**Valor** Dan Hampton, 2022-05-03 Valor is the magnificent story of a genuine American hero who survived the fall of the Philippines and brutal captivity under the Japanese, from New York Times bestselling author Dan Hampton. Lieutenant William Frederick "Bill" Harris was 25 years old when captured by Japanese forces during the Battle of Corregidor in May 1942. This son of a decorated Marine general escaped from hell on earth by swimming eight hours through a shark-infested bay; but his harrowing ordeal had just begun. Shipwrecked on the southern coast of the Philippines, he was sheltered by a Filipino aristocrat, engaged in guerilla fighting, and eventually set off through hostile waters to China. After 29 days of misadventures and violent storms, Harris and his crew limped into a friendly fishing village in the southern Philippines. Evading and fighting for months, he embarked on another agonizing voyage to Australia, but was betrayed by treacherous islanders and handed over to the Japanese. Held for two years in the notorious Ofuna prisoner-of-war camp outside Yokohama, Harris was continuously starved, tortured, and beaten, but he never surrendered. Teaching himself Japanese, he eavesdropped on the guards and created secret codes to communicate with fellow prisoners. After liberation on August 30, 1945, Bill represented American Marine POWs during the Japanese surrender in Tokyo Bay before joining his father and flying to a home he had not seen in four years. Valor is a riveting new look at the Pacific War. Through military documents, personal photos, and an unpublished memoir provided by his daughter, Harris' experiences are dramatically revealed through his own words in the expert hands of bestselling author and retired fighter pilot Dan Hampton. This is the stunning and captivating true story of an American hero.

*Road to Valour* Aili McConnon, Andres McConnon, 2013-06-20 An Italian SCHINDLER'S LIST, this is the inspirational story of Gino Bartali, who made the greatest comeback in Tour de France history and secretly aided the Italian Resistance during the Second World War. ROAD TO VALOUR is the inspiring, against-the-odds story of Gino Bartali, the cyclist who made the greatest comeback in Tour de France history and still holds the record for the longest gap between victories. Yet it was his actions during the Second World War, when he secretly aided the Resistance, rather than his remarkable exploits on a bike, that truly cemented his place in the hearts and minds of the Italian people. Based on nearly ten years of research, and including fascinating new interviews, this is the only book written that fully explores the scope of Bartali's wartime work. A breathtaking account of one man's unsung heroism and his resilience in the face of adversity, this is an epic tale of courage, comeback and redemption, and the untold story of one of the greatest athletes of the twentieth century.

**The Better Part of Valor** Tanya Huff, 2022-07-29 From bestselling author Tanya Huff comes a new novel in the Confederation series of military science fiction, blending action, intrigue, courage, and humor with more twists than a trip through Susumi space... Even if she was saving the Confederation at the time, Staff Sergeant Torin Kerr is aware that questioning a general’s parentage to his face was not a strategic career move. But she never imagined it would land her as senior NCO on a top-secret recon mission practically

guaranteed to go sideways. The target is an unidentified alien ship the size of a station, floating dead in space. Most of her intel comes from a civilian salvage operator who's bargained his way onto her landing party while making it clear he won't be taking any orders. Best of all, the mission's commanding officer is a politically connected captain so heroic his troops tend to end up dead. But as soon as Torin and her Marines set foot on the strange vessel, the rules change. This ship isn't empty. Communications are down. And if they can't get back to tell the Confederation what they've found out, all of the known galaxy is going to learn about it the hard way...

*Valor's Choice* Tanya Huff, 2022-07-29 Tanya Huff-acclaimed author of the Blood Series-begins her celebrated Confederation series that will launch readers into a future where Humans are not the most evolved species... Good thing they can take orders. Brought into the multi-species Confederation, Humans earn their place along the Taykan and the Krai by acting as military guardians of the Elder Races, who have risen above societal aggression and violence. When Staff Sergeant Torin Kerr and her platoon are dragged from some well-deserved R&R to play honor guard for a diplomatic mission to the non-Confederation planet of the Silsviss, Torin suspects that something is about to go wrong. You don't make staff sergeant in the CMC without a well-developed sense of paranoia. Justified paranoia when word reaches them that the enemy has been spotted in this sector of space. The diplomatic mission becomes a race to recruit the Silsviss into the Confederation before the enemy returns, claims the reptilian warriors as their own, and turns them loose on the Confederation. One battle-weary platoon has to step up to stop the slaughter.

Beyond Valor Jon Erwin, William Doyle, 2020-08-18 On April 12, 1945, a fleet of American B-29 bombers flew toward Japan. Their mission was simple: Stop World War II by burning the cities, factories, and military bases of the Japanese empire, thereby forcing an unconditional surrender. But it didn't go as planned. Beyond Valor is one soldier's extraordinary tale of bravery, faith, and devotion. Onboard one of the B-29s, the City of Los Angeles, a phosphorus bomb detonated inside the plane. Staff Sergeant Henry E. Red Erwin absorbed the blast of burning phosphorus and managed to throw the still-flaming bomb overboard before collapsing from the third-degree burns that covered his body. Breaking protocol, the plane diverted to a military

hospital at Iwo Jima. President Truman quickly ordered that Erwin be awarded the Medal of Honor, the highest honor of the American military. Drawn from in-depth interviews with eyewitnesses and deep archival research, *Beyond Valor* tells the gripping story of Erwin's life--from his upbringing in the suburbs of Birmingham, Alabama to his enduring commitment to supporting veterans. *Beyond Valor* gives you a front-row seat to Erwin's amazing life and legacy. Along the way, you'll learn: How Erwin's childhood in Birmingham shaped his faith and his family How a split-second decision changed the course of his life The countless ways that Erwin chose to give back to his fellow veterans after he returned home *Beyond Valor* is about more than that fateful day in April 1945. It's a story of one man's journey from the ultimate despair to a place beyond service, beyond honor, and beyond valor: a life illuminated by the light of God's love.

**Key of Valor** Nora Roberts, 2015-12-08 Zoe is about to discover her true courageous spirit. She must find the key of valor--on the last of three dangerous quests that will force her to confront her darkest fears ... or suffer immeasurable loss.

*Valor's Trial* Tanya Huff, 2009-06-02 The fourth book in Tanya Huff's action-packed military sci-fi adventure Confederation series After surviving the perils of the Crucible, the Marine Corps planet where a routine training assignment had taken a deadly twist--Gunnery Sergeant Torin Kerr returned to Ventris Station just in time to link up with her old platoon and head out to a new war zone, an area of space where the enemy known as the Others appeared to be building up its forces for a preemptive strike. Sent to pull back troops who'd moved up to an indefensible position, Torin was caught in the heaviest fighting just as a devastating air strike reduced the whole area to

slag. The Corps concluded that she was dead. But despite irrefutable evidence, neither Torin's father nor salvager Craig Ryder agreed. And the truth was that Torin had survived. She woke to discover that she was trapped in a series of underground caves that appeared to be an enemy-run POW camp. But everyone knew the Others never took prisoners—or did they? Could Gunnery Sergeant Torin Kerr escape this prison that shouldn't even exist, taking as many Marines as possible with her? Though she was determined to get herself and her Marines back to the Confederation, Torin had no idea how crucial her attempt could prove, not only to her own well-being, but to the course of the entire war.

**Unknown Valor** Martha MacCallum, Ronald J. Drez, 2020-02-25 NEW YORK TIMES BESTSELLER. In honor of the 75th Anniversary of one of the most critical battles of World War II, the popular primetime Fox News anchor of The Story with Martha MacCallum pays tribute to the heroic men who sacrificed everything at Iwo Jima to defeat the Armed Forces of Emperor Hirohito—among them, a member of her own family, Harry Gray. Admiral Chester Nimitz spoke of the “uncommon valor” of the men who fought on Iwo Jima, one of the bloodiest and most brutal battles of World War II. In thirty-six grueling days, nearly 7,000 Marines were killed and 22,000 were wounded. Martha MacCallum takes us from Pearl Harbor to Iwo Jima through the lives of these men of valor, among them Harry Gray, a member of her own family. In *Unknown Valor*, she weaves their stories—from Boston, Massachusetts, to Gulfport, Mississippi, as told through letters and recollections—into the larger history of what American military leaders rightly saw as an eventual showdown in the Pacific with Japan. In a relentless push through the jungles of Guadalcanal, over the coral reefs of Tarawa, past the bloody ridge of Peleliu, against the banzai

charges of Guam, and to the cliffs of Saipan, these men were on a path that ultimately led to the black sands of Iwo Jima, the doorstep of the Japanese Empire. Meticulously researched, heart-wrenching, and illuminating, *Unknown Valor* reveals the sacrifices of ordinary Marines who saved the world from tyranny and left indelible marks on those back home who loved them.

**Sons of Valor II: Violence of Action** Brian Andrews, Jeffrey Wilson, 2022-06-07 They train to be the toughest, the smartest, the most

covert operators in the world—they are the Tier One Navy SEALs, led by Lieutenant Commander Keith “Chunk” Redman. When a former teammate of Chunk’s is killed in a shocking ambush, rumors begin to fly that the Lion of Ramadi, the infamous Iraq War sniper who racked up dozens of American kills, has returned with a mission to target American SEALs. Chunk and his core team—Saw, a skilled and lethal sniper; Riker, who has an uncanny ability to escape death; and Whitney Watts, a former CIA analyst who sees patterns everyone else seems to miss—are mobilized to prosecute the threat. But this is no ordinary counterattack, because someone posts the details of the hit all over social media, taunting the American SEALs. Worse, the enemy seems prepared to counter all the Tier One’s moves, a dangerous new stage in the war on terror and a troubling sign that whoever is behind the attack is planning something bigger. Fearing they may have been duped into chasing the wrong target, Chunk and his team embark on a high-stakes cat-and-mouse mission where nothing—and no one—is what they expect. And when their enemy finds a way to strike at the heart of what’s nearest and dearest to them, it will test not only their bonds but also the personal sacrifices they’ve made to keep America safe.

**Immortal Valor** Robert Child, 2022-01-06 The remarkable story of the seven African American soldiers ultimately awarded the World War II Medal of Honor, and the 50-year campaign to deny them their recognition. In 1945, when Congress began reviewing the record of the most conspicuous acts of courage by American soldiers during World War II, they recommended awarding the Medal of Honor to 432 recipients. Despite the fact that more than one million African-Americans served, not a single black soldier received the Medal of Honor. The omission remained on the record for over four decades. But recent

historical investigations have brought to light some of the extraordinary acts of valor performed by black soldiers during the war. Men like Vernon Baker, who single-handedly eliminated three enemy machineguns, an observation post, and a German dugout. Or Sergeant Reuben Rivers, who spearhead his tank unit's advance against fierce German resistance for three days despite being grievously wounded. Meanwhile Lieutenant Charles Thomas led his platoon to capture a strategically vital village on the Siegfried Line in 1944 despite losing half his men and suffering a number of wounds himself. Ultimately, in 1993 a US Army commission determined that seven men, including Baker, Rivers and Thomas, had been denied the Army's highest award simply due to racial discrimination. In 1997, more than 50 years after the war, President Clinton finally awarded the Medal of Honor to these seven heroes, sadly all but one of them posthumously. These are their stories.
