Hiroko Yoda, Matt Alt

**Yokai Attack!** Hiroko Yoda,Matt Alt,2013-07-30 **Yokai Attack!** is a nightmare-inducing one-stop guide to Japan's traditional monsters and creepy-crawlies. Yokai are ethereal sorts of beings, like ghosts, nearly always encountered at night; everyone has their own take on how they might look in real life and what sorts of specific characteristics and abilities they might have. This book is the result of long hours spent poring over data and descriptions from a variety of sources, including microfilms of eighteenth-century illustrations from the national Diet Library in Tokyo, in order to bring you detailed information on almost 50 of these amazing creatures for the first time in English. Illustrations, created by the talented Tatsuya Morino, detail the potential appearance of each yokai. Alongside each illustration is a series of data points, with each yokai's important features at a glance--especially handy for any potential close encounters. **Yokai Attack!** will surely convince you that Japan's tradition of fascinating monsters is a long one--yet far from being history. Book 1 of 3 in the **Yokai Attack!** series. Others include **Ninja Attack!** and **Yurei Attack!**.

Kitaro and The Great Tanuki War Shigeru Mizuki,2021-03-17 Kitaro faces off against a swamp monster, a paper screen come to life, and an army of mythical raccoon dogs Kitaro and the Great Tanuki War features adventures of Shigeru Mizuki's beloved yokai boy. In the epic title story, Kitaro battles the tanuki, a Japanese animal that features prominently in the country's yokai legends. The furry beasts draw on the power of the blood moon to awaken the monstrous catfish that lives in the depths of the Earth. The twisting of the catfish causes earthquakes that threaten to destroy all of Japan. With his yokai allies captured, Kitaro is the only one left who can take on the great tanuki and his army. Will he be up for the challenge? This volume contains two additional stories about traditional folklore monsters as seen through Mizuki's

whimsical and genre-defining lens. In “Mokumokuren,” Kitaro faces off against a paper screen come to life, while “The Obebenuma Yokai” introduces a grisly swamp creature. Kitaro and the Great Tanuki War showcase the golden age of Gegege no Kitaro series from the 1960s – and have never appeared in English before. D+Q’s Kitaro series celebrates Mizuki’s expert blend of folklore, comedy, and horror, sharing the all-ages stories that made Kitaro one of Japan’s most beloved characters. This kid-friendly edition also features a “History of Kitaro” essay by award-winning series translator and Mizuki scholar Zack Davisson. Translated from the Japanese by Zack Davisson.
