The Vampire Killers Clifford L.

Linedecker, 2010-04-01 When eighteen-year-old Jennifer Wendorf returned home one evening, she was witness to the most horrific scene she would ever set eyes upon: her own parents' brutally bludgeoned bodies. It was later discovered that both Richard and Naoma Wendorf each received over twenty ferocious blows to the head. As this atrocious crime came to light, so too did many troubling questions: Who, in a quiet Florida town, could harbor such hatred toward the genial couple? Where was the Wendorfs' troubled fifteen-year-old daughter, Heather? And could this ungodly murder be connected to Heather's friends, a bizarre group of teens who were obsessed with blood drinking and other vampire rituals? Read with fascination as police track down the renegade teens, extract their startling confessions, and watch as bestselling author Clifford Linedecker uncovers the twisted tale in a true-crime case as shocking as any fiction...

*The Dracula Killer* Ray Biondi, Walt Hecox, 1992

The true story of California's serial killer, Richard Chase, and the all-out effort to stop him by the detective who led the hunt. The investigation is covered in detail, including eyewitness accounts and material evidence, leading to the crucial factor that finally turned the case around.

**Eternal Hunger** Cameron Dean, 2006 When Las Vegas vampire killer Candace Steele is attacked by a member of the Board, an ancient, sinister, and powerful vampire sect seeking revenge against Ash,

the only way she can save her life is to become a vampire herself, but she soon discovers that her lust for blood and for Ash's embrace threatens to drag her ever deeper into his seductive dark world. Original.

*The New York City Vampire Murders* Glen C. Carrington, 2016-05-27 The novel is about the series of eerie and bizarre homicides discovered in New York City where the police find corpses where the blood has been sucked out of the bodies through two neck bite marks suggesting a vampire attack. With six bodies discovered in six months, was this the work of a supernatural being running around the historic and irreplaceable Americas largest metropolitan super city The Big Apple or someone or something trying to make it look like a vampire attack? After six months, the New York City Mayor decides to bring in more professional help to aide his Investigations Unit in solving these heinous crimes. For the last six months, the Mayor has successfully suppressed these horrific criminalities from the public, but his time is running out and once this knowledge hits the public airwaves the City will go into panic mode; his job will be at stake. The good citizens want safety and will direct their anger and angst at those elected to protect them and he would be the recipient of their tirade. The Mayor finally decides to bring in Detective William Monroe Lincoln, a retired detective with high profile case experience. The New York City Investigations Unit is against bringing in outside help but they have no choice due to the dire circumstances of sitting on an explosive story with so many bodies

that have died in such a unique and disturbing manner. They too know that time is running out in trying to keep these crimes hidden from the public. If the top City Administrator is voted out of office the top Police Department administrators are also vulnerable to job security. The various characters and bizarre circumstances of the murders reveals very few clues to help reveal the perpetrator of this evil. With no help in sight, suddenly there is a telephone call by an individual saying hes the Vampire Killer, but this individual is suffering from severe dementia and barely knows who he is. Is he a real clue or just another irrelevant piece of information designed to mislead and confuse the authorities. Detective Lincoln must use his formidable analytical skills to search for the human killer or a vampire running around undetected in the nations largest City. He will meet The Amazing Crystal, a psychic also coming out of retirement to help the City solve the crime. Her insights and suggestions from her psychic connections are general in nature but also amazingly accurate. Is she for real? The police also discover the same strands of hair at two of the murder sites. Is this person the murderer or is it another false lead?

A Thirst for Blood Ray Biondi,Walt Hecox,2017-11-07 The “fast-paced” inside story of the manhunt for bloodsucking serial killer Richard Chase (Publishers Weekly). Written by the case’s lead homicide detective, this gripping true crime account details the killing spree of one of California’s most gruesome murderers: Richard Chase, aka “the Vampire of Sacramento.” In January

1978, Sacramento police found the corpse of Teresa Wallin, a loving wife and soon-to-be mother. Veteran detective Lt. Ray Biondi immediately knew the case would be unlike anything he had ever seen before. The victim's body was deliberately disfigured in nightmarish ways, and evidence suggested the culprit had collected large volumes of her blood. In less than a month, a two-year-old boy was missing, and two men, another woman, and a five-year-old child dead, their bodies contorted, like Wallin's, to fulfill the killer's demented sexual desires, and—most disturbingly—his taste for human blood. Previously published as *The Dracula Killer*, *A Thirst for Blood* is a riveting report of the investigation, from eyewitness testimonies to the discovery of the crime scenes to Chase's interrogation. Lieutenant Biondi and his coauthor, Walt Hecox, provide an unflinching look at the "vampire killer" and the cunning police work that finally put an end to his reign of terror. The inspiration for Investigation Discovery's *Lore: Deadly Obsession* and episodes of *CSI* and *Criminal Minds*, Chase's crimes continue to haunt the world generations later.

*Passionate Thirst* Cameron Dean, 2006 In the first of a trilogy of supernatural romance novels featuring vampire killer Candace Steele, Candace is working undercover in a Las Vegas casino as she stalks Sin City's undead, when she assigned to a security detail for popular singer Temptation McCoy, a job that is complicated by the return of her former lover, seductive vampire Ash. Original.

**Crimson Vengeance** Sheri Lewis Wohl, 2011-04-01 Love, desire, and secrets—A trail littered with

murder and the choice one vampire will have to make that will seal her fate or set her free... Spokane County Medical Examiner Riah Preston has a job to do and a secret to keep. Riah is a vampire and she's on a mission to discover a cure for the very thing that has kept her a prisoner of darkness for over five hundred years. With the help of Moses Lake Coroner Ivy Hernandez and genetic scientist Adriana James, they are on the verge of a breakthrough. When victims of a rogue vampire begin to show up along the I-90 corridor, things get complicated. The appearance of vampire hunter Colin Jamison complicates the situation even further. Will they be strong enough to stop this vampire killer cutting a wide path of death and destruction? Or will the secrets Riah holds in her heart destroy them all?

The Vampire Killer Ron Hicks, 2009 When police found the body of Edward Baldock by the shores of the Brisbane River, he had been so savagely murdered his head was nearly severed. And there were strange marks on his neck. There seemed no reason for this horrific crime, but as they searched the scene the police found a bank keycard tucked neatly into the victim's shoe. The card was soon identified as belonging to Tracey Avril Wigginton. In one of the most sensational and bizarre cases in Australia's criminal history, Tracey Wigginton's three female companions that night told the police that Baldock was killed 'to feed Tracey's blood-lust' because she was a 'vampire'. Was Tracey Wigginton the first vampire for over 300 years? Or was there a deeper, darker reason for her crime? Why was it that during

police interviews it was clear that one part of Tracey knew what happened but another didn't? The Vampire Killer unravels the tragic and at times horrifying true story of Tracey Wigginton and her desperate cry for help.

**Vampire Killer** Ryan Green, 2020-09-21 On 23 January 1978, David Wallin returned to an unlit home. His pregnant wife, Teresa (22), was nowhere to be seen. The radio was still playing and there were some peculiar stains on the carpet. Wallin nervously followed the stains to his bedroom and encountered a scene so chilling that it would haunt him for the rest of his life. Teresa had been sexually assaulted and mutilated. She was also missing body parts and large volumes of blood. Four days later, the Sacramento Police Department were called to a home approximately a mile away from the Wallin residence. They were not prepared for the horror that awaited them. Daniel Meredith (56) and Jason Miroth (6) were shot multiple times. Evelyn Miroth (38) was disfigured, disembowelled and abused like Teresa. She was also missing body parts and large quantities of blood. David Ferreira (2), who Evelyn was babysitting, was nowhere to be seen and likely in the hands of the deranged mass murderer. It was official, Sacramento had a blood-thirsty serial killer in their midst. The FBI and local police were under no doubt that he would kill again and that his crimes would continue to escalate if not apprehended immediately. Vampire Killer is a gripping account of Richard Chase, and one of the most gruesome true crime stories in California's history. Ryan Green's riveting narrative draws the

reader into the real-live horror experienced by the victims and has all the elements of a classic thriller. CAUTION: This book contains descriptive accounts of abuse and violence. If you are especially sensitive to this material, it might be advisable not to read any further.

The Dracula Killer Ray Biondi, Walt Hecox, 2005-09  
It began with a random killing. Then came the murder where a dark trail of blood led from the front door to the victim's bedroom. For this killer, death was only the first step. Here was someone who had to desecrate the bodies of his victims, someone who would surely keep slaughtering until he was stopped. California's most monstrous case of serial killing had begun. Soon 5 people were dead and a 2-year-old boy was missing. As told by Lt. Ray Biondi, the homicide detective who led the investigation, here is the true story of murderer Richard Chase and the all-out effort to stop him. Here is what it was like to match wits with a psychotic killer -- a man so depraved he drank his victim's blood....

Abraham Lincoln: Vampire Hunter Seth Grahame-Smith, 2010-03-02 Indiana, 1818. Moonlight falls through the dense woods that surround a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. She's been stricken with something the old-timers call Milk Sickness. My baby boy... she whispers before dying. Only later will the grieving Abe learn that his mother's fatal affliction was actually the work of a vampire. When the truth becomes known to young Lincoln, he writes in his journal, henceforth my life shall be one of rigorous study and devotion. I shall become a master of mind and

body. And this mastery shall have but one purpose... Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House. While Abraham Lincoln is widely lauded for saving a Union and freeing millions of slaves, his valiant fight against the forces of the undead has remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon The Secret Journal of Abraham Lincoln, and became the first living person to lay eyes on it in more than 140 years. Using the journal as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough, Seth has reconstructed the true life story of our greatest president for the first time—all while revealing the hidden history behind the Civil War and uncovering the role vampires played in the birth, growth, and near-death of our nation.

**Buffy the Vampire Slayer Season 8 Volume 4: Time of Your Life** Joss Whedon, Various, 2009-05-05 Willow and Buffy head to New York City to unlock the secrets of Buffy's mysterious scythe, when something goes terribly awry. Buffy is propelled into a dystopian future where there's only one Slayer – Fray, the title character of Joss Whedon's 2001 series, the first comic he ever wrote. Their uneasy alliance falls apart, leading to the death of a major character from the TV series, while back in the twenty-first century, the Scotland base falls prey to a mystical bomb courtesy of the Biggest Bad-Twilight. \* The first two volumes of Buffy Season Eight have combined to

sell over 160,000 copies! \* Includes the highly anticipated Buffy/Fray crossover, Time of Your Life, and After These Messages... We'll Be Right Back, written by Jeph Loeb (Batman: The Long Halloween)! \* Joss Whedon, the man, the myth, the legend, writes the comic with the same genius as he did the show. The art, penciled by Georges Jeanty, is as faboo as the writing. -Janet Evanovich, New York Times best-selling author of Hard Eight \* The dialogue is Whedonesque and I can hear how the actors would read there lines. It's fun and witty and we're treated to more fantastical stories than the WB/UPN could ever pony up the money to do. -Comic Book Resources \* A New York Times bestseller!

**Hit List** Laurell K. Hamilton, 2012-05-29 The adventures of U.S. Marshal and vampire hunter Anita Blake continue when word is leaked to her that hit men are headed to St. Louis and that she, Jean-Claude, and Richard are targets.

The Killing Dance Laurell K. Hamilton, 2010-02-04 'These days my life is a cross between a

preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one...
