Basic Facts About the United Nations United Nations Department of Public Information, 2017-05-26 This comprehensive handbook designed for the general public explains the structure of the United Nations, how the Organization works, the main issues it addresses and its importance for people everywhere. In addition to setting out the various roles played by principle UN organs and related organizations, Basic Facts about the United Nations documents the Organization's contributions to international peace and security, economic and social development, human rights, humanitarian action, international law and decolonization. Appendices contain current data on UN membership and peacekeeping operations, as well as contact information for UN information centers, services and offices. This latest edition, published in 2017, has been revised to take account of significant developments in the world and the Organization itself since 2014.

The Europa Directory of International Organizations 2020 Europa Publications, 2020-08-26 The Europa Directory of International Organizations 2020 serves as an unequalled one-volume guide to the contemporary international system. Within a clear, unique framework the recent activities of all major international organizations are described in detail. Given alongside extensive background information the reader is able to assess the role and evolving functions of these organizations in today's world. The contact details, key personnel and activities of more than 2,000

international and regional entities have again been thoroughly researched and updated for this 20th edition. Highlights in this edition include: - a fully revised Who's Who section with biographical details of the key players in the international system. - the response of the international community to crises and conflicts throughout the world. - introductory essays, written and updated by experts in their field, which consider topics including global environmental governance, the international criminal justice system, international humanitarian co-operation, and governance of the global economy.

Networks and Services Mehmet Toy, 2012-09-10 This book provides a comprehensive understanding of current and debated future networking technologies. It gives insight into building end-to-end networks and services with Carrier Ethernet, PBT, MPLS-TP, and VPLS while also shedding light on the pros and cons of these technologies for service providers and enterprise

network owners. Focusing on layer-2 networking and services, Networks and Services covers: The basics of Ethernet such as protocol stack, bridges, switches, and hubs Key techniques that are being used in building carrier-class Carrier Ethernet networks and services like synchronization, pseudowires, and protection Carrier Ethernet network architectures and services that are currently deployed in the industry Traffic management and OAM capabilities of Carrier Ethernet Circuit Emulation Services PBB and PBT to resolve possible scalability issues of Carrier Ethernet Technologies that are competing or working with Carrier Ethernet in forming data networks and services, Transport MPLS, MPLS Transport Profile, and VPLS Networks and Services: Carrier Ethernet, PBT, MPLS-TP, and VPLS is ideal for network architects, engineers, and planning professionals in telecommunications, as well as students and researchers in related disciplines.

The Art of the Shoe Marie-Josèphe Bossan, 2012-05-08 Abandoning a French look on the subject, Mrs. Bossan, the author, develops her study with a dichotomous vision: that of time that touches the history of mankind and that of geography and sociology, which lead to an almost ethnographic analysis. The author dissects the shoe and all that surrounds it: from its history to painting and literature. After this book, it will be difficult to publish a book with a more complete treatment of the subject. Illustrated with an iconography that is exceptional both for its aestheticism and the pieces chosen, this book is a reference for historians, sociologists and for the

fashion victims and designers...

Constructia unui partid unic: Frontul Renasterii Nationale florin grecu,2012-01-01 Studiul de caz dedicat Frontului Renașterii Naționale și-a propus să analizeze și să demonstreze modalitatea în care a fost construit partidul unic carlist și instituțiile pe care acesta s-a sprijinit, precum și evoluția sa, pornind de la decretul-lege de înființare, promulgat la 16 decembrie 1938, și până la desființarea lui, la 6 septembrie 1940. Studierea naturii regimului monarhiei autoritare și a sistemului monopartidist, prin comparație cu alte regimuri autoritare sau totalitare din epocă, a reprezentat aria tematică a cercetării de față, iar încadrarea lucrării la granița dintre disciplina istoriei și științei politice a fost fundamentată

cu ajutorul lucrărilor critice scrise de istoricii și cercetătorii din domeniul științelor politice, care au studiat sistemul politic cu partid unic. În ceea ce privește studiul comparativ al sistemelor cu partid unic, în România carlistă, regimul este cel care a creat partidul, pe când în Germania nazistă și Italia mussoliniană, Construcția unui partid unic: Frontul Renașterii Naționale Florin Grecu 4 partidul este cel care a creat regimul. Pornind de la această ipoteză, va fi analizată distincția dintre FRN-NSDAP-PNF, care va pune în lumină modalitățile diferite de selecție a personalului. În partidul unic carlist recrutarea membrilor frontiști se făcea, în cea mai mare parte, din rândurile organelor administrative ale statului, conform fișei individuale. Opțiunea de a cerceta subiectul partidului unic a avut ca scop punerea în lumină a elementelor de compoziție ale Frontului Renașterii Naționale și a modului de organizare, pornind de la dimensiunea doctrinară și până la structurile instituționale ale noului regim. Partidul unic din perioada 1938-1940 a monopolizat viața politică în favoarea unei singure organizații, iar promulgarea Constituției de la 27 februarie 1938 și decretarea stării de asediu, acte însotite de desființarea partidelor politice prin decretul din 31 martie 1938, au creat suportul legislativ necesar apariției partidului unic, confiscând astfel drepturile politice și civile ale cetătenilor, care au fost confințite de Constituția din 1923. Prin abrogarea Constituției liberale de la 1923 și promulgarea celei autoritare de la 27 februarie 1938, statul de drept a fost abolit și s-a

ajuns la concentrarea întregii puteri în mâna unui singur om, a regelui Carol al II-lea. Frontul Renașterii Naționale poate fi definit ca un partid de tip eclectic, cu o ideologie alcătuită în grabă și cu o compoziție eterogenă a membrilor, care au deținut funcții de conducere în structurile organizației politice unice, la nivel central și local, precum și în parlament. Partidul unic a fost organizația politică a statului care s-a sprijinit în acțiunile sale pe o administrație condusă de cadre ale armatei, poliției, jandarmeriei și corpului judecătoresc, și în acest mod s-a ajuns în situația în care regimul controla partidul, iar acesta din urmă controla funcționarii membri de partid, care lucrau la stat, determinând, astfel, compoziția și structura aparatului administrativ. Relația de subordonare a organizației politice față de stat a transformat partidul unic într-un instrument lipsit de inițiativă și de spiritul combativ al partidelor politice democratice. Ca și în perioada funcționării democrației și a partidelor politice, Jandarmeria, după o expresie a epocii, era „aparatul militar electoral guvernamental”¹. Forțele de ordine au avut și au continuat să aibă și în timpul campaniei electorale din 1939 rolul de a supraveghea și controla alegerile, iar primarii îndrumau cetățenii spre secțiile de votare. Alegerile din iunie 1939 s-au desfășurat sub imperativul stării de asediu, fiind coordonate și controlate de Ministerul de Interne, iar candidaturile pentru parlament reprezentau monopolul partidului unic, adică al singurei organizații în stat care avea dreptul de a prezenta candidați. Fișa de cadre fabricată de noul regim

conferea partidului unic dreptul de a propune candidaturi pentru alegeri. Definirea partidului ca un conglomerat hibrid derivă din studiul documentelor de arhivă, al raportelor administrației locale înaintate Ministerului de Interne, care vor pune în lumină caracterul neomogen al partidului, dar și anumite practici și mentalități ale politicienilor vechiului regim exportate în noul regim, care s-a vrut a fi unul al intereselor superioare în detrimentul celor particulare 2 , individuale, de grup sau de partid.

Creat cu un scop unic Rodica Malos,2021-11-02 Realitatea Duhului Sfant, mai presus de stiinta. Descopera planul lui Dumnezeu pentru viata ta! Creat cu un scop unic abordeaza frumusetea creatiei omului dintr-o perspectiva care incearca sa transcenda limitarile stiintei si sa sublinieze faptul ca Dumnezeu ne-a creat nu doar frumosi, ci si cu un scop al proprietiei noastre existente atat de bine conturat in Scripturi. Cu maiestrie, Rodica Malos descifreaza intr-un limbaj accesibil oricui, deloc greoi sau plicticos, maiestria cu care am fost creati, a functiilor pe care celulele ce alcataiesc trupul nostru conlucreaza intre ele si care reflecta ca o pecete chipul Creatorului si capacitatea de a-L purta in noi pe Duhul Sfant. Aceasta perspectiva ne deschide ochii mintii spre o alta lume, cea pentru care suntem de fapt destinati, in care ne aflam in alt Trup, de alta natura si cu alte

dimensiuni si ne ajuta sa intelegem ca am fost creati cu un scop unic, pentru a trai vesnic impreuna cu Dumnezeu. Lecturand aceasta carte, vei simti ungerea lui Dumnezeu si vei capata o perspectiva importanta asupra credintei, ceea ce iti va face cat se poate de clar faptul ca Duhul Sfant este real. Deopotrivă captivant, fascinant, instructiv și provocator, mesajul acestei carti te va face să exclami la final: „Te laud că sunt o faptura așa de minunată!” Aceasta carte este atât un manual, cât și o enciclopedie medicală, și cel mai important, un mesaj cu privire la Cine este Dumnezeu și la faptul că Duhul Său Sfant este real. Mangaierea pe care o avem aduce, alături de asigurarea pe care o avem în calitate de credinciosi este de necontestat și poate cea mai eficientă unealta ce te poate aduce într-o relație cu Dumnezeul Viu, Creatorul cerurilor, al pamantului și Creatorul tau personal. Pe paginile ei se revârsează o mireasma imparatească, scantei divine de speranță și bucurie, care îți permite să inteleagă realitatea a cine ești cu adevărat și cum trebuie să-ți traiesti viața, fiind creat într-un chip minunat după asemănarea Lui! Aprecieri pentru aceasta carte: „Dr. Malos își ia în serios credința și știința. Pentru a scrie aceasta carte s-a documentat foarte mult și a știut să imbine aspectele științifice cu experiențele spirituale personale. Mesajul ei este deopotrivă formator și incurajator și transmite armonia cerească între lumea vizibilă și cea spirituală. Avem multe de invătat odată ce ne deprindem să distingem amprenta lui Dumnezeu asupra trupului nostru și zic, asupra fiziolgiei și creierului.” - Dr. David I. Levy,

MD, neurochirurg si autorul cartii Materie cenusie „Minunile din lumea noastră și detaliiile vietii sunt cu adevarat uimitoare. În lipsa unui Creator plin de iubire, nu există vreo explicație plauzibilă pentru aceste detalii infinite și observabile. Sânsele ca viața să fi apărut în lipsa unui Creator sunt la fel de infime precum aruncarea în aer a unei lopeti cu moloz care aterizează pe pământ sub forma unui Boeing 747 perfect funcțional! Dr. Malos îmbina o parte din înțelegerea științifică cu privire la aceste minuni ale vietii și ale creației cu adevarurile eterne ale Cuvântului lui Dumnezeu pentru a oferi un mesaj de încurajare și perspectivă. Propria ei poveste de viață, despre cum a copilarit într-o țară comunistă, creștina fiind, despre cum s-a mutat în America și cum îi slujeste pe oameni în calitate de medic creștin ilustrează și sprijina mesajul pe care îl aduce în această carte.” - Dr. Greg Berglund, MD, MDiv, Mayo Clinic Health System Red Wing Specialty Clinic, medicina de urgență, pastor și autor al cartii This Mountain: You Shall Say To This Mountain, „Move From Here to There” În carte sa, Creat cu un scop unic, Rodica Malos a creionat într-un mod maiestuos o imagine frumoasă a creației și a modului în care Tatăl nostru Cereșc ne-a creat pe fiecare dintre noi, într-un mod strategic și intentional pentru slava Sa, pentru scopul Sau și în felul Sau unic. În mod strategic, datorita vastei Sale înțelepciuni, creându-ne pe fiecare dintre noi într-un mod unic! În mod intentional, datorita modului specific în care este creată fiecare celula, fiecare tesut, organ și parte a corpului, toate acestea cu scopul de a ne face

„dupa chipul si asemanarea Lui!” Cu un scop specific, deoarece am fost creati cu un scop... acela de a-L oglindi pe Tatal nostru ceresc... in calitate de „copii ai Sai preaiubiti”! Trinitatea este bine prezentata in fiecare pagina din aceasta carte minunata! Dumnezeu sa primeasca toata slava! Felicitari, dr. Rodica Malos! O lucrare de exceptie! - Pastor D. Robinson, Directorul retelei de sprijin pastoral, TBN Corpul uman poarta amprenta influentei lui Dumnezeu in calitate de Creator, la fel cum sunt ingemanate cele doua lanturi de molecule ADN. Dr. Rodica Malos ne ofera o perspectiva unica, bine documentata asupra corpului uman si a modului in care fiecare simt, fiecare organ poate fi folosit pentru a deveni mai buni in ochii lui Dumnezeu si a-L putea reflecta pe El in fata lumii care ne priveste, fapt ce poate fi realizat numai cu ajutorul supranatural al Duhului Sfant. Aceasta carte mi-a oferit mie, in calitate de doctor, o perspectiva noua si interesanta. - Dr. Bogdan Puscasu, MD, departamentul de urgență de la spitalul din Cluj-Napoca, Romania Despre autoare: Dr. Rodica Malos s-a nascut in Romania, in vremea tiraniei si opresiunii comuniste, dar a trait ca o urmara a lui Isus Cristos, cu o credinta puternica in El. In anul 1990, a emigrat in SUA. Aici a lucrat initial la ingrijirea bolnavilor cu boli cronice multiple, desi avea diploma de economist, si a inceput cursuri de studii medicale si de ingrijirea sanatatii, obtinand mai multe diplome in domeniu, de la Oregon Health&Science University, inclusiv cea de „Doctor of Nursing Practice” (PhD Degree). In prezent, dr. Malos lucreaza ca medic de familie la Clinica Good News

Community Health, din Portland, Oregon. Pe langa activitatea medicala, dr. Rodica Malos vorbeste la conferinte crestine medicale si spirituale din SUA si din strainatate. Prin toate incercarile si furtunile vietii, dr. Malos a gasit scopul unic al lui Dumnezeu pentru viata ei si a intelese ca oamenii sunt creati dupa chipul lui Dumnezeu cu un scop unic: acela de a-si atinge potentialul maxim si de a-si implini destinul. Este casatorita cu Stely, din 1986, au o fiica, pe Andreea, PharmD, care este casatorita cu Jeff Steward si au 2 copii.

FAQs About Unic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take

regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What are the advantages of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Unic is one of the best books in our library for free trial. We provide copy of Unic in digital format, so the resources that you find are reliable. There are also many Ebooks of

related with Unic. Where to download Unic online for free? Are you looking for Unic PDF? This is definitely going to save you time and cash in something you should think about.
