Reminiscences of Two Years with the Colored Troops Joshua Melancthon Addeman, 1880

The 36th Infantry United States Colored Troops in the Civil War James K. Bryant, II, 2014-01-02 During the Civil War, African American war correspondent Thomas Morris Chester was so inspired by the men of the 36th United States Colored Troops that he declared the group to be “a model regiment.” Composed primarily of former slaves recruited from Union-occupied areas of eastern North Carolina and southeastern Virginia, the 36th USCT participated in large-scale expeditions to liberate slaves, guarded Confederate prisoners at major POW camps, served in the trenches before Petersburg and Richmond, and stood as one of the first units to enter the abandoned Confederate capital on April 3, 1865. This volume, which includes a complete regimental roster, explores the background of these former slaves and their families, examines their initial recruitment and chronicles their military contributions throughout the war. More than a unit history, the story of the 36th USCT offers a vivid portrait of the challenging transition from slavery to freedom.

Black Soldiers in Blue John David Smith, 2005-10-12 Inspired and informed by the latest research in African American, military, and social history, the fourteen original essays in this book tell the stories of the African American soldiers who fought for the Union cause. An introductory essay surveys the history of the U.S. Colored Troops (USCT) from emancipation to the end of the Civil War. Seven essays focus on the role of the USCT in combat, chronicling the contributions of African Americans who fought at Port Hudson, Milliken's Bend, Olustee, Fort Pillow, Petersburg, Saltville, and Nashville. Other essays explore the recruitment of black troops in the Mississippi Valley; the U.S. Colored Cavalry; the military leadership of Colonels Thomas Higginson, James Montgomery, and Robert Shaw; African American chaplain Henry McNeal Turner; the black troops who occupied postwar Charleston; and the experiences of USCT veterans in postwar North Carolina. Collectively, these essays probe the broad military, political, and social significance of black soldiers' armed service, enriching our understanding of the Civil War and African American life during and after the conflict. The contributors are Anne J. Bailey, Arthur W. Bergeron Jr., John Cimprich, Lawrence Lee Hewitt, Richard Lowe, Thomas D. Mays, Michael T. Meier, Edwin S. Redkey, Richard Reid, William Glenn Robertson, John David Smith, Noah Andre Trudeau, Keith Wilson, and Robert J. Zalimas Jr.

**The Troop** Nick Cutter, 2014-02-25 WINNER OF THE JAMES HERBERT AWARD FOR HORROR WRITING “The Troop scared the hell out of me, and I couldn't put it down. This is old-school horror at its best.” —Stephen King Once every year, Scoutmaster Tim Riggs leads a troop of boys into the Canadian wilderness for a weekend camping trip—a tradition as comforting and reliable as a good ghost story around a roaring bonfire. But when an unexpected intruder stumbles upon their campsite—shockingly thin, disturbingly pale, and voraciously hungry—Tim and the boys are exposed to something far more frightening than any tale of terror. The human carrier of a bioengineered nightmare. A horror that spreads faster than fear. A harrowing struggle for survival with no escape from the elements, the infected...or one another. Part *Lord of the Flies*, part *28 Days Later*—and all-consuming—this tightly written, edge-of-your-seat thriller takes you deep into the heart of darkness, where fear feeds on sanity...and terror hungers for more.

Elite Warriors Lance Q. Zedric, Michael F. Dilley, 1996 Chronicling America's elite units from the late 17th century to the present day, this gives an informative and interesting examination of the men who comprised the U.S. military elite.

**Such Troops as These** Bevin Alexander, 2014-09-02 Acclaimed military historian Bevin Alexander offers a fresh and

cogent analysis of Stonewall Jackson's military genius and reveals how the Civil War might have ended differently if Jackson's strategies had been adopted. The Civil War of 1861-65 pitted the industrial North against the agricultural South, and remains the most catastrophic conflict in terms of loss of life in American history. With triple the population and eleven times the industry, the Union had a decided advantage over the Confederacy in terms of direct conflict and conventional warfare. One general had the vision of an alternative approach that could win the War for the South—his name was Thomas J. “Stonewall” Jackson. It was Jackson's strategy to always strike at the Union's vulnerabilities, not to challenge its power directly. He won a campaign against the North with a force only a quarter of the size of the Union army, and he was the first commander to recognize the overwhelming defensive power of the new rifles and cannons. With most of its military forces on the offensive in the South, the North was left virtually undefended on its own turf. Jackson believed invading the eastern states along the great industrial corridor from Baltimore to Maine could divide and cripple the Union, forcing surrender. But he failed to convince Confederate president Jefferson Davis or General Robert E. Lee of the viability of his plan. In *Such Troops as These*, Bevin Alexander presents a compelling case for Stonewall Jackson as a supreme military strategist and the greatest general in American history. Fiercely dedicated to the cause of Southern independence, Jackson would not live to see the end of the War. But his military legacy lives on and finds fitting tribute in this book.

**The Thirty-seventh North Carolina Troops** Michael C. Hardy, 2003 This narrative of the Thirty-seventh is told largely in the troops' own words: war-time letters, diaries, official reports, newspapers articles, and credible postwar reminiscences. An attempt has been made, as much as possible, to let the soldiers speak for themselves--Pref., p. 1.

Don't Forget, God Bless Our Troops Jill Biden, 2012-06-05 Inspired by her own granddaughter Natalie, Vice President Joe Biden's wife, Jill, tells a story through a child's eyes of what family life is like when a parent is at war across the world in this eBook with audio. When her father leaves for a year of being at war, Natalie knows that she will miss him. Natalie is proud of her father, but there is nothing to stop her from wishing he was home. Some things do help her feel better. Natalie works with her Nana to send her dad and the other service men and women cookies and treats they have made. Natalie, her mom, and her brother can see and talk to Dad over the computer, and the kindness of friends at school and at church help her feel supported and loved. But there is nothing like the day when her Dad comes home at last.

*The German Allied Troops in the North American War of Independence, 1776-1783* Max von Eelking, 1893

*Victory 1945* Gordon L. Rottman, 2015-11-20 Even when Western Allied troops gained a foothold in Normandy, World War II in Europe was far from over. The route to Germany's interior and the Nazis final surrender was long, arduous and blood-stained. The Wehrmacht's stubborn resistance and the shocking losses suffered by US, British, Canadian and 'Free European' troops meant that the Allies had to adapt and refine small-unit tactics, battle-drills, and their use of weapons and munitions. The troops who finally met up with the Red Army in Germany were a very different fighting force to the one that struggled up the beaches of northern France. This book offers a

comprehensive guide to the late-war Allied troops, exploring their uniforms, equipment, organization and tactics. Detailed description and accurate colour pictures illustrate the means by which the Allied troops on the ground evolved to the point of winning the war on the Western Front.

A History of the Negro Troops in the War of the Rebellion, 1861-1865 George Washington Williams, 2012 A History of the Negro Troops in the War of the Rebellion, 1861-1865 (originally published in 1887) by pioneer African American historian George Washington Williams remains a classic text in African American literature and Civil War history. In this powerful narrative, Williams, who served in the U.S. Colored Troops, tells the battle experiences of the almost 200,000 black men who fought for the Union cause. Determined to document the contributions of his fellow black soldiers, and to underscore the valor and manhood of his race, Williams gathered his material from the official records of U.S.

War for Profit Charles M. Smith, 2012 WASHINGTON — The Army official who managed the Pentagon's largest contract in Iraq says he was ousted from his job when he refused to approve paying more than \$1 billion in questionable charges to KBR... (James Risen, New York Times, June 17, 2008) This book by that very Army official provides an eye-opening firsthand account of how the US Government hands over your tax dollars to support contractors like KBR and Halliburton, rather than supporting the troops. This authoritative and well-documented record of the LOGCAP contract in Iraq and Afghanistan is at the same time a study of US participation in Iraq and Afghanistan as well as the workings of government agencies and Congress. The first chapter sets the scene, briefly narrating the author's work on behalf of US military efforts, especially in Iraq. Subsequent chapters illustrate specific issues in contractor relations that resulted in unsafe conditions for the troops and blew millions of taxpayer dollars. Loyal and hard-working government officials and employees who tried to keep things on track were turned away and those who sought to rein in the free-for-all were sacked. The author reveals problems with KBR's provision of transportation, electricity, food and water. Other chapters are more analytic and evaluate Army logistics, Congressional oversight and the question of whether letting contracts for this kind of support is appropriate at all--the kind of problems that concern military policy leaders, defense analysts, public policy analysts and scholars in these areas, as well as the citizens in whose name this is all done.
