*Bedside Manor: Poetry & Prose to Dream* By Royal L. Craig,2000-03-14  
Bedside Manor By Royal L. Craig  
Delightfully diverse reading  
THE OFFERING He was still, Like the placid lake in summer when the mountain holds its breath, He was still, Like the fawn down in the high grass where the tiger signals death.  
THE COURIER AND SHIVA The Lancers must be warned tonight. He smiled and looked at me Its sure to be a nasty fight But first, a cup of tea  
APRICOT For all the world The poem I need to write Cannot be written. The words I need to say Cannot be said.  
BLEAKELY HALL An awesome mystery haunts the heart At the sight of an empty house The echo of living dampens the air All but the spirits have fled  
CANDY When Andy met Candy he thought it was dandy To take her for fine tea and cake. Candy had need and slyly agreed To have their tea by the lake.  
COAST MAGIC Have you ever stood Where the winding wood Sweeps down to the seamless sea  
COUNTRY BOY Well, big Jimmy was pulling the plow when it nosed into a split in that rock. There must have been a crack in the blade for it to snap so easily. --- He reared back and took off with the broken plow clanging behind. It chased him all the way to the barn. That was a sight!  
CREATION In the beginning, this is how it began, So the mystics tell us When there was nothing, There was That, that Is -- ever-existing, How To Tell If Your Really Dead If you find theres no tomorrow, And your friends are draped in sorrow, And you really cant remember last nights binge; You may think that youre in clover But, dear friend, you have passed over,  
QUESTIONS My mind cried out to the infinite, Tell me of the beginning. A child came, softly singing, He was when there was nothing; Before the ages had their start. Sitting in the garden, Catch Him if you can In the quiet of your heart.  
ABOUT THE AUTHOR Royals studies in mysticism have

He also writes How to Write articles. I have lived on the lip of insanity, wanting to know reasons, knocking on a door. It opens Ive been knocking from the inside! Maulana Rumi Poetry reveals reflective insight on the escape clause in the illusion called life. I write to show the magic hidden in the moment whether mysticism, serious poetry, ballads, or nonsense.

*Riding the Rails with Paul Theroux* Paul Theroux,2018-06-19 The international bestselling author records his many insights and adventures traversing the world by train in these 3 classic travel memoirs. The Great Railway Bazaar In 1973, Paul Theroux embarked on his now-legendary journey

from the United Kingdom through Europe, the Middle East, and Southeast Asia. Asia's fabled trains—the Orient Express, the Khyber Pass Local, the Frontier Mail, the Golden Arrow to Kuala Lumpur, the Mandalay Express, the Trans-Siberian Express—are the stars of a journey that takes Theroux on a loop eastbound from London's Victoria Station to Tokyo Central, then back from Japan on the Trans-Siberian. The Old Patagonia Express Starting with a rush-hour subway ride to South Station in Boston to catch the Lake Shore Limited to Chicago, Paul Theroux takes a grand railway adventure first across the United States and then south through Mexico, Central America, and across the Andes until he winds up on the meandering Old Patagonian Express steam engine. Ghost Train to the Eastern Star Thirty years after the epic journey chronicled in *The Great Railway Bazaar*, Paul Theroux retraces his 25,000-mile journey to witness and experience a landscape drastically transformed by the intervening decades. The Soviet Union has collapsed and China has risen; India booms while Burma smothers under dictatorship; Vietnam flourishes in the aftermath of the havoc America was unleashing on it the last time Theroux passed through.

Ghost Train to the Eastern Star Paul Theroux, 2009-08-25 National Bestseller In *Ghost Train to the Eastern Star*, Theroux recreates an epic journey he took thirty years ago, a giant loop by train (mostly) through Eastern Europe, Turkey, the Caucasus, Central Asia, the Indian Subcontinent, China, Japan, and Siberia. In short, he traverses all of Asia top to bottom, and end to end. In the three decades since he first travelled this route, Asia has undergone phenomenal change. The Soviet Union has collapsed, China has risen, India booms, Burma slowly smothers, and Vietnam prospers despite the havoc unleashed upon it the last time Theroux passed through. He witnesses all this and more in a 25,000 mile journey, travelling as the locals do, by train, car, bus, and foot. His odyssey takes him from Eastern Europe, still hungover from Communism, through tense but thriving Turkey, into the

Caucasus, where Georgia limps back toward feudalism while its neighbour Azerbaijan revels in oil-driven capitalism. As he penetrates deeper into Asia's heart, his encounters take on an otherworldly cast. The two chapters that follow show us Turkmenistan, a profoundly isolated society at the mercy of an almost comically egotistical dictator, and Uzbekistan, a ruthless authoritarian state. From there, he retraces his steps through India, Myanmar, China, and Japan, providing his penetrating observations on the changes these countries have undergone. Brilliant, caustic, and totally addictive, *Ghost Train to the Eastern Star* is Theroux at his very best.

**The Body of God** D Dennis Hudson, 2008-09-25 This book is the crowning achievement of the remarkable scholar D. Dennis Hudson, bringing together the results of a lifetime of interdisciplinary study of south Indian Hinduism. The book is a finely detailed examination of a virtually unstudied Tamil Hindu temple, the Vaikuntha Perumal (ca. 770 C.E.). Hudson offers a sustained reading of the temple as a coherent, organized, minutely conceptualized mandala. Its iconography and structure can be understood in the light of a ten-stanza poem by the Alvar poet Tirumangai, and of the Bhagavata Purana and other major religious texts, even as it in turn illuminates the meanings of those texts. Hudson takes the reader step by step on a tour of the temple, telling the stories suggested by each of the 56 sculpted panels and showing how their relationship to one another brings out layers of meaning. He correlates the stories with stages in the spiritual growth of the king through the complex rituals that formed a crucial dimension of the religion. The result is a tapestry of interpretation that brings to life the richness of spiritual understanding embodied in the temple. Hudson's underlying assumption is that the temple itself constitutes a *summa theologica* for the Pancharatra doctrines in the Bhagavata tradition centered on Krishna as it had developed through the eighth century. This tradition was already ancient and had spread widely across South Asia and into Southeast Asia. By

interweaving history with artistic, liturgical, and textual interpretation, Hudson makes a remarkable contribution to our understanding of an Indian religious and cultural tradition.

Luxury Railway Travel Martyn Pring, 2019-10-30 “Reads like an extravagant time travel through Britain’s opulence era where train travel was just as stylish and fanciful as the elite class themselves.” —Manhattan with a Twist Martyn Pring has carried out considerable research tracing the evolution of British luxury train travel weaving railway, social and travel history threads around a number of Britain’s mainline routes traditionally associated with glamorous trains. Drawing on contemporary coverage, he chronicles the luxury products and services shaped by railway companies and hospitality businesses for Britain’s burgeoning upper and middle classes and wealthy overseas visitors, particularly Americans, who demanded more civilized and comfortable rail travel. By Edwardian times, a pleasure-palace industry emerged as entrepreneurs, hotel proprietors, local authorities and railway companies all collaborated developing upscale destinations, building civic amenities, creating sightseeing and leisure pursuits and in place-making initiatives to attract prosperous patrons. Luxury named trains delivered sophisticated and fashionable settings encouraging a golden age of civilized business and leisure travel. Harkening back to the inter-war years, modern luxury train operators now redefine and capture the allure and excitement of dining and train travel experiences. “Martyn’s extraordinarily beautiful book is more than a collection of classic railway posters—it describes a way of life that’s now lost in the mists of the twentieth century . . . As a piece of social history, this book is faultless, and a precious reminder of luxury and class distinction . . . [a] fabulous book. Exceptional.” —Books Monthly “A comprehensive account of luxury ‘hotel trains,’ dining trains and the presentations of heritage railways brings the story to its

unexpected conclusion . . . this is a lively take on a neglected topic.” —BackTrack
