I'Li Be Your Light Mannie Veneno, 2022-04-26 Neglect, abuse, and starvation all are part of Mannie Veneno's family legacy of pain. Starting in Pakistan, where his grandmother was married to an abusive husband, the cycle would continue for three generations. His mother was forced to marry a Pakistani gangster at a young age. Even after moving to the United States for a better life, she, Mannie, and his siblings were victims of his nightmarish rage. With an abusive dad and a mom who couldn't walk away, Mannie didn't have role models to emulate. Everyone around him was either gang members, criminals, or addicts—and he didn't see a clear path forward. Making matters worse, he was often bullied

in school and teased because of his poor English. As an adult making his way in the world, Mannie now has a choice: continue the cycle or be a light in the darkness, a hope for others to keep going.

Veneno Gloria Maria Violante,2015-02-23 Grace appeared on the staircase in a turquoise Vera Wang gown; custom made for her. Her black hair pulled up in an elaborate coiffure that showed her high cheekbones, her beautiful gray eyes, and her long neck. She was tall, athletic and curvy at the same time, a little bit like Jessica Rabbit, in a few words she was to die for, but she had no idea of how stunning she was. There was a minute of silence. All eyes were on her, she looked around and felt like a princess, and when Stan took her arm to help her descend the stairs, she felt loved and respected. She was so spontaneous that everybody was gravitating around her, trying to catch her attention even for a few seconds, what she did not know was that to those people she still was still experiment BWP01. In the background, an orchestra was playing Grace's favorite songs. When Stan asked her to the dance floor she blushed, but took his hand and started to dance. She felt like a butterfly that had finally got out of her cocoon, and for the first time in her life, she was happy.

El Capitán Veneno (Classic Reprint) New Zealand,Pedro Antonio De Alarcón,2018-01-24 Excerpt from *El Capitan Veneno* The story is set in 1848, and the scene IS In Madrid. At that period there was a revival of democratic im pulses in the world, on account of what was going on in France. But the unorganized many - headed masses could make only a poor showing against the organized powers of even a contemptible government. The hero and heroine of the story are of two hostile parties, a thing that often occurs in life as well as in literature. War conditions are still (1920) so present to our minds that we can easily imagine the situations called for in the story. Un veneno saludable Marcelo Birmajer,1994-12

El Capitan Veneno. the Hispanic Series Pedro Antonio de Alarcon,2016-06-21 The story here presented (El Capitán Veneno) and El Sombrero de Tres Picos are now the most read of all of Alarcón's works. El Diario de un Testigo de la Guerra de África brought the most fame and money, for at that time the excitement of the country over the war, and the patriotism of the nation, combined for Alarcón's good fortune. Several of the scenes and characters had their prototypes in the Diario. General O'Donnell, Duke of Tetuán, was the original of the brusque, impulsive, but genuine captain. For Alarcón says of General O'Donnell: The man, prosaic and cold, distrustful of lively imaginations, insensible to every art except the art of war, hostile to beautiful phrases... today spoke with the certain emphasis of the best taste; in the style of the old-time general, like Napoleon at the pyramids. Talking to the Moors through an interpreter, his words were animated by his attitude, his gestures, his looks.... He questioned them with energy; orated and declaimed with eloquence; now he would rail at them, now flatter them. The Moors read in his face the sentiments that animated him, and the degree of truth, of shrewdness, of calculation, or of passion, that each phrase held.

These selected paragraphs distill the contents and give you a quick look inside El Capitan Veneno: En el piso bajo de la izquierda de una humilde pero graciosa y limpia casa de la calle de Preciados, calle muy estrecha y retorcida en aquel entonces, y teatro de la refriega en

tal momento, viv an[13] solas, esto es, sin la compa a de hombre ninguno, tres buenas y piadosas[14] mujeres, que mucho se diferenciaban entre s en cuanto al ser f sico y estado social, puesto que ranse que se eran[15] una se ora mayor, viuda, guipuzcoana, de aspecto grave y distinguido; una hija suya, joven, soltera, natural de Madrid, y bastante guapa, aunque de tipo diferente al de la madre (lo cual daba a entender que hab a salido en todo a su padre), [16] y una dom stica, [17] imposible de filiar o describir, sin edad, figura ni casi sexo determinables, bautizada, hasta cierto punto, [18] en Mondo edo, y a la cual ya hemos hecho demasiado favor (como tambi n se lo hizo aquel se or Cura) con reconocer que pertenec a a la especie humanaTem a la noble viuda, primero por su hija, despu?'s por el resto del g nero humano, y en ltimo t rmino por s propia; y tem a la gallega, ante todo, por su querido pellejo;[34] en segundo lugar, por su est mago y por el de sus amas, pues la tinaja del agua estaba casi vac a y el panadero no hab a parecido con el pan de la tarde y, en tercer lugar, un poquitillo por los soldados o paisanos hijos de Galicia[35] que pudieran morir o perder algo en la contienda.-Y no hablamos del terror de la hija, porque, ya lo neutralizase la curiosidad, ya no tuviese acceso en su alma, m?'s varonil que femenina, era el caso que la gentil doncella, desoyendo[36] consejos y rdenes de su madre, y lamentos o aullidos de la criada, ambas escondidas en los aposentos interiores, se escurr a de vez en cuando a las habitaciones que daban[37] a la calle, y hasta abr a las maderas de alguna reja, para formar exacto juicio del ser y estado de la lucha. ...Qued, [42] pues, la calle sola y muda, y, en medio[43] de ella, tendido y desangr ndose, aquel buen caballero, que acaso no hab a expirado todav a, y a quien manos sol citas y piadosas[44] pudieran tal vez librar de la muerte ...-La joven no vacil un punto: corri adonde estaban su madre y la dom stica; explicoles el caso; d joles que en la calle de Preciados no hab a ya tiros; tuvo que batallar, no tanto con los prudent simos reparos de la generosa guipuzcoana, como con el miedo puramente animal de

la informe[45] gallega, y a los pocos minutos las tres mujeres transportaban en peso a su honesta casa, y colocaban en la alcoba de honor de la salita principal, sobre la lujosa cama de la viuda, el insensible cuerpo de aquel que, si no fue el verdadero protagonista de la jornada del 26 de Marzo, va a serlo de nuestra particular historia.

El Capitan Veneno New Zealand, Pedro Antonio De Alarcón, 2018-01-31 Excerpt from *El Capitan Veneno: Captain (Venom/Poison)* The chief reason which has caused the translator to publish this little novel is that it seems to him to be one of the most delightful and satisfactory short stories with which he is acquainted. It has both humor and pathos and a most charming heroine who has courage, decision and womanly pride and, at the same time, a most engaging gentleness and feminine sympathy. The hero, a brutally frank, half savage but brave man, laboring under the delusion that he hates women, has some claim to nobility of character. The story is an interesting contrast to the present tendency in novels toward studies of discontented women and distressing social conditions. Another reason for publishing it is that we, in this country, now that we are trying to cultivate closer trade relations with Spanish America, should know something of Spanish literature both of the old world and the new. Such a knowledge would help us to understand the people with whom we have to deal. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
