

Urfins Wooden Soldier

Iain Brown

Tales of Magic Land 1 Alexander Volkov,2010-06-05 This book contains translations into English of the first two Oz-inspired Magic Land novels by Russian author Alexander Volkov. In the first story, Ellie, a little girl from Kansas, is blown by a tornado to Magic Land, where she learns that the best things in the world are friendship and mutual assistance. In the second story, Ellie returns to Magic Land to fight an evil ruler. New edition contains revised Afterword, an article comparing the 1939 and 1959 versions of WIZARD, and a select bibliography of Volkov's other works.

Oz behind the Iron Curtain Erika Haber,2017-11-30 In 1939, Aleksandr Volkov (1891-1977) published Wizard of the Emerald City, a revised version of L. Frank Baum's The Wonderful Wizard of Oz. Only a line on the copyright page explained the book as a reworking of the American story. Readers credited Volkov as author rather than translator. Volkov, an unknown and inexperienced author before World War II, tried to break into the politically charged field of Soviet children's literature with an American fairy tale. During the height of Stalin's purges, Volkov adapted and published this fairy tale in the Soviet Union despite enormous, sometimes deadly, obstacles. Marketed as Volkov's original work, Wizard of the Emerald City spawned a series that was translated into more than a dozen languages and became a staple of Soviet popular culture, not unlike Baum's fourteen-volume Oz series in the United States. Volkov's books inspired a television series, plays, films, musicals, animated cartoons, and a museum. Today, children's authors and fans continue to add volumes to the Magic Land series. Several generations of Soviet Russian and Eastern European children grew up with Volkov's writings, yet know little about the author and even less about his American source, L. Frank Baum. Most Americans have never heard of Volkov and know nothing of his impact in the Soviet Union, and those who do know of him regard his efforts as plagiarism. Erika Haber demonstrates how the works of both Baum and Volkov evolved from being popular children's literature and became compelling and enduring cultural icons in both the US and USSR/Russia, despite being dismissed and ignored by critics, scholars, and librarians for many years.

Tales of Magic Land 2 Alexander Volkov,2009-04-01 This book contains the third and fourth novels in the Russian Oz-inspired Magic Land series. In The Seven Underground Kings, Ellie and her cousin Fred arrive by accident in the kingdom of the Underground Ore-Diggers at a time of crisis, and help put things right. In The Fiery God of the Marrans, villainous Urfin Jus, using an ordinary cigarette lighter, passes himself off as a god to the primitive Marran people, who do not even have fire, and makes them into a powerful military force to use to conquer the Emerald City.

The Wonderful Wizard of Oz Frank L. Baum,L. Frank Baum,2010-07-01 The Wonderful Wizard of Oz has been enchanting audiences since it was first published in 1900. While many fans may know the work only by its movie counterpart, the world L. Frank Baum built within the books is much more elaborate. Since the more recent publication of Gregory Maguire's Wicked: The Life and Times of the Wicked Witch of the West and the Broadway play of the same name, fans have had a rekindled interest in Baum's original

works from which the retellings draw heavily. Anyone interested in fantasy, magic, and silliness is sure to love this American classic. L. Frank Baum (1856-1919) is one of the most recognized and beloved children's authors, though he is often recognized for only one of his many stories. The Wonderful Wizard of Oz is easily his most popular work, though Baum actually wrote 13 sequels in Oz. His writings consist of practically every genre: Baum wrote 55 novels in total, 82 short stories, more than 200 poems, as well as scripts, and other miscellaneous writings. Interestingly, many of his non-Oz works were published under pseudonyms. Baum made many attempts to bring his work to stage and screen, but the most successful productions were not made until after his death.

The Spoken Arabic of Egypt John Selden Willmore, 1901

Sohrab and Rustum Matthew Arnold, 1896

Deathless Catherynne M. Valente, 2011-03-29 Koschei the Deathless is to Russian folklore what devils or wicked witches are to European culture: a menacing, evil figure; the villain of countless stories which have been passed on through story and text for generations. But Koschei has never before been seen through the eyes of Catherynne Valente, whose modernized and transformed take on the legend brings the action to modern times, spanning many of the great developments of Russian history in the twentieth century. Deathless, however, is no dry, historical tome: it lights up like fire as the young Marya Morevna transforms from a clever child of the revolution, to Koschei's beautiful bride, to his eventual undoing. Along the way there are Stalinist house elves, magical quests, secrecy and bureaucracy, and games of lust and power. All told, Deathless is a collision of magical history and actual history, of revolution and mythology, of love and death, which will bring Russian myth back to life in a stunning new incarnation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lion of Oz and the Badge of Courage Roger S. Baum, 2003 This adventure by the great-grandson of L. Frank Baum introduces the Cowardly Lion as a cub up until he meets Dorothy and the others on the Yellow Brick Road.

The Tribes and Castes of the North-western Provinces and Oudh William Crooke, 1896

American Dimestore Toy Soldiers and Figures Don Pielin, Norman Joplin, Verne Johnson, 2000 This is the first all-color book devoted to collecting the toy soldiers and figures that were sold in the Five-and-Dime stores. Over 650 photographs, showing in excess of three thousand toy figures, are arranged in thematic style and cover military and non-military toys. Complete with price guide, terminology, index, and over 60 manufacturers products. Thematic/category chapters make it easy for experienced and new collectors to easily locate figures.

The Big Book of Bible Questions Amy Parker, Doug Powell, 2020-03-03 The Big Book of Bible Questions addresses kids' toughest Bible questions with theologically sound answers in a way that is relatable and engaging. It's filled with fun facts, debunking of common misconceptions, and explanations of biblical and theological concepts--Publisher's marketing.

HOW TO WORK WITH COLORS ,

The Sorcerer from Atlantis Sergei Sukhinov, 2013-06-01 In this ninth installment of Sukhinov's spectacular Emerald City saga, Almar, crushed by the defeat suffered by the Magic Land forces in Book 7, makes a perilous excursion around the Underground Kingdom, seeking information and his enslaved father, and he makes a new ally. Meanwhile, Ellie and her friends make an idyllic trip of their own through another plane of existence and meet up with Torn himself.
