Supersymmetry David, 2015-09-01 Ryan Oronzi is a paranoid, neurotic, and brilliant physicist who has developed a quantum military technology that could make soldiers nearly invincible in the field. The technology, however, gives power to the quantum creature known as the varcolac, which slowly begins to manipulate Dr. Oronzi and take over his mind. Oronzi eventually becomes the unwilling pawn of the

varcolac in its bid to control the world. The creature immediately starts attacking those responsible for defeating it fifteen years earlier, including Sandra and Alex Kelley—the two versions of Alessandra Kelley who are still living as separate people. The two young women must fight the varcolac, despite the fact that defeating it may mean resolving once again into a single person. From the Trade Paperback edition.

As the details of the crime slowly come to light, the weave of reality becomes ever more tangled, twisted by a miraculous new technology and a quantum creature unconstrained by the normal limits of space and matter. Inverted Pricolici Kostana Brooken, 2020-02-22 Inverted. That's the best way described me. All but

none. Wrong yet right. Impossible yet possible. I am a pricolici...Vampire yet werewolf. Born not made... Alive yet never lived. Wanting but never wanted. Loved yet never loved until I found both of my soulmates. Like me they were also inverted. One dark chocolate the other lily white. Hellhound and vampire. Alive and undead.

The Voinico's Daughter Sallie Cochren, Elsie Marie Cochren, 2022-04-22 Watch out, vampires! There's a new hunter in town! Nicoleta has never taken a life before, but she will have to make her first kill soon. Typical of girls her age, she spends a lot of time thinking about boys and college. But when she takes a trip to Romania with several of her former classmates to celebrate graduating from high school, Nicoleta is going to discover who she really is. When Nicoleta learns that she is adopted and that her biological parents live in Romania, it's just the tip of the iceberg. Finding out that her birthright is hunting and killing vampires, Nicoleta has to decide whether to remain in Romania and fulfill her destiny or go back home to America and try to forget about the nightmare of a world that she has been thrown into. Adding to Nicoleta's problems, one of the most powerful vampires has been waiting for her arrival. Varujan is anxious to meet Nicoleta since her parents are voinicos (people who didn't turn into vampires after being bitten by one). By birth, a voinico's child becomes a vânător (a vampire hunter). Varujan knows that the voinico's daughter can't outrun her destiny and has anticipated that she would eventually come to Romania. He has been looking forward to killing her. With his vampire companion, Antanasia, Varujan seems unstoppable. Is Nicoleta ready to face Varujan and Antanasia? The other vânătors have been training to kill vampires since they were children. Will Nicoleta be able to catch up on her missed training and be ready for the

battle that is inevitably coming? Can she keep herself and her friends safe, or will they become the vampires' victims before their trip is over? Whatever happens, one thing is for sure. Nicoleta's life is never going to be the same again!

Charlie Sullivan and the Monster Hunters: The Dragon Gate D. C. McGannon, C. Michael McGannon, 2017-04-10 A must read for all young adult fiction fans! -5-Star reviewer D.C. and Michael pack a wealth of wonder and fantasy into this young adult adventure. Incorporating some of the most fascinating legends...I found myself being drawn to the depth of the characters and enjoyed watching their bonds grow as they explored the gifts hidden deep within them as well as the evil that hunts for them. I recommend this story for anyone who loves folklore and monstrous fun! From vampires to dragons, from witches to eerie ferrymen, this tale has it all. Solomon J. Inkwell, Author of *Vickie Van Helsing* The attack on Hunter's Grove High School by a Greater demon and the bully Donnie Wickles delivered a crushing blow to Charlie Sullivan, his friends, their families, and their once quiet, peaceful community. Everyone soon discovers the demon terrorizing Hunter's Grove is only the beginning of their troubles. A trail of destructive, sinister activity—including the theft of a dangerous artifact, the release of a bloodthirsty Greater from captivity, and the threat of all six main portal cities coming under siege—stretches Charlie Sullivan and a broken and tired team of monster hunters across the globe. The first team lands in Japan, at the site of one of the most embarrassing events in the country's history—Rashomon, the Dragon Gate. There, Charlie Sullivan faces the King of Demons, his vengeful lieutenant, and an army of creatures rising from the worst of nightmares. What happens next triggers a series of global cataclysmic events that some

will not survive. A new breed of monsters is released to level chaos against humanity as the master plan and purpose of evil in our world is revealed. Suffering loss, exhaustion, and being tested beyond the limits of human understanding, Charlie Sullivan and the Monster Hunters face their most dangerous task as they set out to quell an ancient darkness that has now been awakened. I picked this book up for my oldest daughter. I thought she might enjoy it and asked her to let me know what she thought. She loved it! I ended up reading it with her and I have to say that I enjoyed the story as much, maybe more, than she did.

-Amazon reviewer The characters are real enough that I found myself cheering them on and hoping they succeed in their mission. I look forward to reading the next installment.

Amazon reviewer From The Authors We began this journey together, as father and son, with the goal of writing a story that spoke to friendship, overcoming obstacles (and the ultimate evils in our world), and of the power of working together to face the biggest challenges in our lives. Yes, it's full of monsters, peril, and steeped in exciting mythology and folklore, but it centers around the powerful bonds formed between an unlikely group of friends as they face a unique set of challenges. We wanted to write a story that we would be proud to read aloud to our then newborn son/baby brother (who now, years later, has read them through twice more). It has turned into the adventure of a lifetime as we are meeting people from all over the world who are falling in love with Charlie Sullivan, Darcy Witherington, Nash Stormstepper, and the twins Lisa & Liev Vadinknov - along with a wild, often humorous, and mysterious cast of humans and monsters alike. Charlie Sullivan and the Monster Hunters: The Dragon Gate (Book 4) is the next adventure in the series, with Rise of the Ancients (Book 5) to be released soon, and a total of 6 books in the series! In my opinion, this series

deserves to be a huge hit ... I can guarantee you'll be hooked!

"I haven't been this into a paranormal/paranormal romance series for a very long time. The writing is out of this world good. Ms. Tappan weaves an intricate storyline with multiple multifaceted characters that you can't help but love...or hate...or hate, then love, lol." ~ Fan review Content guidelines: not intended for gentle readers, this book contains profanity, violence, and intense adult situations.
