

Vegas

John Romero

Super Casino Pete Earley,2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

The Real Las Vegas David Littlejohn,1999-10-28 What images come to mind when you think of Las Vegas? Mobsters and showgirls, magicians and tigers, multimillion-dollar poker games and prizefights; towering signboards that light up the night in front of ever more spectacular casino hotels. But real people live here, too--over a million today, two million tomorrow. Greater Las Vegas has long been the fastest growing metropolitan area in America. And almost every aspect of its citizens' lives is influenced by the almighty power of the gambling industry. A team of fifteen reporters led by David Littlejohn, together with prize winning photo-journalist Eric Gran, studied the real Las Vegas--the city beyond the Strip and Downtown--for the better part of a year. They talked to teenagers (whose suicide and dropout rates frighten parents), senior citizens (many of whom spend their days playing bingo and the slots), Mexican immigrants (who build the new houses and clean the hotels), homeless people and angry blacks, as well as local police, active Christians, city officials, and prostitutes. They looked into the local churches, the powerful labor unions, pawn shops, the real estate boom, defiant ranchers to the north, and dire predictions that the city is about to run out of water. Proud Las Vegans claim that theirs is just a friendly southwestern boomtown--the finest community I have ever lived in, says Bishop Daniel Walsh, who comes from San Francisco. But their picture of Las Vegas as a vibrant, civic-minded metropolis conflicts with evidence of transiency, rootlessness, political impotence, and social dysfunction. In this close-up investigation of the real lives being led in America's most tourist-jammed, gambling-driven city, readers will discover a Las Vegas very different from the one they may have seen or imagined.

A Short History of Las Vegas Barbara Land,Myrick Land,1999 The Mob came after World War II, laden with ill-gotten cash and the know-how needed to turn the dusty little burg into an international gaming mecca, but Las Vegas was built by thousands of honest, hardworking Americans and immigrants as well.

Neon Metropolis Hal Rothman,2015-10-15 First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

Las Vegas Little Black Book David Demontmollin,Hiram Todd Norman,2005 The bachelor party/guy's weekend has become a staple of the Las Vegas strip. The Las Vegas Little Black Book knows what men want from their weekend in Sin City, where to find it, how much to pay for it and how to go home satisfied.

Las Vegas, the Untold Stories John Romero,2012-08-14 You're about to enter a city that has no equal. It was built by extraordinary people with imaginative minds. Did they drink? Not sure, but why else would they build it in a Nevada desert? Some say you can go anywhere in the world and discover that people not only know about Las Vegas--they'd give anything to get there. True. As soon as I graduated from college I took an all-night bus to reach a city I'd heard of, but never seen. I stayed 30 years. Damn good years, too. And the mystique of the entertainers and the film stars and the elaborate restaurants and 24-hour-a-day casinos never wore off. I spent 20 of my years at the Sahara, on the Strip, got inside the gambling business in the 60s and loved it. Helped it, too, with my writing and my inventions. The Mob was still around in those days. They were the first venture capitalists and owned a piece of every casino in town. Did that stop anyone from having a good time? Of course not. Gradually the Mob faded away--which is what happens when an FBI office with 15 agents sets up shop in town. But the gaiety didn't stop for a second, even when corporations realized they were the big guys now. Our Sahara entertainment director stunned us in 1964 when he made a deal with The Beatles to play two shows. I met the boys after dark at a small Las Vegas airport, rode with them to the Sahara and helped get them to their suite before teen age girls tore their clothes off. So take a chance, have a seat and enjoy that drink in front of you. It's time to start the show. --John Romero

The Grit Beneath the Glitter Hal Rothman,Mike Davis,2002-03-15 The Grit Beneath the Glitter is the first real look at the new Las Vegas from the inside. In it, long-time residents as well as professionals reflect on the transformation of one of the fastest-growing and most famous cities on earth, yet one about which relatively little is known. They offer a lively and compelling portrait of the other side of Las Vegas: the people and institutions that support the glitter of the gaming and entertainment industry. Examining a range of topics--from the city's commercial history, labor conditions, and environmental problems to an analysis of the famous lights of the Strip--the contributors uncover the contradictions between the illusion and the reality of the city, the seam between fantasy and the life it masks. The essays in this collection explore the world that employees experience when they enter gaming palaces from an employee entrance in a back parking lot rather than through the scripted doors of casino/hotel palaces. They take readers into

the neighborhoods where 1.4 million Americans now live, attend school, eat dinner, and go to work.

Little Black Book of Las Vegas Lark Ellen Gould, With maps and insider tips, this sleek travel guidebook will take you through the best of Vegas, baby! Here's what to see and do, and where to eat, drink, shop, stay, and play--from Downtown to The Strip, from nearby luxury resorts to the desert's natural wonders! "Top Picks" direct you to not-to-be-missed attractions. Includes 7 maps, including Downtown, North Strip, Central Strip, South Strip, Beyond the Neon, a Las Vegas Transit Map, and a Las Vegas Monorail Map. Take this street-smart city guide with you and make the most of your trip to the neon and beyond!

Fear and Loathing in Las Vegas (Harper Perennial Modern Classics) Hunter S. Thompson, 2014-10-16 'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive ..."'

100 Things to Do in Las Vegas Before You Die Laura Carroll, Adam Kealoha Causey, 2016-04-01 Las Vegas may have risen to fame as hotbed of forbidden fun, but in its modern incarnation, there's something here for everyone. Whether you're a sinner or a saint, 100 Things to do in Las Vegas Before You Die will guide you to places you never knew existed and give you that extra nudge to visit that landmark you've always wanted to see. Come here for a weekend or stay for weeks. These pages will guide you to world-class dining and entertainment on the Strip, the hippest new restaurants in Chinatown or cheap but delicious eats in the city's suburban strip malls. Hike Alpine heights just an hour away from the bright lights, or soak up mob and natural history right in town. Come any time of year: If it's summertime, there are pools galore. If it's winter, get an up-close view of the Mojave Desert's beauty. Let 100 Things to do in Las Vegas Before You Die be your insider's guide to everything the Las Vegas Valley has to offer. You'll see why 40 million people a year visit this desert oasis - and why many of them keep coming back.

The Complete Idiot's Guide to Las Vegas John Hawks, Tom Higgins, 2009-02-03 Vegas, baby! The Complete Idiot's Guide® to Las Vegas takes the guesswork out of planning the perfect vacation. Readers are given practical advice based on the kind of trip they're looking for. ?A reader-friendly list of visual icons and symbols that make navigating the book easy ?Ultimate itineraries suited to different lengths of stay and special interests ?Everything readers need to know about gambling, shopping, entertainment, restaurants, activities, and hotels ?An eight-page color insert that captures the magic of the city

Las Vegas Babylon Jeff Burbank, 2008 What happens in Vegas doesn't necessarily stay in Vegas and the proof is in this lively and entertaining compilation of stories chronicling decades of decadence, celebrity shenanigans, and political corruption, as well as the glitz and glamour of the casinos that pass for everyday life in Las Vegas. Underneath the city's present success lies many infamous tales of excess and debauchery. Using new information from recently released FBI documents, Jeff Burbank brings to life the Vegas mob in its heyday, recounting never-before-heard tales of the mobsters who made Vegas what it is today. But mobsters aren't the only ones with skeletons in Las Vegas' closet. Over the years, Hollywood stars have had their share of the limelight. Burbank has uncovered the many fateful, and often amusing, incidents that have befallen the glamorous and here he recalls the details of the darkest moments in the lives of the famous and foolish: Marilyn Monroe's quickie divorce; boxer Sonny Liston's secret heroin deal just before his death; The Doors singer Jim Morrison's arrest for fighting on the Strip; and the hookers who trick-rolled comedian Tommy Smothers in his hotel room. With fast-paced and entertaining prose, Burbank captures the true stories from Las Vegas' seedy underbelly that have led to America's 100-year fascination with the aptly named Sin City.

Suburban Xanadu David G. Schwartz, 2003 Institution. Remarkably detailed and entertaining, Suburban Xanadu tells us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

Everyday Las Vegas Rex J. Rowley, 2013-04-01 Every year, more than thirty-five million people from all over the world visit Las Vegas; only two million call the city home. Everyday Las Vegas takes a close look at the lives of those who live in a place the rest of the world considers exotic, even decadent. Using broad research, including interviews with more than one hundred Las Vegans, Rex Rowley--who grew up in Las Vegas--examines everyday life in a place that markets itself as an escape from mundane reality. Rowley considers such topics as why people move to Las Vegas, the nature of their work and personal lives, the impact of growth and rapid change, and interaction with the overwhelmingly touristic side of the city. He also considers the benefits and perils of living in a nonstop twenty-four-hour city rich in entertainment options and easy access to gambling, drugs, and other addictions. His examination includes the previously unstudied role of neighborhood casinos patronized by locals rather than tourists and the impact that a very mobile population has on schools, churches, and community life. Rowley considers the very different ways people perceive a place as insiders or outsiders, a dichotomy that arises when tourism is a mainstay of the local economy. His work offers insights into what Las Vegas can teach us about other cities and American culture in general. It also contributes to our understanding of how people relate to places and how the personality of a place influences the lives of people who live there.

The Moulin Rouge and Black Rights in Las Vegas Earnest N. Bracey, 2009-01-22 Originally opened in May 1955, the Moulin Rouge Hotel and Casino quickly rose in popularity as Las Vegas' first racially-integrated hotel and casino. Sammy Davis, Jr., Louis Armstrong, and other A-list black singers and

musicians performed at the Moulin Rouge on a regular basis, and for once they were allowed to spend the night in the same hotel where they performed. This book explains the important role that the hotel-casino played in early desegregation efforts in Las Vegas. With the Moulin Rouge as the backdrop, it provides an analysis of the evolution of race-relations in Las Vegas, including a detailed account of the landmark 1960 desegregation agreement. Finally, it examines recent efforts to rebuild and renovate the historic establishment.

Farewell, Las Vegas Grant Bywaters, 2020-04-29 New England cop turned Las Vegas P.I. Joe Roddick thinks his luck has changed. But when he takes on what seems like an easy location case from the Lucky Hearts Casino his easygoing life explodes. A professional hitman known as The Scorpion has arrived in Sin City, looking for the same man. After being shot, Roddick realizes he, too, is on someone's hit list. While he recovers, his tech-savvy daughter Kaylee takes revenge into her own hands. Meanwhile The Scorpion is on the hunt, leaving a mounting body count in his wake. Clearly more than gambling is going on at the Lucky Hearts. Will Roddick be able to expose the operation before The Scorpion silences everyone in his path—including Roddick and Kaylee?

Las Vegas Mitch Barker, 2013 Las Vegas, New Mexico, is 70 years older than the Nevada city of the same name. Eleven years after its founding in 1835, it was the first settlement in Mexico reached by invading US troops in the Mexican-American War. In later years, it was an intensely violent place, an equal to Dodge City and Tombstone. Gunmen such as Billy the Kid, Mysterious Dave Mather, Doc Holliday, and others walked the streets of Las Vegas. The town also built grand houses and mercantile buildings. It rivaled Albuquerque and Santa Fe for importance and boasted one of the state's two streetcar systems. Here, Teddy Roosevelt announced his availability to serve as president, and Tom Mix filmed his earliest movies.

It Happened in Las Vegas Paul W. Papa, 2009-10-01 A fascinating collection of thirty compelling stories about events that shaped Sin City, *It Happened in Las Vegas* describes everything from a nineteenth-century land deal that almost created two competing cities to the torrential rainstorm that flooded downtown Vegas with three inches of water.

Murder in Vegas Michael Connelly, 2007-04-01 Las Vegas. Lost Wages. Sin City. An artificial oasis of pleasure, spectacle, and entertainment, the gambling capital of America has reinvented itself so many times that its doubtful that anyone knows for sure what's real and what isn't in the miles of neon and scorching heat. Las Vegas is considered the ultimate players destination-no matter what your game. Almost anything is available-for a price, mind you, and sometimes losers walk away from the tables with even less than just an empty wallet or purse-sometimes they don't walk away at all. Now the International Association of Crime Writers and New York Times-bestselling author Michael Connelly have gathered twenty-two crime and mystery stories about the ultimate playground, Las Vegas, and what can happen behind the glitz and glamour. From a gambler who must-win at the roulette table to stay alive to a courier who's only mistake was accepting a package with Las Vegas as the final destination, come to the true city that never sleeps, where fortunes are made and lost every day, and where snake-eyes aren't found just on a pair of dice. *Murder in Vegas* features stories by: James Swain, S.J. Rozan, Wendy Hornsby, Michael Collins, T.P. Keating, J. Madison Davis, Sue Pike, Joan Richter, Libby Hellmann, Tom Savage, Edward Wellen, K.j.a. Wishnia, Linda Kerslake, John Wessel, Lise McClendon, Ronnie Klaskin, Ruth Cavin, A.B. Robbins, Gay Tolti Kinman, Micki Marz, Rick Mofina, Jeremiah Healy At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Vegas Vendetta Peter Castrillo, 2017-10-27 IT'S THE 1960S. War is raging in Southeast Asia, and the draft board is looming over every young man's shoulder, but recent high school graduate Peter Castrillo has a plan; enroll in college for as long as it takes to get a student deferment...and then head to Vegas! And Vegas is everything he dreamed it would be—parties at Sammy Davis's place, hanging out at the bar with Elvis, and flirting with Mia Farrow in the elevators. It's all bank-rolled lavishly by the clever cons that Peter and his pals devise, taking the casinos for a bundle in these low-tech security days. The drugs are plentiful, the girls are wild, and the glittery nights seem to go on forever. But when Peter makes the mistake of a romantic entanglement with the gorgeous trophy-wife of a venal Bulgarian mobster, his Vegas dream turns into a nightmare that he just might not survive. Based on true facts and dished out with equal portions of hilarity and horror, *Vegas Vendetta* tells one young man's story of his quest to evade the draft, make money, meet women, and find excitement back in the days when Vegas truly was Sin City.

Decoding Vegas: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "*Vegas*," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
