Twin Pops Maniscalco Family,2017-05-26 This is the story of Sal and Tom Maniscalco. Twins born in Bridgeport, CT in 1922 to Italian immigrants. The entire family contributed stories, memories, recipes, and letters as a gift for their 95th birthdays in June 2017. Stories from the Maniscalco archives are great and very much a part of our shared American experience. Their childhood and family life is always told with wistful fondness. The boys played all kinds of sports, loved to swim in the summer and ice skate in the winter. The twins and their brother Vincent all played football and grandpa and grandma followed them everywhere in their giant Buick!

Creativity, Law and Entrepreneurship Shubha Ghosh,Robin Paul Malloy,2011-01-01 Creativity, Law and Entrepreneurship explores the idea of creativity, its relationship to entrepreneurship, and the law's role in inhibiting and promoting it. Our inquiry into law and creativity reduces to an inquiry about what people do, what activities and actions they engage in. What unites law and creativity, work and play, is their shared origins in human activity, however motivated, to whatever purpose directed. In this work contributors from the US and Europe explore the ways in which law incentivizes particular types of activity as they develop themes related to emergent theories of entrepreneurship (public, private, and social); lawyering and the creative process; creativity in a business and social context; and, creativity and the construction of legal rights.
