

# Tunnel Ratz

Gregory Steinberg

Tunnel Rat in Vietnam Gordon L. Rottman,2012-02-20 In 1965, soon after the first US combat troops had arrived in Vietnam, it was realized that in some areas the Viet Cong had developed vast tunnel complexes in which to hide from the enemy. It was long known that such complexes existed, but it was not realized just how extensive they were in some areas, how important they were to the Viet Cong, and how difficult it was to detect and neutralize them. At first infantrymen volunteered to enter the tunnels armed with only pistols and flashlights – the 'tunnel runners' were born, known to the Australians as 'tunnel ferrets'. Starting as an ad hoc force of infantrymen, combat engineers and chemical troops, it was not long before units were 'formalized' as 'tunnel exploration personnel' and 4–6-man 'tunnel exploitation and denial teams' were created. They came to be known simply as 'tunnel rats' with the unofficial motto Non Gratum Anus Rodentum – 'Not Worth a Rat's Ass'. This title will be based on the personal accounts of those who served in this unique role and will describe the specialist training and equipment, not to mention the tactics and combat experiences, of those who fought an underground war against the Viet Cong in Vietnam.

Rottman,2012-02-20 In 1965, soon after the first US combat troops had arrived in Vietnam, it was realized that in some areas the Viet Cong had developed vast tunnel complexes in which to hide from the enemy. It was long known that such complexes existed, but it was not realized just how extensive they were in some areas, how important they were to the Viet Cong, and how difficult it was to detect and neutralize them. At first infantrymen volunteered to enter the tunnels armed with only pistols and flashlights – the 'tunnel runners' were born, known to the Australians as 'tunnel ferrets'. Starting as an ad hoc force of infantrymen, combat engineers and chemical troops, it was not long before units were 'formalized' as 'tunnel exploration personnel' and 4–6-man 'tunnel exploitation and denial teams' were created. They came to be known simply as 'tunnel rats' with the unofficial motto Non Gratum Anus Rodentum – 'Not Worth a Rat's Ass'. This title will be based on the personal accounts of those who served in this unique role and will describe the specialist training and equipment, not to mention the tactics and combat experiences, of those who fought an underground war against the Viet Cong in Vietnam.

Journey Into Darkness Stephen Menendez,2004-05 Stephen (Shorty) Menendez was a Tunnel Rat in Vietnam. He takes you deep into those enemy tunnels, making you taste the acrid gunsmoke and feel the cold black earth. Shorty's below-ground battles are nothing less than incredible.

*The Tunnel Rats* Stephen Leather,2009-07-23 Two murders, thousands of miles apart: one in London, one in Bangkok. The bodies are brutally mutilated, an ace of spades impaled upon their chests. In Washington, a US senator receives photographs of the corpses. And realises that his past has come back to haunt him. Nick Wright is the detective trying to solve the mystery of the double killing. His hunt for a motive takes him to the Vietnam, where the American tunnel rats fought the dirtiest battle of the war against the Viet Cong. But his search places him in grave danger with a killer determined to protect the secrets of the tunnels. At whatever cost . . .  
\*\*\*\*\* PRAISE FOR STEPHEN LEATHER 'A master of the thriller genre' Irish Times 'As tough as British thrillers get . . . gripping' Irish Independent 'The sheer impetus of his story-telling is damned hard to resist' Sunday Express

The Tunnels of Cu Chi Tom Mangold,2013-05-08 At the height of the Vietnam conflict, a complex system of secret underground tunnels sprawled from Cu Chi Province to the edge of Saigon. In these burrows, the Viet Cong cached their weapons, tended their wounded, and prepared to strike. They had only one enemy: U.S. soldiers small and wiry enough to maneuver through the guerrillas' narrow domain. The brave souls who descended into these hellholes were known as "tunnel rats." Armed with only pistols and K-bar knives, these men inched their way through the steamy darkness where any number of horrors could be awaiting them—bullets, booby traps, a tossed grenade. Using firsthand accounts from men and women on both sides who fought and killed in these underground battles, authors Tom Mangold and John Penycate provide a gripping inside look at this fearsome combat. The Tunnels of Cu Chi is a war classic of unbearable tension and unforgettable heroes. Praise for The Tunnels of Cu Chi "A claustrophobic but fascinating tale."—The Wall Street Journal "Chilling . . . what war really was and how it was fought."—The New York Times "Gripping . . . highly recommended."—The Philadelphia Inquirer "Remarkable."—The Washington Post

**Tunnel Rats** Jimmy Thomson,2013 WARFARE & DEFENCE. AUSTRALIAN. The thrilling story of the young Australian Army engineers who risked their lives in the Vietcong tunnels of South Vietnam.

*Tunnel Tales of Our Heroic Tunnel Rats in Vietnam* Robert F. Burgess,2019-09-22 Those of you who fought in Nam... did you ever have a buddy disappear in a firefight but his body was never found? Did you ever think you had the enemy cornered when they suddenly disappeared? Did you ever sweep a village clean, and then have the VC suddenly appear where they weren't before? Most of you know what I'm talking about. But most of you might not know that these disappearances - including your buddy's body - were just the enemy trying to mess with your head. This paperback book combines the research and case histories of some of our bravest of the brave Tunnel Rats. The author digs into the details of how they survived fighting through a system of underground passageways some of which were three levels deep and stretched up to 100 miles in length! A vast network of tunnels that was virtually under your feet! Not many of you would believe that back at your base of security eight feet down under your hooch the enemy could be resting in his coffin-sized hole reading in the flickering light of a bottle lamp. But those bases that were over-run in the middle of the night by their suicide squads might wonder how the hell all of those crazies got through their perimeter defenses without triggering a firefight. Readers have asked for more tunnel stories and this book brings them all together. Enjoy them but when the lead gets to flying in those blacked out tunnels, wear your flak jacket and keep a low profile. Fear not, usually good guys always win...what's so freaking amazing is how they did it!

Rat Six Jack Flowers,2018-08-07 Based on a true story, Rat Six tells the story of Clifford Price who, like hundreds of thousands of other young men in the 1960s, was drafted into the United States Army and served in Vietnam. Price was from Indiana, where he was a college student who had recently returned from a year studying abroad in Denmark. He came from a long line of soldiers; his two grandfathers served in the First World War and his father in the Second. Vietnam proved to be his turn to fight. Little did he know that his war would not only be a conflict on the battlefield, but a conflict in his mind. Torn between his anti-war sentiments, which had been reinforced by his year abroad and the proud heritage of his forefathers, Price had to choose between right and wrong, survival and death, love and war. Having been a commissioned officer in the Army Corps of Engineers shortly after being drafted and selected for Officer's Candidate School, Price ended up in Vietnam

in 1968. After three months of commanding a platoon of bridge builders, mine sweepers, and truck drivers, Price was offered the job of Rat Six, one of the most dangerous assignments in the war. Rat Six was the code name for the leader of the First Infantry Division Tunnel Rats. The Tunnel Rats were some of the most courageous soldiers to fight in Vietnam. All were volunteers, slightly built, cunning, rebellious, trained in demolitions, and dedicated to ferreting out the enemy below. In the beginning of the war, entering a tunnel with only a flashlight and a pistol was almost suicidal. Over time, the Army learned to successfully navigate the underground labyrinths, retrieve vital intelligence, and destroy the tunnels. The most organized of the Tunnel Rat teams in Vietnam was that of the First Infantry Division's First Engineer Battalion. The team was led almost from the beginning by Sergeant Robert Bateman, a crusty, hard-nosed non-commissioned officer from New Jersey. He was dubbed Batman by his men and his reputation spread far and wide. He became even more famous among the enemy, of whom he had killed many, than among other warriors in the Army. Batman was on the Viet Cong's 10 Most Wanted List, which included the most prominent generals and not one other non-commissioned officer. Lieutenant Price was put in charge of the team and the conflict with Batman was immediate. Although there was no rank underground, Rat Six and Batman slowly built a mutual trust and the team's exploits and reputation grew even more. Harrowing missions and close calls engulfed the two men and their team. The tunnels were the setting and the enemy inside was just as fearsome as the men who pursued them. After four months of working together, Batman was sent home after his fourth reenlistment for Vietnam was denied. Suddenly Price was alone and vulnerable. The fear became insurmountable, climaxing on his last mission. Rat Six tells one of the most important yet little known stories of Lieutenant Clifford Price and his men. They were known as the Tunnel Rats, and their courageous exploits during the war in Vietnam are breathtaking and extraordinary.

The Tunnel Rat Reid Nickolas, 2021-05-30 The tunnel rats were American, Australian, New Zealander, and South Vietnamese soldiers who performed underground search and destroy missions during the Vietnam War. Later, similar teams were used by the Soviet Army during the Soviet-Afghan War and by the Israel Defense Forces in campaigns in the Middle East. This paperback book combines the research and case histories of some of our bravest of the brave Tunnel Rats. The author digs into the details of how they survived fighting through a system of underground passageways some of which were three levels deep and stretched up to 100 miles in length! A vast network of tunnels that was virtually under your feet! Not many of you would believe that back at your base of security eight feet down under your hooch the enemy could be resting in his coffin-sized hole reading in the flickering light of a bottle lamp. But those bases that were overrun in the middle of the night by their suicide squads might wonder how the hell all of those crazies got through their perimeter defenses without triggering a firefight.

*Tunnel Rats* Cliff Banks, 1989 Book I of a two-book adventure featuring Vietnam's legendary tunnel rats--a special team of American soldiers who fight an underground war against the enemy. This is Vietnam fiction at its brutal, realistic best.

**Tunnel Rats Ssa** Stephen Leather, 2006-02-13

**Journey Into Darkness** Stanton Simonetta, 2021-05-30 The tunnel rats were American, Australian, New Zealander, and South Vietnamese soldiers who performed underground search and destroy missions during the Vietnam War. Later, similar teams were used by the Soviet Army during the Soviet-Afghan War and by the Israel Defense Forces in campaigns in the Middle East. This paperback book combines the research and case histories of some of our bravest of the brave Tunnel Rats. The author digs into the details of how they survived fighting through a system of underground passageways some of which were three levels deep and stretched up to 100 miles in length! A vast network of tunnels that was virtually under your feet! Not many of you would believe that back at your base of security eight feet down under your hooch the enemy could be resting in his coffin-sized hole reading in the flickering light of a bottle lamp. But those bases that were overrun in the middle of the night by their suicide squads might wonder how the hell all of those crazies got through their perimeter defenses without triggering a firefight.

**Tunnel Rats** Cliff Banks, 1989-12 The VC tunnels terrorized American troops in Vietnam. To fight the underground war a special team was formed: men small enough to get through any shaft, fierce enough to fight hand to hand, and just crazy enough to make the enemy hellholes their own paths to glory.

*Tunnel Rats* Nick Cole, Michael Bunker, 2016-11-28 Michael Bunker (Pennsylvania) and Nick Cole (The Old Man and The Wasteland ) bring you a gritty tale of survival in the Post Apocalyptic West Texas Badlands where towns have become abandoned wastelands and packs of feral, cannibalistic humans, made so by a diet pill called Slenderex, devour anything and anyone they can find in search of protein. A band of children, led by a boy becoming a man, make their stand against a rising tide of humans gone feral, greedy precious metal pirates and psychotic roving biker gangs to forge a home for themselves atop a hidden valley. But when a Man in Black simply known as Mayhem arrives in the badlands, Ellis and his small family of orphans and lost children will have to go underground into the depths of a mysterious system of tunnels to fight back and survive. Lord of the Flies meets Mad Max beneath the burnt wastelands of Texas after the Apocalypse.

**Tunnel Rats** Robert Cheney, 1984

*1968 -- Into the Abyss* Riley James, 2017-12-06 What if after decades there was still one more untold incredible Viet Nam war saga supported with authentic personal action photos and peppered with tightly-written notes from then young, not yet twenty, and highly decorated leader of a small group of underground and Special Force combatants who searched and destroyed over 900 tunnels? What if this saga was more compelling than typical battlefield heroics by including experiences of this same elite group of fighters, led by multiple-medal awarded Staff Sergeant Thomas Wergen, who linked up with Special Forces for covert combat missions into areas across the South Vietnamese border such as Cambodia and Laos-where according to the U.S. power's political spin they weren't. What if along with their bloodstained tales this saga entailed accurate and concise historic tidbits, including anecdotes of the U.S. protests across America, during the bloodiest and heaviest fighting period in the war when America had committed over 500,000 troops-the infamous TET counteroffensive phase of 1968? What if this saga included an award-winning foreword, which depicts a remarkable and factual historical account retrieved directly from the logs of the mighty USS Constitution? Titled warfare on a skewer, this is a short account of how Captain Mad Jack Percival had carried out armed aggression against Danang, Vietnam (Turon, China) in May 1845. And more ironic the fact that Captain Percival's war party-including Marines-stormed the same shores that the initial combat-designated Marines did in 1965, ordered by then President Lyndon Johnson. Then you would have, 1968-Into the Abyss, a book-length war account of-Bronze Star Medal and Combat Infantryman's Badge decorated-Army Staff Sergeant Thomas E. Wergen-

including over forty original color photos snapped by Sergeant Wergen. Young and well-educated, Staff Sgt. Wergen found himself leading a selected squad of soldiers who meandered, crawled and sought after in the dank darkness where even the most courageous dared not-the dreaded and treacherous jungle tunnels built by the North Vietnamese military. Because they were deadly effective and highly revered they would also find themselves serving on secretive special force combat missions in the enemy-peppered hostile territory across the border, where they weren't supposed to be. So turn the lights up bright and follow along in these dense jungle war tales-just try not to get lost, or captured-by the enemy, that is.

*No More 2 Lose* Gregory Steinberg,2020-07-08 During the Vietnam war, the North Vietnamese and Viet Cong utilized a vast network of underground tunnels to help them conduct successful guerrilla operations against United States and South Vietnamese forces in South Vietnam.In response, the U.S. Army created a group of specially trained men who came to be known as The Tunnel Rats. The most effective Tunnel Rats were men who were small in stature, unafraid of hand-to-hand combat in dark, confined, and hostile spaces, and totally ruthless.This is the fictionalized story of one such man.

**The Tunnel Rat: Tale of Vietnam's Heroic Tunnel Rats** Graig Danni,2021-11-19 The tunnel rats were American, Australian, New Zealander, and South Vietnamese soldiers who performed underground search and destroy missions during the Vietnam War. Later, similar teams were used by the Soviet Army during the Soviet-Afghan War and by the Israel Defense Forces in campaigns in the Middle East. This paperback book combines the research and case histories of some of our bravest of the brave Tunnel Rats. The author digs into the details of how they survived fighting through a system of underground passageways some of which were three levels deep and stretched up to 100 miles in length! A vast network of tunnels that was virtually under your feet! Not many of you would believe that back at your base of security eight feet down under your hooch the enemy could be resting in his coffin-sized hole reading in the flickering light of a bottle lamp. But those bases that were overrun in the middle of the night by their suicide squads might wonder how the hell all of those crazies got through their perimeter defenses without triggering a firefight.

*A Sapper's War* Jimmy Thomson,Sandy MacGregor,2014-04-01 'We make and we break.' They were the forward scouts, the mine clearers, the bridge builders and the tunnel rats. They were frequently not just on the front line, but right at the sharp end of the action. They were the legendary Aussie sappers, the army engineers, who were literally everywhere in the fighting against the Vietcong. This special breed of soldier lived hard and played hard. They were there at the beginning of the war. They were also among the last to leave. And on the way, they fought alongside their mates in infantry and tanks and bore the brunt of the Vietcong's revenge. To the rest of the world, Vietnam was a conflict of ideologies. On the ground it was a battle of wits and the sappers were at the forefront. This is their story.

**Tunnel Rats** Beverley Schornick,2021-05-30 The tunnel rats were American, Australian, New Zealander, and South Vietnamese soldiers who performed underground search and destroy missions during the Vietnam War. Later, similar teams were used by the Soviet Army during the Soviet-Afghan War and by the Israel Defense Forces in campaigns in the Middle East. This paperback book combines the research and case histories of some of our bravest of the brave Tunnel Rats. ### Tunnel Ratz Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Tunnel Ratz free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work

with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Tunnel Ratz free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Tunnel Ratz free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Tunnel Ratz. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Tunnel Ratz any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Tunnel Ratz Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the

source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tunnel Ratz is one of the best book in our library for free trial. We provide copy of Tunnel Ratz in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tunnel Ratz. Where to download Tunnel Ratz online for free? Are you looking for Tunnel Ratz PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Tunnel Ratz. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Tunnel Ratz are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Tunnel Ratz. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Tunnel Ratz To get started finding Tunnel Ratz, you are right to find our website which has a comprehensive collection of books online. Our library

is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Tunnel Ratz So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Tunnel Ratz. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Tunnel Ratz, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Tunnel Ratz is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Tunnel Ratz is universally compatible with any devices to read.
