Tucky Jo and Little Heart Patricia Polacco, 2015-08-25 A fifteen-year-old soldier in World War II meets a sweet young girl in the Philippines who helps him remember what he is fighting for as he helps her and others of her village avoid starvation, and many years later she returns his kindness.

Tucky Jo and Little Heart Patricia Polacco, 2015-08-25 Friendship, loyalty, and kindness stand the test of time in this heartwarming World War II–era picture book based on a true story from the beloved author-illustrator of *Pink and Say* and *The Keeping Quilt*. *Tucky Jo* was known as the “kid from Kentucky” when he enlisted in the army at age fifteen. Being the youngest recruit in the Pacific during World War II was tough. But he finds a friend in a little girl who

helps him soothe his bug bites, and he gets to know her family and gives them some of his rations. Although the little girl doesn't speak English, Tucky Jo and Little Heart share the language of kindness. Many years later, Tucky Jo and Little Heart meet again, and an act of kindness is returned when it's needed the most in this touching picture book based on a true story.

Mammoth Tucky Fussell,2005-10-11 Part memoir, part fantasy, Mammoth is a full length comic book, whose words and pictures take you on a wild ride through Fussell's experience as a fourth grade Boston teacher diagnosed with breast cancer. Mammoth is exhilarating, whimsical, serious and intense, mirroring the diverse ways cancer manifested in her life that year. The graphics and humorous characters help demystify hospital procedures, and will appeal to anyone who has visited a hospital and not understood a word the doctors have said. In addition, Mammoth is a must-read for all those in education who struggle to reach their students. Finally, this graphic novel might interest those who have had similar experiences dealing with breast cancer. Mammoth weaves the reader in and out of a fourth grade classroom, the hospital, and Fussell's imagination, often suddenly, in the same unpredictable way that she lived her life during that cancer year. The story attempts to convey how a single entity in the universe tries to rise above one of the many irrational situations that are randomly dropped into all of our laps. Get ready. Fasten your seatbelts. Enjoy the ride.
