Diane A. S. Stuckart

The Queen's Gambit Diane A. S. Stuckart, 2008-01-02 "A welcome way to spend an adventurous time in Renaissance Italy."—Margaret Frazer As Court Engineer to the Duke of Milan, Leonardo DaVinci turns his superior mind to a variety of pursuits—from advances in painting to the invention of war machines. And with his favorite apprentice Dino to aid him, his keen intellect is perfect for sleuthing. . . . 1483. Milan, province of Lombardy. On a royal whim, Ludovico Sforza, the Duke of Milan, orders a living chess game to be enacted by members of his court. DaVinci conjures the spectacle in a single night, but his latest success turns bitter when one of the "pieces" is murdered. With even the Duke's closest advisors suspect to treachery, DaVinci is the only man Sforza can trust to conduct the investigation. With his scrupulous eye for detail, DaVinci uncovers a vile nest of secrets—and danger—but the most surprising secret of all may be the true identity of his most talented, most trusted apprentice. . . . "Impressive . . . Vivid."—Publishers Weekly (starred review) "Readers can expect plenty of intrigue and danger in this refreshing new series."—Mystery Scene Magazine

Stolen Nights Rebecca Maizel, 2013-01-29 After discovering that she is a centuries-old vampire queen, teenaged Lenah faces a heartbreaking choice as a vicious new vampire queen arrives to wreak havoc among Wickham Boarding School's students and staff.

Court of the Vampire Queen Katee Robert, 2024 Court of the Vampire Queen is a dark and incredibly spicy book that contains dubious consent, blood play, patricide, pregnancy, blood, gore, murder, explicit sex, vomiting (caused by pregnancy), discussions about abortion, abusive parent (father, historical, off-page), attempted sexual assault (alluded to, nongraphic), and attempted drugging. --

Infinite Days Rebecca Maizel, 2010-08-03 The first in the delicious new Vampire Queen YA series, a tale that rewrites the rules of blood-sucking eternity I never expected to be sixteen again...then again, I never expected my past to come back and haunt me . . . After centuries of terrorizing Europe as the world's most powerful vampire queen, Lenah is finally able to realize the dream all vampires have -- to be human again. After performing a dangerous ritual to restore her humanity, Lenah entered a century-long hibernation, leaving behind the wicked coven she ruled over and the eternal love, Rhode, who sacrificed himself in the ritual to grant her deepest wish. But when Lenah draws her first natural breath in centuries at Wickham Boarding School in Lover's Bay, Massachusetts, she rediscovers a human life that bears little resemblance to the one she had known. As if suddenly waking up a teenager isn't hard enough, she has to dress herself appropriately, go to class, and be gawked at as the beautiful new girl, all while learning her new human senses and weaknesses -- and trying not to fall in love with Justin, the most popular guy in school. And right when she thinks she has the hang of it, the worst happens: Her old life collides violently with her new one, making Lenah realize how attached she's become to her humanity. How can she choose between protecting her new friends and honoring her past?

"Infinite Days is a wonderfully sexy, dark novel full of lush prose. Rebecca Maizel is a marvel, writing more than just a story, she creates myth with every page." —Carrie Jones, author of New York Times bestselling series, NEED

The Reluctant Vampire Queen Bites Back (The Reluctant Vampire Queen 2) Jo Simmons, 2023-07-13 The perfect lighthearted summer read for 11 - 14 year olds Meet Mo Merrydrew - independent young woman, Mini Battenberg fan, president of the debating society - and reluctant vampire queen ... Mo Merrydrew, fifteen-year-old Vampire Queen of Great Britain, has found a way to have her cake and eat it (and that'll be a mini Battenberg, please). Becoming Vampire Queen wasn't the easiest of decisions, but she's settling into it quite

happily, now that she has dreamy familiar Luca by her side and she doesn't actually have to bite any humans. She now just has the ... er ... teeny-tiny task of finding a way to get all the vampires in the land to swear allegiance to her, and save them from the vampire hunters who are rapidly picking them off. Easy-peasy, eh? Throw in gorgeous Vanya, sent by the Vampire King of the East to keep an eye on Mo, unruly vampires hellbent on causing havoc and a dad with a dark secret, and that cake of Mo's starts to look distinctly less appetising ... Geek Girl meets Buffy in a brilliantly funny new teen series from bestselling author Jo Simmons

The Vampire Council assigns her to Evan, a vampire whose wandering lifestyle makes him the perfect guardian... Alanna's training was for a vampire of power and ambition, not for someone like Evan who lives in mountainside shacks and caves. Even his servant, Niall, is rough mannered. Then the Council captures her Master, and Alanna has no choice but to accept her destiny. But Evan and Niall are no strangers to defying fate—and they will stop at nothing to make Alanna theirs forever...

Beloved Vampire Joey W. Hill, 2019-01-21 An oath of the flesh, honored in blood, till the day they die; Mason has lived in the Sahara desert for almost 300 years, grieving for a lost love and guarding her tomb. When the tomb is breached, his bloodlust is stirred to raging by the thought of someone disturbing her sanctuary. What he finds is Jessica, a fugitive from his own world. Jessica was the forced second-mark servant of a cruel vampire master. Through an unexpected turn of events, she was able to kill him when he tried to give her the final mark, which would have made her his full servant, bound to him even in death. Because the third marking was not complete, it left her alive; barely. Drawn by the historic legend of the tomb, not knowing how it intertwines with the vampire world she is seeking to avoid, Jessica's only desire is to die there, with her hand on the sarcophagus of the woman who'd had an unyielding faith in love. Instead, she finds her desire to live forcibly re-awakened by the vampire who refuses to let her give up. She clings to her hatred, but the more Mason struggles with her, the more determined he is to help her believe in love again. The only catch is he might have to do the same. But can he offer up his heart to another extraordinary woman if he already gave it away centuries ago?

But determination can't take her very far when she won't even kill a deer for its blood. Not to mention she's not as subservient to her master--the Prince of Vampires--as she should be. Despite him being a dead hot guy, and powerful enough to have broken free of the Queen's influence. Little does she know that the Queen of Vampires

wants her Prince back, and Tandi's about to get caught in the middle. Just as well the Prince is unusually protective of her, even if she is trying to hide her developing feelings for him. Because when they're invited to a wedding, and the Queen will plan Tandi's death there. And the crown-wearing vamp has several ways to do it. But Tandi is full of surprises herself. The Vampire Queen is the third book in the Urban/Paranormal Wheel of Crowns series by Brandi Elledge. With the same quirky humour and sass as the first two books in the series, you'll laugh as you're glued to the pages until the very end.

Vampire's Embrace Joey W. Hill, 2018-11-09 Nina's twin sister Sher has been groomed to be an Inherited Servant since she was six years old. At twenty-eight, she will be given to a vampire of the Council's choosing and serve him up to 300 years. While Sher insists that Nina is no less service-oriented than herself, Nina does not see any correlation between her own desire to pursue a career as a nurse and her sister's to be the slave of a blue-blooded vampire, where she is allowed no will or dreams of her own. It's 1941 and Nina signs up to serve with the Australian Army Nurses Service in Singapore. What happens to her when the city falls to the Japanese will shatter Nina all the way to the soul. But fate seems determined to give her more than she can bear. When her sister dies in a car crash, Nina is informed that she must take her place as an InhServ. She will be given to Lord Alistair, a vampire who sees Nina as his property, to do with as he pleases. Even as she rages against her fate, she is baffled at Alistair's insistence on having her as his servant. Especially when the Council offers the Queensland Region Master the option of another InhServ with all the proper training to support his political needs. But that's not the most confusing thing about her new Master. The ways in which he commands her surrender to him leads her to a terrifyingly different understanding of her will and her dreams. By binding herself to him, can she become whole again, but in a way she never expected?
