-06 Harrowing experiences and shocking details regarding the societal phenomenon known as, Racial Profiling fill the pages of this true story based on the life of New Jersey State Trooper John Hogan.

Following his involvement in the infamous, Turnpike Shooting which ignited the nations firestorm regarding the issue of racial profiling, observe a first hand look at how New Jerseys politicians, not the facts of the case, influenced the outcome of this tragedy. Turnpike Trooper is an emotional depiction of the selection process and training regiment of the New Jersey State Police and ultimately takes you on patrol on one of Americas most dangerous roadways, the enigma known as the New Jersey Turnpike. Witness how Trooper Hogans unblemished service career, reputation and life were singled out and shattered solely for political gain by New Jerseys elected officials.

They are part of the real history of the West, and for that reason I am not ashamed to place this volume in the hands of any interested boy or girl, youth or elderly person, who may desire to know the truth about one of the leading Indian battles, and other important frontier happenings pertaining thereto, and the men who played leading parts therein.
