Tales of Two Tails Cornelia Munteanu,2024-03-26 Dogs and cats can be a source of unparalleled joy. Dogs bring boundless energy, loyalty, and a sense of security, while cats provide restful companionship and endless entertainment with their independent

Hidatsa Social and Ceremonial Organization Alfred W. Bowers,1992-01-01 Hidatsa Social and Ceremonial Organization, a study of an important horticultural Plains Indian tribe, synthesizes the rich material Alfred W. Bowers recorded in the early 1930s from the last generation of Hidatsas who lived in the historic village of Like-a-Fishhook. This documentary record of their nineteenth-century lifeways is now a classic in American ethnography. The book is distinguished for its presentation of extensive personal and ritual narratives that allow Hidatsa elders to articulate directly their conceptions of traditional culture. It combines archeological and ethnographic approaches to reconstruct a Hidatsa culture history that is shaped by a concern for cultural detail stemming from the American ethnographic tradition of Franz Boas. At the same time, its concern for the understanding of social structure reflects the influence of the British structural-functional approach of A. R. Radcliffe-Brown. The most comprehensive account ever published on the Hidatsas, it is of enduring value and interest.

A Tale of Two Tails Henry Winkler,Lin Oliver,2014

One Tiger / Two Tails Christodoulos Moisa,2021-09-02 One Tiger Two Tails is a historical novella mainly set in the South Island of New Zealand in the 1860s. On its way to Dunedin after a whale hunt, an American barque comes across a lifeboat containing the survivors of a sunken passenger ship. That intersect ties the fate and destiny of three people. In One Tiger

Two Tails, histories from China, Greece, and France collide to fashion a narrative of high adventure, forbidden love, ruthless brinkmanship, unfaltering friendship, and steadfast loyalty. What was said about Blood and Koka Kola This collection of short stories ... is everything such a book should be. The author has put his artist's eyes and poet's ear to good use. The stories have the sparseness of Hemingway and resonate with an understanding of the human condition - a prerequisite of the genre. They make compelling reading and the subject matter ranges from macabre to historical, from the mythical to the quirky, some enigmatic, others rich with humour and irony; all written with perfect pitch. The mix of New Zealanders and Cypriots reflects the author's own history and lends authenticity to the stories. It is a treasure. JOAN ROSIER-JONES - author of Waiting for Elizabeth Moisa doesn't disappoint. His stories are wide-ranging, both in subject matter and character portrayal, and his wit and his perception of human frailty reflect a life lived in several manifestations. This collection covers stories from New Zealand scenes as well as echoing the six years spent as a child in Cyprus in the late 1950s and as a young man in 1973 and 1974. ... Several of Moisa's stories have the surprise ending which is imperative for a good story, and this is one of the strengths and delights of his book ... Blood and Koka Kola ... is a very interesting, insightful and appealing collection of short stories ... MICHAEL O'LEARY - Landfall
