

Ultra Gunner

Major Frank Baldwin, Lieutenant Colonel Will Townsend

A Tank Gunner's Story Louis G. Gruntz, 2017-01-24 A 712th Tank Battalion veteran of Patton's Third Army returned home after the Second World War, but for over fifty years rarely speaks of his wartime experiences. His son grows to manhood with only a perception of combat gleaned from the movies of his youth and knowing little of his father's wartime ordeals. During a difficult time in his son's life, the father breaks his silence as they travel across Europe along the battle route of the 712th Tank Battalion from the hedgerows of Normandy, across France to Metz, and through Luxembourg and Germany. This is not only a story of the father's wartime experiences, but also of the father and son's journey, the bond that developed between them as well as the son's change in perception of combat. *A Soldier's Story: Gunner Gruntz of the 712th Tank Battalion* tells the gripping yet emotional account of his father's firsthand experiences while standing on the sites where he battled, was wounded, saw friends killed in Normandy and during the Battle of the Bulge, and where he earned the Bronze Star in bloody combat. An exhaustive and essential account of the horrors of war where Gruntz took on the might of the Third Reich and Tiger panzers in his Sherman, *A Soldier's Story: Gunner Gruntz of the 712th Tank Battalion* is also lavishly illustrated with unpublished period photographs.

Panzer Gunner Bruno Friesen, 2008-02-19 An insider's account of training and service in Nazi Germany's twenty-fifth Panzer Regiment during World War II. There are few memoirs available of German Panzer crews that focus on the climactic last 12 months of the war on the Eastern Front, 1944-45. What makes Bruno Friesen's account virtually unique is his family background: his parents came from a German-speaking Mennonite community in Ukraine, and were to all intents and purposes culturally German. To make matters even more complex, in 1924 his parents left the Ukraine for Canada, where Bruno was born. In March 1939 he and his brother Oscar found themselves on a ship bound for Bremerhaven in Germany. He barely spoke German, and had never been to Germany, nevertheless his father envisaged that a better life awaited them in the Third Reich. Needless to say, Bruno became caught up in the Second World War, and in 1942 was drafted into the Wehrmacht. The author provides a full account of his family background, and how, through these unusual circumstances, he found himself a Canadian-born German soldier. The bulk of the book is a detailed account of the author's training, and his subsequent service with 25th Panzer Regiment, part of 7th Panzer Division. As the title suggests, Bruno Friesen served as a gunner aboard, initially, Panzer IVs, before crewing the lesser-known Jagdpanzer IV tank hunter. The author provides a fantastic amount of information about these two vehicles, and how the crews actually fought in battle with them. This kind of 'hands-on' detail has almost never been available before, particularly such extensive information concerning the characteristics and combat performance of the Jagdpanzer IV. Apart from providing a large fund of information about specific German tanks and their combat performance, the author writes in great detail about the combat the experienced on the Eastern Front, including tank battles in Rumania, spring 1944, Lithuania in the summer of 1944, and West Prussia during early 1945. If one wants to know how German tank crews fought the Soviets in the last year of the war, then this book provides an outstanding account, containing material simply not found elsewhere. The author closes his account by reflecting on his post-war efforts to return to Canada, which eventually succeeded in 1950, and his subsequent life there. This book is not just a critique of armored fighting vehicles and tank warfare, it is above all a very human story, told in a lively, conversational and fluid manner, and is a remarkable contribution to the literature of the Second World War.

A Tank Gunner's Story: Gunner Gruntz of the 712th Tank Battalion Louis G. Gruntz, 2014-03-26 A 712th Tank Battalion veteran of Patton's Third Army returned home after the Second World War, but for over fifty years rarely speaks of his wartime experiences. His son grows to manhood with only a perception of combat gleaned from the movies of his youth and knowing little of his father's wartime ordeals. During a difficult time in his son's life, the father breaks his silence as they travel across Europe along the battle route of the 712th Tank Battalion from the hedgerows of Normandy, across France to Metz, and through Luxembourg and Germany. This is not only a story of the father's wartime experiences, but also of the father and son's journey, the bond that developed between them as well as the son's change in perception of combat. *A Soldier's Story: Gunner Gruntz of the 712th Tank Battalion* tells the gripping yet emotional account of his father's firsthand experiences while standing on the sites where he battled, was wounded, saw friends killed in Normandy and during the Battle of the Bulge, and where he earned the Bronze Star in bloody combat. An exhaustive and essential account of the horrors of war where Gruntz took on the might of the Third Reich and Tiger panzers in his Sherman, *A Soldier's Story: Gunner Gruntz of the 712th Tank Battalion* is also lavishly illustrated with unpublished period photographs.

Gunners in Normandy Major Frank Baldwin, Lieutenant Colonel Will Townend, 2020-03-31 The official account of the Royal Artillery's activities in the Normandy campaign, this volume breaks down the historic achievements of the Regiment, integrating newly published research with a detailed account of their activities, logistics and equipment in the offensive. *Gunners in Normandy* includes mention of every regiment that served, a Roll of Honour, and a list of the dead by unit. This book presents the definitive record of events, assembled from interviews with veterans, papers and documents from the Firepower Archives, terrain studies, personal memoirs, war diaries and other official documents. Serious students of the battle for Normandy should find this essential reading, with comprehensive coverage of the role of the Royal Artillery, and much material not published anywhere else, including orders of battle, the details of targets engaged by the guns and their effectiveness.

Day of the Rangers Leigh Neville, 2018-09-20 A story of equipment failures, bad luck, poor planning and unbelievable courage written 25 years after the battle, this new book by Leigh Neville reveals the hard-hitting truth of what happened minute by minute in the dusty streets of Mogadishu. On October 3, 1993, Task Force Ranger was dispatched to seize two high-profile lieutenants of a Somali warlord. Special Forces troops were transported by ground vehicles and helicopters, and the mission was meant to be over within the hour. They quickly found themselves under heavy fire, and two Black Hawk helicopters were shot down. With a hastily organized relief column many hours away, the American troops faced a desperate battle for survival. Focusing on the stories of the soldiers on the ground, and in the air, *Day of the Rangers* reveals the experiences and recollections of the Special Forces units, including the Rangers, Delta operators and Nightstalker crews who fought in the battle of Mogadishu. Published to mark the battle's 25th anniversary and using recently declassified documents and new interviews with many of the participants, *Day of the Rangers* is a fascinating and revealing new history of a battle that would influence American Special Forces for decades to come.

Falklands Gunner Tom Martin, 2017-05-30 The Royal Artillery played an absolutely vital, though often forgotten, part in the British armed forces successful operation to recapture the Falkland Islands in 1982. The actions of the artillery were recorded by one young officer in a journal which he kept before, during and after the

conflict.Second Lieutenant Tom Martin was a Command Post Officer with 29 (Corunna) Field Battery RA which deployed to the South Atlantic in 1982 as part of the Task Force dispatched to retake the Falklands. With its six 105mm Light Guns making the journey on the MV Europic Ferry, the Battery sailed south on the MV Norland with 2 PARA, joining 3 Commando Brigade for the landings. The five gun batteries of the Royal Artillery, totaling thirty light field guns, fired a tremendous number of shells on the Argentine forces. For its part, 29 (Corunna) Field Battery fired the first Fire Mission of the conflict and continued to do so until the Argentinian surrender in the most testing environment and against the odds.Whilst in the South Atlantic, Martin sought to detail and record the action on the Batterys gun position. Supported by the recollections of some of those he served alongside, Martins notes and diary entries form the basis of this book; a vivid, blow-by-blow account which provides a comprehensive picture of the Royal Artillery and its pivotal role in the Falklands War.

Backstabbed in a Backwater Dungeon: My Party Tried to Kill Me, But Thanks to an Infinite Gacha I Got LVL 9999 Friends and Am Out For Revenge (Manga) Vol. 4 Shisui Meikyou,Takafumi Oomae,2023-12-05 After bringing the hammer of justice down on the adventurer-slayer Kyto and his fast-talking accomplice Yanaaq, Light receives some excellent news! Ellie reports that preparations for Light's revenge on Sasha the elf are finally complete. The stage is set for Light to storm the Elven Queendom with all the power he's built up over his three years in the Abyss--and another name is about to be crossed off his ever-growing kill list!

In the Sanctity of the Snake Pit Michael D. Guard,2008-06 The memoirs of an aerial gunner in the Vietnam War, who served for 1 year in an experimental multi-national force, the 135th Assault Helicopter Company.

Shooting and Fishing ,1918

Super Fake Love Song David Yoon,2020-11-17 An NPR Book Concierge Pick of the Year “The fun of this engrossing read is that underneath the slapstick lies a finely nuanced meditation on how we perform as ourselves.” –New York Times Book Review From the New York Times bestselling author of Frankly in Love comes a moving young adult novel about friendship, identity, and acceptance. Perfect for fans of John Green and To All the Boys I've Love Before. When Sunny meets Cirrus, he can't believe how cool and confident she is. So when Cirrus mistakenly thinks Sunny plays guitar, he accidentally winds up telling her he's the front man of a rock band. Before he knows it, Sunny is knee-deep in the lie: He gets his best friends to form a fake band with him and starts dressing like a rock star. But no way can he trick this amazing girl into thinking he's cool, right? Just when Sunny is about to come clean, Cirrus asks to see them play sometime. Gulp. Now there's only one thing to do: Fake it till you make it.

Journal of the United States Artillery ,1943

Dark Intelligence Neal Asher,2015-02-03 One man will transcend death to seek vengeance. One woman will transform herself to gain power. And no one will emerge unscathed... Thorvald Spear wakes in a hospital to find he's been brought back from the dead. What's more, he died in a human vs. alien war that ended a century ago. Spear had been trapped on a world surrounded by hostile Prador forces, but Penny Royal, the AI inside the rescue ship sent to provide backup, turned rogue, annihilating friendly forces in a frenzy of destruction and killing Spear. One hundred years later the AI is still on the loose, and Spear vows for revenge at any cost. Isobel Satomi ran a successful crime syndicate, but after competitors attacked she needed power and protection. Negotiating with Penny Royal, she got more than she bargained for: Turning part-AI herself gave Isobel frightening power, but the upgrades hid a horrifying secret, and the dark AI triggered a transformation that has been turning her into something far from human... Spear hires Isobel to track Penny Royal across worlds to its last known whereabouts. But he cheats her in the process and quickly finds himself in her crosshairs. As Isobel continues to evolve into a monstrous predator, it's clear her rage will eventually win out over reason. Will Spear finish his hunt before he himself becomes the hunted? Dark Intelligence is the explosive first novel in a brand new trilogy from military SF master Neal Asher and a new chapter in his epic Polity universe.
