Built for Speed John McGuinness, 2017-05-04 Go on
 the ride of your life with the racing legend
 himself **with a thrilling NEW CHAPTER on John's
 dramatic 2017 crash** 'Then I was there myself,
 just another face in the crowd, watching the bikes
 fly by. The smells, the noise and the speed were
 all there for me to experience. It was like a
 massive injection in my head and it just blew my
 mind. I knew within seconds that I was going to be
 a TT racer. I didn't know how or what I was going
 to have to do to achieve this, and my dad wasn't
 going to be keen. Everyone around me was aware of
 the dangers, but from that moment I knew I had to
 do it.' John McGuinness is one of the all-time
 giants of road racing, with a huge host of
 victories to his name. But his easy humour and
 down-to-earth attitude off the bike have always
 kept people guessing: what's the truth about the
 man inside the helmet, that has kept him at the
 top of such a sport for over 20 years? His

autobiography tells the whole story, from his humble beginnings in Morecambe and getting his first bike at the age of 3, to working as a bricklayer and cockle fisherman before deciding to follow his dream, and finally to his many victories in the most dangerous sporting event on the planet. He tells of what it takes to be a champion in such an exacting sport, and to keep winning even though all logic tells you to stop – and when so many of your fellow racers are paying the ultimate price for doing it. This thrilling autobiography gets into the head of the man who stares death in the face, and doesn't even flinch.

James Toseland James Toseland, Ted

Macauley, 2011-08-31 At 23, James Toseland was the youngest ever winner of the World Superbike Championship and with more racing experience than riders twice his age, has overtaken previous champions Carl Fogarty and Neil Hodgson to become the next biking superstar. Toseland's success has been driven by a lifetime of tragedy. Using racing as a release, he became a fearless daredevil and had moved his way up through the ranks of British Superbikes by the time he was sixteen. But there was even more turmoil to come - a career of dramatic crashes and a collision in Monza, Italy which left James seriously injured and his Honda team-mate dead. This is a story of genius, tragedy and James' overwhelming will to succeed.

Wingfield,2019-08-22 Swallows and Amazons meets
The Famous Five for the 21st Century. Springtime:
Terry and Paul are looking forward to getting
their beloved dinghy, Orinoco, back on the water.
Perhaps, this year they can concentrate on sailing
without running across criminal gangs or having
another adventure searching for treasure.
Unfortunately the criminals have other ideas. As
witnesses, the boys and their older siblings, BJ
and Graham, are a possible link to putting them
behind bars, and anything might happen before they
come to trial. All the youngsters have to do is
