Calixta, The Vanquishers of Alhambra Omayra Vélez,2019-09-15 I am Calixta Harlow Carlyle, and the devil is after me. One day like any other, a man killed me mercilessly. Then I woke up in the antechamber of heaven, where I met the embodiments of Virtues and the Keepers of Magic. Those devious Virtues gave me magic and sent me back to the Kingdom of Alhambra, When I returned to life a few days later, a devil of a man named Jadro started looking for me. He wants me dead. Why? I honestly do not know. The wretched man found me and killed some of my workers, setting my home on fire—a horrible sight to see the blood of my dear employees flowing on the marble floors of my home. Now, I am running for my life with three of my closest friends, and I found this so-called First Vanquisher, Lord Ashton Dreyden. He must train me to be a Vanquisher, but I hate him. Lord Dreyden is a hypocrite. I want to roast him alive with my fire magic. My friends keep dying, and I want to run away with the ones I have left. Oh, but where can I live with an undesirable trade? Death owns me, the devil is chasing me, and I have magic I don’t know how to use in a world engulfed by evil. I must learn to use my magic and unite with the other two Vanquishers to stop this war of genocide from taking over Alhambra. Can life get any worse? “I own you, Calixta, and I can make your life a lot worse,” said Jadro. Author’s Note: This is a grimdark but sexy fantasy. The first in a series, and it ends on a cliffhanger. For a list of CW, please visit the author’s website. omayra-velez.com

The Vanquishers Kalynn Bayron,2022-09-20 In the world of the Vanquishers, vampires were history . . . until now. A sharp vampire tale full of bite, heart, and humor. --Rena Barron, author of the Maya and the Rising Dark series Boog and her friends will capture your heart in an instant. --Mark Oshiro, author of The Insiders Malika “Boog” Wilson and her best friends have grown up idolizing The Vanquishers, a group of heroic vampire hunters who wiped out the last horde of the undead decades ago. Nowadays, most people don't take even the most basic vampire precautions--the days of garlic wreaths and early curfews long gone--but Boog's parents still follow the old rules, much to her embarrassment. When a friend goes missing, Boog isn't sure what to think. Could it be the school counselor, Mr. Rupert, who definitely seems to be hiding something? Or could it be something more dangerous? Boog is determined to save her friend, but is she ready to admit vampires might not be vanquished after all? No one ever expected the Vanquishers to return, but if their town needs protection from the undead, Boog knows who to call. Inspired by Buffy the Vampire Slayer and The Watchmen, this adventure launches readers into an exciting new series.

Ebb and Flow Roy V Martin,2020-03-01 During the Second World War the British Merchant Navy's main task was to bring food, fuel and materials to Britain and it's allies, and to ferry troops wherever they were needed. The ship's crews came from all parts of the then Empire and beyond. One in six of them lost their lives. They did much more, taking part in the evacuations and landings throughout the war. They played a key role in several of these operations, particularly the little known evacuations from France after Dunkirk and the evacuation of Singapore. They manned almost a thousand ships for the D-Day Landings, including more than half of the infantry Landing ships and all of the Hospital Carriers that ferried the wounded back to Britain.

For Warriors! Omayra Vélez,Omayra Velez,2023-04-14 Here I am again, fighting for my life. You already know me. I used to be Madame Calixta Harlow Carlyle, the Exotic prostitute of Talbert but not anymore. Now, I am married to a Marquess and have accepted my position as the third Vanquisher of Alhambra. Things are getting from bad to worse in the Kingdom of Alhambra. My husband Dreyden and I destroyed the demon Nartago, but I know crafty Jadro must have another wretched monster lined up. After the fight, we decided to stay in Elijah’s village so I could give birth to my child. But now that my daughter is born, we must keep

moving to the Fort of Marr. We are so close, and yet so far. I’m Alesha. I used to be a prostitute, but now I am a huntress. I murdered my brother, and I’m not sorry. That bastard raped me, and he had to die. He will never hurt me again. But now I must run fast and get to the train station to catch up with Calixta and the others. OH, NO! I can see them boarding the train. “Wait for me!” said Alesha. The train is pulling away. I am running behind it. But the train picked up speed, and I stayed behind in the city of Nhava. “I will find them,” said Alesha. But something worse than being left behind happened to me; Lord Shedfield, my first client and lover, found me on the train platform. He noticed I had changed my Trade Tattoo. I am going to jail and maybe end up on the gallows for sure. I am Gálida, the elf and second Vanquisher of Alhambra, and I am dying in the dungeons of the Fort of Marr. My people and I are locked in cocoons made to help us cure our injuries, but now they are our coffins. We are encased in perpetual sleep. We were gullible, and Jadro cursed us. Oh, but today in the depth of my sleep, I can hear the steps of one that can break our curse. The one walks stealthily through the halls and searches for something that is not his to take. Could it be a thief or a hero? I am Evelin, and you don’t know me yet! I am water, wolf, and wind. I will kill Calixta one way or another. “Not if I kill her first,” said Jadro. - Ray vs. the Toons** Tyrone and Jere Watson,2012-01-19 Inhibition resides inside of us, somewhere between our desires and fears. We all have prejudices and habits that we subconsciously act out but are unaware of the reason why. These habits become second nature, and before you realize it you will be operating inside a safe zone. No one has to lock you in this place if they can convince you to never turn the knob. But who determines our safe zones? Why is there a boundary on our desires? Ray vs. the Toons is a journey outside the gates, not a physical gate but a mental gate, which each of us build as we journey through life. We are inhibited by things that we unconsciously construct, not from our own experiences but from the experiences of others. As fears and prejudices of others are projected upon us, we begin constructing this mental gate. The gate protects us from what’s on the other side and gives us comfort. But there are times when our desires overtake our fears; that is the moment when we reach for the knob and turn it. There will come a time when you have to tear down the walls of prejudice and rebuild them with walls of confidence.
