Undertale Schmicklet,2016-10-22 Post true pacifist ending (SO SPOILER ALERT). There are still some unanswered questions after the monsters are freed. How do humans interact with them? Why does sans have a lab? Who is W.D. Gaster? And why did Frisk go to the underground in the first place? The story continues where the games leaves off, watch all the characters you love adapt to their new lifestyle. Adventure/Angst

Undertale John Wright,2017-03-22 Hello human, and welcome to the world of Undertale! This is an action packed adventure book set in the world of Undertale, where you, the reader, decide what actions to take to survive the underground. Humans are not a common occurrence in the underground - not ones that are alive, anyway. So, as you will see, you being here will be quite a treat for all of the monsters. While some of the monsters will love your company in their quaint little world, there are others that may not take too kindly to seeing you. The royal guard will see you don't live long if they catch you. You'll be faced with countless trials and tasks in the Underground, and just like in the human world, you'll have choices to make when you face these trials. Do you run, or do you fight? Do you hide in a closet, or do you eat the cheese that you found in your coat pocket from last year?

Timetale Jim Kinney,2017-04-28 These powers should not be taken lightly. Takes place on the surface after a True Pacifist Ending, where relations between humans and monsters begin to strain ... Some monsters felt as though they deserved repayment for the treatment they endured from humans in the past. Some humans felt that the monsters could not be trusted and should be eradicated. It appears only a matter of time before the issues reach a boiling point. Is history doomed to repeat itself? Can Frisk stop the upcoming War before it's too late?

Undertale Tony Frisk,2016-11-13 What if.....' Let me ask you something, Sans said, shoving his hands into his pockets. If a guy hides himself away for his whole life; is never seen by anyone, never leaves any marks on anyone or makes any lasting changes; can you really call him alive? Frisk shook their head. A person who hides can still choose to come back.
