**Authentic** Paul Van Doren, 2021-04-27 In the tradition of bestsellers such as *Shoe Dog*, *Authentic* is a surprisingly candid, compelling memoir by a high school dropout who went on to establish one of the world's most iconic brands. You may not have known their creator, but you certainly know the shoes: for more than four generations, Vans shoes have been synonymous with cool. Now in *Authentic*, a memoir written by Paul Van Doren and published just before his May 2021 death, the charismatic founder of Vans shares his story of heading West and capturing the American dream. *Authentic* is a celebration of Van Doren's remarkable life and the iconic brand he built, beloved by skateboarders, creatives, and fans everywhere for its laid-back, colorful SoCal vibe, and famous for its people-oriented company culture. In *Authentic*, he shares his unlikely journey from high-school dropout to sneaker-industry legend. A blue-collar kid with no higher education and zero retail experience, Van Doren started out as a 16-year-old service boy at a local rubber factory. Over the next few decades, he leveraged a knack for numbers, a genius for efficiency, and the know-how to make a great canvas tennis shoe into an all-American success story. What began as a family shoe business has today evolved into a globally recognized brand with billions of dollars of annual revenue. Van Doren is not just an entrepreneur, he's an innovator. In 1966, when the first House of Vans store opened, there were no stand-alone retail stores just for sneakers. Paul's bold experiments

in product design, distribution, and marketing (Why not sell custom shoes? Single shoes?), aided by legions of fans – skateboarders, surfers, even Sean Penn wearing Vans' famous checkerboard slip-on shoe in the film *Fast Times at Ridgemont High* – made Vans a household name. But there was also back-breaking work, a shocking bankruptcy, family turmoil, and a profound shift in how customers think about athletic shoes. The book details Van Doren's personal life, but also hard-won business lessons learned over six turbulent decades in the shoe trade: the importance of deep-rooted values, of improvisation, of vision (and revision), and above all, of valuing people over profits. Authentic is Paul Van Doren's written legacy and his lessons for the innovators of tomorrow. Bracingly forthright and totally entertaining, Authentic is a business memoir by an American original.

**The Clothes They Stood Up In and The Lady and the Van** Alan Bennett,2002-11-01 From Alan Bennett, the author of *The Madness of King George*, come two stories about the strange nature of possessions...or the lack of them. In the nationally bestselling novel *The Clothes They Stood Up In*, the staid Ransomes return from the opera to find their Regent's Park flat stripped bare--right down to the toilet-paper roll. Free of all their earthly belongings, the couple faces a perplexing question: Who are they without the things they've spent a lifetime accumulating? Suddenly a world of unlimited, frightening possibility opens up before them. In "The Lady in the Van," which *The Village Voice* called "one of the finest bursts of comic writing the twentieth century has produced," Bennett recounts the strange life of Miss Shepherd, a London eccentric who parked her van (overstuffed with decades' worth of old clothes, oozing batteries, and kitchen utensils still in their original packaging) in the author's driveway for more than fifteen years. A mesmerizing portrait of an outsider with an acquisitive taste and an indomitable spirit, this biographical essay is

drawn with equal parts fascination and compassion.

The White Van Patrick Hoffman, 2014-09-02 A desperate cop and a wanted woman cross paths with a dirty California underworld in a thriller "stuffed with truly shocking twists."

—Entertainment Weekly At a dive bar in San Francisco's Tenderloin district, drug-hustling Emily Rosario is downing whiskey and looking to escape her dicey lifestyle. When a Russian couple approaches her with a proposition, Emily thinks she might have found her exit. But a week later—drugged, disoriented and wanted for robbery—Emily finds herself on the run for her life. Veteran cop Leo Elias has heard about the unsolved bank heist, and the stolen money is too strong a temptation. A series of bad investments has left him broke, alcoholic and anxious for a way out of debt. That means finding Emily and the money before anyone else does. It's a plan that soon spins out of control, forcing Elias to do things that can never be undone. Shortlisted for the CWA Ian Fleming Steel Dagger Award, The White Van "unfolds in a pulsating series of betrayals, blackmail, bad decisions, and worse luck . . . the stuff of Dashiell Hammett's best nightmares" (Mark Haskell Smith, author of RAW: A Love Story)—and "a gritty, exhilarating . . . quick and scary . . . hell of a ride" (The Wall Street Journal, Best Book of the Year pick).
