*An Orange in January* Dianna Hutts Aston,2007-10-18 Plump, juicy oranges are one of the great pleasures of winter—and one that is usually taken for granted. Now here's an eloquent, celebratory picture of how those oranges have found their way to the grocery store shelves, and then into kids—tummies! With vivid, glowing paintings, this unique picture book offers a poetic lesson about a plant's growth cycle and about the produce industry. We follow an orange from blossom to ripe fruit, from tree to truck to market . . . and into the hands of a boy who shares this treat with his friends on the playground, —so that everyone could taste the sweetness of an orange in January. In the tradition of Apple Farmer Annie and Red Leaf, Yellow Leaf, this is a satisfying, celebratory look at an everyday object with a remarkable life story.
