Until Death Do Us Part Ingrid Betancourt, 2009-10-13 Ingrid Betancourt, a senator and a presidential candidate in Colombia, grew up among diplomats, literati, and artists who congregated at her parents' elegant home in Paris, France. Her father served as Colombia's ambassador to UNESCO and her mother, a political activist, continued her work on behalf of the country's countless children whose lives were being destroyed by extreme poverty and institutional neglect. Intellectually, Ingrid was influenced by Pablo Neruda and other Latin American writers like Gabriel García Márquez, who frequented her parents' social circle. She studied at École de Sciences Politiques de Paris, a prestigious academy in France. From this charmed life, Ingrid Betancourt -- not yet thirty, happily married to a French diplomat, and a mother of two children -- returned to her native country in the late 1980s. On what was initially just a visit, she found her country under internal siege from the drug cartels and the corrupt government that had allowed them to flourish. After seeing what had become of Colombia's democracy, she didn't feel she could leave. *Until Death Do Us Part* is the deeply personal story of a woman who gave up a life of comfort and safety to become a political leader in a country being slowly demolished by terrorism, violence, fear, and a pervasive sense of hopelessness. It is a country where democracy has been sacrificed for the well-being of the few, where international criminals determine policy, and where political assassinations are a way of life. Now forty, Ingrid Betancourt has been elected and reelected as a representative and as a senator in Colombia's national legislature. She has founded a political party that has openly confronted Colombia's leaders and has earned the respect of a nation. And now she has become a target of the establishment and the drug cartels behind it. Forced to move her children out of Colombia for protection against death threats, Ingrid Betancourt remained and continued to fight the political structure that has crumbled under the destructive power of the paramilitary forces, the financial omnipotence of the drug cartels, and the passivity of government-for-sale. Here is a political cocktail that has destroyed countless lives in Colombia and has spread to countries beyond its borders. A memoir of a life in politics that reads like a fastpaced political thriller, *Until Death Do Us Part* -- already an international bestseller -- is a hair-raising account of one woman's fight against the establishment. It is a story of a woman whose love for her country and faith in democracy gave her the courage to stand up to the power that has subjugated, intimidated, or corrupted all those who opposed it. A chilling account of the dangerous, byzantine machine that runs Colombia, it is also an inspiring story of privilege, sacrifice, and true patriotism.

Until Death Mary Burns, 2001-04-09 After Mary Carpenter suffers personal injury at the hands of a killer and total disillusionment with the justice system, she vows to leave crime fighting to the young and spend her days creating beautiful paintings. At seventy-five, she has spent over fifty years on the fringes of police work, first as a secretary, later as a consultant on dusty, old cases. Now she opts for the safety of an adult community. When a woman dies the day Mary moves to the complex, she assumes the death is the result of natural causes, but then a second death occurs within days of her arrival. The police write off the second death, that of a senile woman who wanders the halls claiming Bridget O'Connor kills people, as an accident. Mary disagrees and jumps into the investigation. Mary is not naive, she knows men die and leave wealthy widows, but Bridget has a track record of four dead spouses and several deceased relatives. Not only the number worries Mary, but also the pattern of financial need preceding each death. Mary has worked for Edmonton's police service too long to doubt she is dealing with a black widow. Now she must convince the police chief she is not feeble-minded, alert the prospective husband-to-be of his danger, and avoid being the next victim of a convenient natural death. Mary fumes when she realizes her long-time associates in Edmonton's police service are

humoring her, as if she was an old woman. Her dismay grows when repeated dead-ends lead them to question her reasoning. Can they truly believe her intuition has short-circuited? To add to Marys worries, Bridgets son is romancing her friend, Gloria Azzara. Unable to convince her friend that Garth OConnor is not the man for her, Mary can only hope she has sufficient sense to see him with unclouded eyes, before she becomes his second dead wife. An alliance of grandchildren, left without inheritances because of Bridget, seeks Marys expertise and adds to the meager information she is able to glean from police and public records. Mary finds herself with an overwhelming supply of ifs and maybes, wisps of ancient memories, stacks of circumstantial evidence, and an earful of spiteful gossip, but nothing a jury would call proof. When the police chief informs her of a verifiable murder involving Bridget, her first reaction is relief. Then she discovers the murder not only involves Bridget, but that she, and her newest intended, are the victims. Now she must discover the identity of the target and the murderer. She eyes the vengeful discarded lover, the soon-to-be disinherited children, and the needy, greedy son. With the help of her youthful brigade of grandchildren, a willing police constable, and her own deductive reasoning, Mary points the police chief in the murderers direction.

Sickness Unto Death Soren Kierkegaard,2013-01-28 Man is spirit. But what is spirit? Spirit is the self. But what is the self? The self is a relation which relates itself to its own self, or it is that in the relation [which accounts for it] that the relation relates itself to its own self; the self is not the relation but [consists in the fact] that the relation relates itself to its own self. Man is a synthesis of the infinite and the finite, of the temporal and the eternal, of freedom and necessity; in short, it is a synthesis.

Till Death Do Us Part Robi Ludwig,Matt Birkbeck,2006-03-28 Every day six people in the United States are murdered by spouses or intimate partners. The stories of killer spouses tend to captivate us, as they beg the question of how so many seemingly normal and happy people manage to go over the edge. Indeed, every relationship presents extreme moments where scary feelings surface, yet what happens when those feelings turn to action? In *Till Death Do Us Part*, noted psychotherapist Dr. Robi Ludwig, along with journalist Matt Birkbeck, presents the psychological profiles of notorious killer spouses -- from Scott Peterson and Clara Harris to Rabbi Fred Neulander and Betty Broderick. Ludwig reveals ten killer personality types. These ten personality types are defined in detail and illustrated with examples from high-profile cases along with in-depth analyses of the motivations behind the murders. The ten types range from the Betrayal/Abandonment Killer (who loses control and kills from a broken heart) to the Control Killer (who micromanages every aspect of the spouse's life) and the Black Widow/Profit Killer (who kills for money). With gripping stories and probing insight, authors Ludwig and Birkbeck examine the concept of peaceful versus violent resolution and why certain spouses believe murder is the best and only response. In an age when spousal murder is headline news, *Till Death Do Us Part* explores a phenomenon that many spouses can't help but think about at some point in their

relationships -- which sheds light on the very notion of happily ever after.
