**Project Delta Book 3** David T.

Chlebowski, 2008-03-28 The book talks about how Fleet Admiral Chlebowski continues his voyage in the 3rd book of the Project Delta series. At first he finds himself in trouble for certain trivial things. The book talks about what goes on fictionally from January 2380 to July 2381 in a journal format within the story line. The question is: Will he have to face responsibility for what he did, or will he become innocent onboard his starship and his starbase?

**Admirals of the World** William Stewart, 2014-11-26

This work provides biographies of more than 500 men and women who have served as admiral, vice admiral, or rear admiral. While officers from the U.S., British, French and Japanese navies make up the bulk of the work, officers from 22 countries, including Australia, Canada, Germany, India, Italy, the Netherlands, Russia, and Spain, are

also included. The main criterion for inclusion is that each person must have actively served in the rank of at least rear admiral, but not necessarily in enemy action. This effectively rules out people who were granted the rank on retirement, as a courtesy title or posthumously. The book also includes lists of admirals organized by nationality and by year of birth.

**US Navy Ships vs Japanese Attack Aircraft** Mark Stille, 2020-09-17 The striking power of the Imperial Japanese Navy's carrier-based attack aircraft was established at Pearl Harbor, and the IJN's carrier-based torpedo and dive-bombers showed their prowess again at the Battle of Coral Sea when they sank the US Navy carrier USS Lexington and damaged the carrier USS Yorktown. Even at the disastrous Battle of Midway, the relatively small number of IJNAF attack- and torpedo-bombers that were launched against the US fleet proved that they remained a potent force by heavily damaging Yorktown again, which allowed an IJN submarine to sink the carrier. At Guadalcanal, IJNAF carrier-based aircraft sank the carrier USS Hornet and badly damaged USS Enterprise twice. However, throughout 1942, US Navy ship defences brought down an increasing number of attacking IJNAF aircraft. The final major battle of the year, the Battle of Santa Cruz, exacted crippling losses on the IJN, setting the stage for the eclipse of the IJNAF's highly trained and effective aviation attack forces. Packed with illustrations and contemporary photographs, this engrossing volume details the design, tactics, and operational records of both the US Navy ships and

the IJNAF aircraft which attacked them over the year following Pearl Harbor.

**Attack on Pearl Harbor (Ranger in Time #12)** Kate Messner, 2020-07-21 I Survived meets The Puppy Place in this thrilling adventure novel as Ranger -- a time-traveling golden retriever -- races to the rescue on the day of the Pearl Harbor attack. Ranger travels back to 1941 Hawaii, where World War II is on everyone's minds. That includes Ben Hansen, a young sailor stationed at Pearl Harbor, and twins Paul and Grace Yamada who are making their weekly market trip when Japanese bombs begin to fall from the sky. As the surprise attack puts all of Ranger's new friends in danger, his search-and-rescue training kicks in to high gear. Can he help them survive against all odds?

Wade McClusky and the Battle of Midway David Rigby, 2019-05-30 During the Battle of Midway in June 1942, US Navy dive bomber pilot Wade McClusky proved himself to be one of the greatest pilots and combat leaders in American history, but his story has never been told – until now. It was Wade McClusky who remained calm when the Japanese fleet was not where it was expected to be. It was he who made the counterintuitive choice to then search to the north instead of to the south. It was also McClusky who took the calculated risk of continuing to search even though his bombers were low on fuel and may not have enough to make it back to the Enterprise. His ability to remain calm under enormous pressure played a huge role in the US Navy winning this decisive victory that turned the tide of war in the Pacific. This book is the story of exactly the right man being in exactly

the right place at exactly the right time. Wade McClusky was that man and this is his story.

**Battle of Midway, WWII Naval Battle in a Fly**  
Edgar Wollstone, Two warring nations, United States and Japan, both equally mighty and determined in its path to emerge as an invincible global power. Japan with its disciplined and constituted war gimmicks locks horn with the technologically advanced US. With the first ever radar system prototype installed, Battle of Midway inaugurates the opening of Pacific theatre in WW2. With Japanese captains of sinking war ships deciding to drown their pride and dignity in the teal waters of the Pacific, the tragic death of the three captured pilots in the hands of a callous Japanese admiral to the abysmal loss of lives and machinery in the wake of a naval battle, is nothing short of a tumultuous ride, akin to a fictional movie. The battle of midway is as much a story of generals of competing nations as is that of combating aircraft carriers; Yorktown, Enterprise and Hornet in the US and Hiryo, Soryu and Akagi in the Japanese side. Go through this book to have a brief journey this ferocious battle of WWII. The tactics, techniques and aftermaths of this combat have unveiled here.

**History Smashers: Pearl Harbor** Kate Messner, 2021-01-05 Myths! Lies! Secrets! Uncover the hidden truth behind the infamous Pearl Harbor attack with beloved educator/author Kate Messner. The fun mix of sidebars, illustrations, photos, and graphic panels make this perfect for fans of I Survived! and Nathan Hale's Hazardous Tales. On December 7, 1941, the Japanese launched a

completely unpredictable attack on the U.S. Navy base at Pearl Harbor, Hawaii. Right? Well, that's not quite the real deal. Some military experts had suggested that Pearl Harbor was a likely target. There were other warning signs, too, but nobody paid much attention. From the first wave of the Japanese bombers to the United States' internment of thousands of Japanese Americans, acclaimed author Kate Messner smashes history by exploring the little-known truths behind the story of Pearl Harbor and its aftermath. **Tidal Wave** Thomas McKelvey Cleaver, 2018-05-31  
Now publishing in paperback, this is a vivid narrative history of the final stages of the Pacific War, as the US Navy began to slowly approach the Japanese Home Islands against fearsome opposition, notably from the suicidal Japanese airmen: the kamikaze. The United States Navy won such overwhelming victories in 1944 that, had the navy faced a different enemy, the war would have been over at the conclusion of the Battle of Leyte Gulf. However, in the moment of victory on 25 October 1944, the US Navy found itself confronting a frightening enemy that had been unimaginable until it appeared. The kamikaze, 'divine wind' in Japanese, was something Americans were totally unprepared for – a shocking violation of every belief held in the West. The attacks were terrifying. Regardless of the damage inflicted on an attacking aeroplane, there was no certainty of safety aboard the ship until that aeroplane was

completely destroyed, as the crew of the USS St. Lo tragically learned. From best-selling author Thomas McKelvey Cleaver, *Tidal Wave* combines expert research and first-person accounts to tell the story of the naval campaigns in the Pacific from Leyte Gulf to the end of the war – a period in which the US Navy would fight harder for survival than ever before.

*Greatest Battles of WWII [5 Books in 1] - Epic Battles That Changed History* Edgar Wollstone, Hitler, who was responsible for the execution of a million Jews, finally kills himself by pulling a pistol at his head, an ignoble death for a tyrannical leader. When Germany attacked Poland, it pushed the warring nations to another brutal war and thrust the world into a vortex of chaotic bloodshed. The Soviet changed sides, pledging allegiance first to Germany and then to the Allies. When Pearl Harbor is attacked, the United States of America is finally drawn into the war reopening the Pacific theatre in all grandiose in the dramatic Battle of Atlantic. Japan's island Okinawa becomes a bone of contention and Allied powers engage in leapfrogging to reach and invade mainland Japan, but they face stout defense. While Japan and Allies lock horns in the decisive Battle of Okinawa and Battle of Midway and D-Day finally seals victory for the Allied powers, Stalin and Hitler fight each other in the prestigious Battle of Stalingrad. Did Hitler award his country's highest Medal of Honor to a British spy? What is the story of deception that Allied powers invent

to ensnare Hitler? How did the Okinawans resist when their island was the battleground for two mighty powers? How did the once-magnificent Stalingrad city become a rubble-strewn city of ghosts? How did the serene beaches of Omaha earn the moniker 'deadly Omaha'? Read this book that tells the story of commanders, soldiers, and civilians that resisted and fought the five deadliest battles of World War Two.

**Yamamoto Isoroku** Mark Stille, 2012-06-20 Admiral Yamamoto Isoroku was the defining Japanese naval commander of World War II. Yamamoto's career in the Imperial Japanese Navy started in the early years of the 20th century and he saw service in the Russo-Japanese War, being wounded in the battle of Tsushima in 1904. He went on to study at Harvard University and serve as a naval attaché in the inter-war years, an experience that was to give him a unique insight into the American psyche. Despite the success of his daring pre-emptive strike on Pearl Harbor in 1941, that damaged the US Pacific Fleet and ushered in the Pacific War, Yamamoto's subsequent handling of the Japanese combined fleet can be called into question. The final campaign commanded by Yamamoto was that around Guadalcanal, where Yamamoto's myth of excellence will be totally laid bare. Despite a considerable numerical advantage over the Americans, Yamamoto never brought this advantage to bear. The result was a devastating defeat for the Imperial Japanese Navy and, eventually, the death of Yamamoto himself.
