**Dorothy Hoobler, Thomas Hoobler**

*The Vanity* Robert S. Murillo,2013-10 It's three o'clock in the morning in Beverly Hills and fiction writer Mike Lundy is standing at his front window, watching a vintage Duesenberg slowly pass by his house. Sitting in the backseat is popular silent film star Louise Brooks, hoping to recover compromising photos she has left at Mike's house. Possible? Yes, if it were 1927. But Mike lives in the year 2011!And the photos? They're in the possession of her cuckold husband, movie director Eddie Sutherland, who has plans to turn the pictures over to the Los Angeles Times—unaware that the exposé will not only lead to his and Louise's banishment from the movie industry but to her suicide and his murder. Mike, able to see their futures, must decide if he should try to stop Eddie from publishing the revealing photos. But if he does, he realizes he would be altering the past, and in doing so, changing history.

**Golden Vanity** Rachel Pollack,2013-08-29 Earth was finally entering the galaxy... The 'Allies' had arrived, sweeping down from the stars to offer a jaded Earth the marvels of the cosmos. And Earth had gone crazy. Farmers sat back to wait for Vita Flakes to fall from the sky. New York City drank itself into a permanent starstruck stupor. Blissed-out teenagers wandered into the Great Mexican Defoliation Desert to wait for the New Gods to bear them off to the astral plane... But the 'Allies' weren't in the business of trading something for nothing. This impertinent little marketworld might fetch a nice price on the interstellar auction block... particularly if a runaway wondergirl named Golden Vanity was tossed into the bargain!

Vanity C. F. Douglas,2006-01-13 Brock Kinsford, fashion mogul, CEO of Vanity, a global conglomerate, caught in a whirlwind of deceit, mystery and intrigue. He is married to Janelle, a woman from the high society of Newport R.I. She is keeping dark, secrets, past and present that not

only threaten their marriage but also the company he founded and holds so close to his heart. Will the web of lies and deception destroy everything in his world or will he be able to save himself and his family before it is too late?

The Vanity Fair Diaries Tina Brown, 2017-11-14 Named one of the best books of 2017 by Time, People, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. The Vanity Fair Diaries is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet's slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary's cinematic pages, the drama, the comedy, and the struggle of running an it magazine come to life. Brown's Vanity Fair Diaries is also a woman's journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown's The Vanity Fair Diaries is a compulsively fascinating and intimate chronicle of a woman's life in a glittering era.

*Vanity II* C. F. Douglas,2013-09-13 In *Vanity II: Revelations*, the drama continues for the Kinsford family. Brock and Janelle are embroiled in a battle to save their company, *Vanity*. The unknown forces continue to stir up the firestorm that threatens to destroy not only all they have worked for, but their family as well. The secrets kept, the lies hiding the truths, the passionate love story of Jade and Jamie as well as Brock and Janelle's rollercoaster ride of a relationship continues. Questions circling the turmoil as to who is behind the attempted takeover of *Vanity*, the threats to their happiness, their family and their world. Can they save it in time?

*Sex and Vanity* Kevin Kwan,2020-06-30 NEW YORK TIMES BESTSELLER • GMA BOOK CLUB PICK • The author of the international phenomenon *Crazy Rich Asians* takes us from Capri to NYC, where a young woman finds herself torn between two men—and two very different cultures. Another riveting tale of privilege, culture and romance ... extravagant fashion and deceit, resulting in one truly modern love story. —CNN On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendending with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her

family, her fiancé, the co-op board of her Fifth Avenue apartment building, and, ultimately, herself as she tries mightily to deny George entry into her world—and her heart. Moving between summer playgrounds of privilege, peppered with decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.

**Vain Intentions** C. F. Douglas, 2009-12-07 The story continues with the attempted takeover of *Vanity* as Brock, Janelle and their family struggle to figure out the mystery of the attempts not only on their company but their very lives. None of them can take the warnings lightly. The Kinsfords are all endangered. The coldness and darkness has now intensified and turned to explosive beginnings with new threats coming forth all the time. Will they be able to stop the devastation of *Vanity* and their lives, or will the enemies finally catch up to the Kinsford family?

The Bonfire of the Vanities Tom Wolfe, 2002-02-21 Vintage Tom Wolfe, *The Bonfire of the Vanities*, the #1 bestseller that will forever define late-twentieth-century New York style. No one has portrayed New York Society this accurately and devastatingly since Edith Wharton (*The National Review*) "A page-turner . . . Brilliant high comedy." (*The New Republic*) Sherman McCoy, the central figure of Tom Wolfe's first novel, is a young investment banker with a fourteen-room apartment in Manhattan. When he is involved in a freak accident in the Bronx, prosecutors, politicians, the press, the police, the clergy, and assorted hustlers high and low close in on him, licking their chops and giving us a gargantuan helping of the human comedy, of New York in the 1980s, a city boiling over with racial and ethnic hostilities and burning with the itch to Grab It Now. Wolfe's novel is a big, panoramic story of the metropolis that reinforces the author's reputation as the foremost chronicler of the way we live in America. Adapted to film in 1990 by director Brian De Palma, the movie stars Tom Hanks, Bruce Willis, Melanie Griffith, and Morgan Freeman.

**A Vanity Affair** Lyne Kaddoura, 2019-10-07 This is the ultimate illustrated guide to the most exquisite vanity cases from the nineteenth century onward; an unmissable opportunity for lovers of jewelry and fashion. This elegant and richly illustrated volume, featuring a slipcase and gilded page edges, showcases a rare private collection of vanity cases and includes an exquisite array of luxury accessories from the nineteenth century to the twentieth century. These vanity cases, carefully designed and mostly handmade, became covetable accessories with the advent of beauty products. The vanity case, the ultimate jeweled fashion accessory, was designed and made mostly in Paris by skilled designers and craftsmen who understood that the fashionable modern woman needed a

practical solution for carrying lipstick, powder compact, cigarettes, lighter, theater tickets, keys, and other small paraphernalia. Tiny, made of precious metals, including platinum and gold, with inlays of lacquer, gemstones, mother-of-pearl, jade, or enamel, these reticules took hundreds of hours of patient craftsmanship to complete.

Vanity Will Get You Somewhere Joseph Cotten, 1987 Cotten takes us from his Tidewater, Virginia, beginnings and his life as a Miami potato salad tycoon to his first break on the New York stage. We learn about his warm, abiding association with the flamboyant Orson Welles, from their first meeting at a radio audition (where Welles sets a wastebasket on fire) to their involvement in the Mercury Theatre and their work together in the screen classics *Citizen Kane*, *The Magnificent Ambersons*, and *The Third Man*. We go behind the scenes of Cotten's stage plays and movies with funny, intimate stories of his adventures with Ingrid Bergman, Marilyn Monroe, Katharine Hepburn, David Niven, David O. Selznick, Alfred Hitchcock, and many others. Sensitive to his own motivations, frank about his marriages, and warmly revealing about himself and his friends, Cotten has written much more than the usual film star autobiography. His skills as an actor have made him a master of character and dramatic momentum, and he brings these skills to his writing. he has given us a generous, loving, and humorous portrait of himself and his friends. -- from dust jacket.
