What Is a Game? Gaines S. Hubbell, Matthew Wilhelm Kapell, 2020-02-14 What is a videogame? What makes a videogame good? If a game is supposed to be fun, can it be fun without a good story? If another is supposed to be an accurate simulation, does it still need to be entertaining? With the ever-expanding explosion of new videogames and new developments in the gaming world, questions about videogame criticism are becoming more complex. The differing definitions that players and critics use to decide what a game is and what makes a game successful, often lead to different ideas of how games succeed or fail. This collection of new essays puts on display the variety and ambiguity of videogames. Each essay is a work of game criticism that takes a different approach to defining the game and analyzing it. Through analysis and critical methods, these essays discuss whether a game is defined by its rules, its narrative, its technology, or by the activity of playing it, and the tensions between these definitions. With essays on Overwatch, Dark Souls 3, Far Cry 4, Farmville and more, this collection attempts to show the complex changes, challenges and advances to game criticism in the era of videogames.

Wright of Passage Bree Archer, 2005-10-13 We were all used to Mom being away. I hated when Mom went away. He would sort of pay me back for all the things I had done wrong in my life. Over half the time Mom went away, she'd come back to me either in the hospital or with some injury I couldn't explain that well. Rachel Wright has never been a typical teenage girl. The Wright Collection Christina C Jones, 2019-04-12 This is a box set for the Wright Brothers series, containing all three books + the Christmas novella. It does not contain any material that has not been previously published as separate volumes. *Getting Schooled* When 26 year old Reese accepts a position as a grad assistant, she has no idea an unpleasant encounter with a student will lead to the discovery of what she calls the trifecta fine, intellectual, and a little bit rude - three qualities she finds irresistible in a man. She has no intention of doing anything with that discovery - nothing long term, at least. But everybody knows what happens to best laid

plans. Jason is a grown man. 28 years old, seasoned and scarred by his real-life experience in the world, he's at Blakewood State University to finish his degree and move on. The last thing he's interested in is the female population on campus... but sexy, infuriating Reese might be a notable exception. This isn't a story of opposites attract. More like counterparts clash. Neither of them is afraid to do battle, and neither is willing to back down. Love and war, win or lose... somebody's gonna end up getting schooled. Pulling Doubles All Devyn wants - besides a tall, fine husband and eventually a few babies to fulfill her about to turn thirty, running out of time, cute black family dreams - is to finish her yearlong internship at University Hospital. She's excited about the experience, eager to learn, glad to help wherever she can... it should be easy, right? Well, it would be... if it weren't for arrogant, know-it-all, always-got-something-to-say Dr. Joseph Wright. Devyn can't stand him, and if his attitude is any indication, the feeling is mutual... or is it? Joseph doesn't do doctors. Or nurses. Or patients. Or anybody else who has anything to do with the hospital, for that matter. University Hospital has infiltrated enough of his life, and the last thing he needs is a blurring of the lines between professional and private. ... until smart, sexy, sassy Nurse Devyn Echols comes along, and stomps all over those lines. When you're pulling doubles with the person you hate to want so bad... something is bound to ignite. bending the rules Justin and Toni were friends. Besties, with a whole list of life rules developed over a friendship that started when they were kids. As long as they stuck to the rules, even when they blended a business relationship into the friendship, things went off without a hitch. But then one of them broke the rules - It was Justin. Justin broke the rules - and Toni has been mad about it ever since. She's spent the last several years traveling the globe to cultivate her business, but now she's back in town. Her only goals? Help her parents with Mr. Bestseller's signing at the store, help them pack up their house to sell, and get out of town without too much interaction with her former best friend. Mr. Bestseller has different goals. He broke the rules - no getting around that, and he's not trying to. His main goal now that Toni is finally home is to get her to hear him out... and get his friend back. Neither of them anticipated that the rift in their relationship would be the catalyst for seeing each other in a whole different light. But now that they do, they're wondering if it may be time to make some amendments to those rules. Or at the very least... bend a few. christmas with the wrights About a year has passed since the final words of Bending the Rules, and much has changed. Enjoy this quick peek into the lives of these beloved families to see what they've gained... and lost.
