Cursed Thomas Wheeler,2019-10-01 Look out for the original series starring Katherine Langford coming soon to Netflix! The Lady of the Lake is the true hero in this cinematic twist on the tale of King Arthur created by Thomas Wheeler and legendary artist, producer, and director Frank Miller (300, Batman: The Dark Knight Returns, Sin City). Featuring 8 full-color and 30 black-and-white pieces of original artwork by Frank Miller. Whosoever wields the Sword of Power shall be the one true King. But what if the Sword has chosen a Queen? Nimue grew up an outcast. Her connection to dark magic made her something to be feared in her Druid village, and that made her desperate to leave... That is, until her entire village is slaughtered by Red Paladins, and Nimue's fate is forever altered. Charged by her dying mother to reunite an ancient sword with a legendary sorcerer, Nimue is now her people's only hope. Her mission leaves little room for revenge, but the growing power within her can think of little else. Nimue teams up with a charming mercenary named Arthur and refugee Fey Folk from across England. She wields a sword meant for the one true king, battling paladins and the armies of a corrupt king. She struggles to unite her people, avenge her family, and discover the truth about her destiny. But perhaps the one thing that can change Destiny itself is found at the edge of a blade.

Girls Like Us Sheila Weller,2008-04-08 A groundbreaking and irresistible biography of three of America's most important musical artists—Carole King, Joni Mitchell, and Carly Simon—charts their lives as women at a magical moment in time. Carole King, Joni Mitchell, and Carly Simon remain among the most enduring and important women in popular music. Each woman is distinct. Carole King is the product of outer-borough, middle-class

New York City; Joni Mitchell is a granddaughter of Canadian farmers; and Carly Simon is a child of the Manhattan intellectual upper crust. They collectively represent, in their lives and their songs, a great swath of American girls who came of age in the late 1960s. Their stories trace the arc of the now mythic sixties generation—female version—but in a bracingly specific and deeply recalled way, far from cliché. The history of the women of that generation has never been written—until now, through their resonant lives and emblematic songs. Filled with the voices of many dozens of these women's intimates, who are speaking in these pages for the first time, this alternating biography reads like a novel—except it's all true, and the heroines are famous and beloved. Sheila Weller captures the character of each woman and gives a balanced portrayal enriched by a wealth of new information. *Girls Like Us* is an epic treatment of midcentury women who dared to break tradition and become what none had been before them—confessors in song, rock superstars, and adventurers of heart and soul.
