Using Mobiles in Early Childhood and Elementary Settings Cynthia C.M. Deaton, Sandra M. Linder, Josh Herron, Ryan D. Visser, 2021-01-01 Mobile learning is a primary learning format in the education of young children from birth through 6th grade. This format has been found to have a positive impact on the academic achievement, self-efficacy, motivation, and learning attitudes of students, including those with special needs (Ciampa, 2014; Hwang, 2014; Nikou & Economides, 2018; Xie, Basham, Marino & Rice, 2018). In both formal and informal learning contexts, mobile

learning affords opportunities to innovate and explore new forms of authentic experiences, meaning-making, and creativity with untethered technology (Choi, Land, & Zimmerman, 2018; Schuck, Kearney & Burden, 2017). This edited book acts as a springboard to expand discussions surrounding how mobiles might best be situated in contexts relating to young children. With a focus on early childhood and elementary settings, this book both expands the definition of mobiles to encompass digital-physical tools (e.g. Osmo, probeware) and wearables. It also provides insight into how intentional integration of mobiles supports the development and practice of both in-service and preservice teachers working with students in early childhood and elementary settings.

183 Times a Year Eva Jordan, 2021-05-20 "A candid account of family life that we can all relate to . . . An absolutely astonishing, thought provoking, hilarious and life affirming debut novel." —The Book Magnet Meet Lizzie, the exasperated mother of Cassie, Connor, and stepdaughter Maisy. She gets by with good friends, cheap wine and talking to herself. Teenager Cassie, the Facebook-tweeting, selfie-taking, music and mobile phone-obsessed daughter, hates everything about her life. She longs for a different existence and wishes her parents had never divorced. However, the discovery of a terrible betrayal, and a brutal attack, throws the whole household into disarray. Lizzie and Cassie are forced to reassess the important things in life as they embark upon separate journeys of self-discovery . . . Although tragic at times this is a delightfully funny exploration of domestic love, hate, strength and ultimately friendship. A poignant, heartfelt look at that complex and diverse relationship between a mother and daughter set amongst the thorny realities of today's divided and extended families. Mothers and daughters alike will never look at each other in quite the same way after reading this book—a brilliantly funny observation of contemporary family life. "An emotional

roller-coaster of a ride that details family life . . . [a] beautifully written debut novel from Eva Jordan that should appeal to men not just women. There are some very emotive comments contained within the story many will ring true for every reader. A highly enjoyable read.” —The Last Word Book Review Don’t miss books two and three in the trilogy: *All the Colours in Between* and *Time Will Tell*

The Tree of Family Life Trilogy Eva Jordan, 2021-12-13 The funny, poignant trilogy following a modern British mother as she shepherds her kids through adolescence into adulthood, in one volume. These three novels chronicle the ups and downs of Lizzie as she navigates motherhood (and stepmotherhood) and her loving, if sometimes dysfunctional, relationships with Cassie, Connor, and Maisy—along with her job at the library, the needs of her ailing mum, and the yearnings of her own heart. Includes: 183 Times a Year Teenage Cassie, Lizzie’s selfie-taking, social media-obsessed daughter, hates everything about her life and wishes her parents had never divorced. But when the discovery of a terrible betrayal and a brutal attack throws the household into disarray, both Cassie and Lizzie must reassess what’s important as they embark upon separate journeys of self-discovery. *All the Colours In Between* Lizzie is pushing fifty, and her once angst-ridden teenage daughters have flown the nest—Cassie to London and Maisy to Australia—leaving only the less-troublesome Connor to take care of. The hard years, Lizzie believes, are behind her. But then a visit to her daughter in London leaves Lizzie troubled. Add an unexpected visitor, a disturbing phone call, a son acting suspiciously, a run-in with her ex-husband, and a new man, and Lizzie will soon learn life is something that happens while you’re busy making plans. *Time Will Tell* Lizzie has become a writer, and in her spare time she does all she can to keep her family—still grieving a recent loss—together. But then, the suspicious death of a celebrity brings a shock to everyone. A troubling personal connection to the dead man will lead to fear, mistrust, and a mystery reaching back into the past . . .
