It is dedicated to private and corporate sponsorships that make the USO possible. Uo John E. Parnell,2017-11-03 We are not as alone as we think we are in the universe. Aliens are all around us. The problem is that humans don't want to accept aliens as friendly members of society. They feel the need to exterminate them before the aliens devise a plan to exterminate all humans. The aliens have studied human existence and discovered a way to live among us enough to create their new home under the sea. The antagonist is Peter McGurk captain of the military weaponry division. Dan wants all the aliens dead.
