**Authentic** Paul Van Doren, 2021-04-27 In the tradition of bestsellers such as *Shoe Dog*, *Authentic* is a surprisingly candid, compelling memoir by a high school dropout who went on to establish one of the world's most iconic brands. You may not have known their creator, but you certainly know the shoes: for more than four generations, Vans shoes have been synonymous with cool. Now in *Authentic*, a memoir written by Paul Van Doren and published just before his May 2021 death, the charismatic founder of Vans shares his story of heading West and capturing the American dream. *Authentic* is a celebration of Van Doren's remarkable life and the iconic brand he built, beloved by skateboarders, creatives, and fans everywhere for its laid-back, colorful SoCal vibe, and famous for its people-oriented company culture. In *Authentic*, he shares his unlikely journey from high-school dropout to sneaker-industry legend. A blue-collar kid with no higher education and zero retail experience, Van Doren started out as a 16-year-old service boy at a local rubber factory. Over the next few decades, he leveraged a knack for numbers, a genius for efficiency, and the know-how to make a great canvas tennis shoe into an all-American success story. What began as a family shoe business has today evolved into a globally recognized brand with billions of dollars of annual revenue. Van Doren is not just an entrepreneur, he's an innovator. In 1966, when the first House of Vans store opened, there were no stand-alone retail stores just for sneakers. Paul's bold experiments

in product design, distribution, and marketing (Why not sell custom shoes? Single shoes?), aided by legions of fans – skateboarders, surfers, even Sean Penn wearing Vans' famous checkerboard slip-on shoe in the film *Fast Times at Ridgemont High* – made Vans a household name. But there was also back-breaking work, a shocking bankruptcy, family turmoil, and a profound shift in how customers think about athletic shoes. The book details Van Doren's personal life, but also hard-won business lessons learned over six turbulent decades in the shoe trade: the importance of deep-rooted values, of improvisation, of vision (and revision), and above all, of valuing people over profits. Authentic is Paul Van Doren's written legacy and his lessons for the innovators of tomorrow. Bracingly forthright and totally entertaining, Authentic is a business memoir by an American original.

### **Home Is Where Heart Is Kristine**

Hudson, 2021-10-11 We live in a world where your wildest dreams can come true, as long as you're willing to make some serious decisions. #Vanlife and the Tiny House Movement provide people with an extra helping of wanderlust find their own niche in the crowd... but neither option is a straightforward transition. Kristine Hudson has tried on both lifestyles for size, and found them amazingly similar and starkly contrasting at the same time. While living in a van or a tiny house on wheels can provide dwellers with the option to create adventures wherever they go, they do require a lot of thought and planning in order to live the life of your dreams. In her first book, *How to Live the Dream: Things Every Van Lifer Needs to Know*, Ms. Hudson helps readers understand the ins and outs of their first year of van living, based on her own experiences leaving behind her home and hitting the road in an aged Volkswagen Vanagon. Through tips and tricks provided by members of the van community, you'll learn about all the things you might want to consider before taking the plunge. When the 2020 pandemic hit the United States, a lot of things changed for Ms. Hudson, and she and her husband Brad ended up parking the van to wade out the changing world in a tiny house. Her experiences inspired *Little Home, Big Dreams: The Tiny Home Lifestyle for Beginners*, in which she shares some of the less obvious things anyone needs to know before taking up residence in a tiny house. If

living in a traditional house or apartment isn't working for you... If you feel like there's a lot of world to be seen while you're standing still... ... and for all of those who feel like they're stuck in someone else's dream... The time has come to pick up *Home is Where Heart Is: Tiny Houses, Vans, and Living Your Best Life*, and learn more about where your life can lead. There are options out there for us all, and while they may be a bit different than the conventional stationary lifestyle, these are all valid options for those willing to put in the time and effort to make their dreams come true!

*My Custom Van* Michael Ian Black, 2008-07-15 Get ready for the read of your life. Never before has a single book combined awesome vans, unicorns, Billy Joel, and erotic fiction in such a potent combination. A writing tour de force? Perhaps. A reading experience that will sear itself into your consciousness like a red-hot branding iron? Without question. Comedian and basic cable superstar Michael Ian Black unleashes the full fury of his astonishing intellect in this collection of short comic essays. *My Custom Van* is a no-holds-barred assault to the funny bone that will literally beat you into submission with hilarity\*. How did he do it? How did he create such a fine anthology? Answer: With love. Michael opened his heart and used the magical power of love to write more than fifty thought-provoking essays like, *Why I Used a Day-Glo Magic Marker to Color My Dick Yellow*, and *An Open Letter to the Hair Stylist Who Somehow Convinced Me to Get a Perm When I Was in Sixth Grade*. Maybe you think

love is not a substitute for good writing skills and spell check. Bull pucky! When it comes to writing books, love is the most powerful word processor of all. Sounds pretty great, right? And yet...something is still holding you back from paying the full purchase price of this book. What is it? Perhaps you secretly believe you do not deserve a book this good. Nonsense -- you deserve this book and so much more. In fact, if Michael could have written you all the stars in the sky, that's what he would have done. But he couldn't do that, due to his lack of knowledge in the area of astronomy. So he wrote this book instead. And this flap copy. Enjoy. \* Michael Ian Black is not responsible for any actual injuries caused by reading this book.

The White Van Patrick Hoffman,2014-09-02 A desperate cop and a wanted woman cross paths with a dirty California underworld in a thriller "stuffed with truly shocking twists."

—Entertainment Weekly At a dive bar in San Francisco's Tenderloin district, drug-hustling Emily Rosario is downing whiskey and looking to escape her dicey lifestyle. When a Russian couple approaches her with a proposition, Emily thinks she might have found her exit. But a week later—drugged, disoriented and wanted for robbery—Emily finds herself on the run for her life. Veteran cop Leo Elias has heard about the unsolved bank heist , and the stolen money is too strong a temptation. A series of bad investments has left him broke, alcoholic and anxious for a

way out of debt. That means finding Emily and the money before anyone else does. It's a plan that soon spins out of control, forcing Elias to do things that can never be undone. Shortlisted for the CWA Ian Fleming Steel Dagger Award, *The White Van* "unfolds in a pulsating series of betrayals, blackmail, bad decisions, and worse luck . . . the stuff of Dashiell Hammett's best nightmares" (Mark Haskell Smith, author of *RAW: A Love Story*)—and "a gritty, exhilarating . . . quick and scary . . . hell of a ride" (The Wall Street Journal, Best Book of the Year pick).
