The Great Vampiric Deception Jolene Gettler,2023-11-16 Vampires exist. They use, abuse, and discard. If you are one of the lucky ones to survive a relationship with a vampire but are left feeling broken and desperate, there is help. Hope. The cohort support group meets every Sunday night at the community centre. Refreshments included. Victoria suffered unimaginable horrors and trauma from her four-year relationship with her vampire ex-boyfriend. She was one of the lucky ones. Years later, she enjoys a life of solitude and just wants to be left alone in her new mundane, uneventful life. Her quiet routine shatters to pieces when an unexpected guest joins her vampire victim support group, while an unknown danger stalks her from the shadows. Who is stalking her? Are they connected to her past? Or did her newest member bring more than a century's worth of trauma into her life?

Dragonfly Leila Meacham,2019-07-09 Read the USA Today bestseller from the author of *Roses*, a sumptuous, full-bodied, and emotional novel about five young spies embedded among the highest Nazi ranks in occupied Paris (Adriana Trigiani, NYT bestselling author of *Tony's Wife*). At the height of World War II, a handful of idealistic young Americans receive a mysterious letter from the government, asking them if they are willing to fight for their country. The men and women from very different backgrounds -- a Texan athlete with German roots, an upper-crust son of a French mother and a wealthy businessman, a dirt-poor Midwestern fly fisherman, an orphaned fashion designer, and a ravishingly beautiful female fencer -- all answer the call of duty, but each for a secret reason of her or his own. They bond immediately, in a group code-named Dragonfly. Thus begins a dramatic cat-and-mouse game, as the group seeks to stay under the radar until a fatal misstep leads to the capture and the firing-squad execution of one of their team. But is everything as it seems, or is this one more elaborate act of spycraft?

A Baby for the Bachelor Victoria Pade,2009-05-01 Marti Grayson once had a storybook future in store—until a shattering loss took away her chance at happiness. Memories of Envy Barb Hendee,2010-10-05 A reluctant predator, Eleisha Clewon is determined to locate all vampires still existing in isolation, so she might offer them sanctuary at her home in Portland-and more importantly, so she can teach them to feed without killing. But the beautiful and delicate Simone Stratford doesn't want to be saved. Made into a vampire in the Roaring Twenties, she enjoys playing her own elaborate games with mortals, stoking their passion for her before finally draining them of their blood. And soon Eleisha and her protector, Philip Branté, find themselves caught up in one of Simone's games, which turns into a battle for Eleisha's life and Philip's soul...

The Victorians David Gange,2016-02-04 The Victorian era was a time of unprecedented transformation, yet it is often understood only through the stereotypes of crowded factories, child labour and emotional repression. In this entertaining and scholarly introduction, Dr David Gange explores the political, social and economic realities that defined life for Victorian people. Weaving together the perspectives of historians and literary scholars with movements in art, science and ethics, Gange paints a colourful, interdisciplinary portrait of everyday life in nineteenth century Britain. The *Victorians: A Beginner's Guide* features such famous figures as Dickens and Disraeli, while offering a thought-provoking examination of how our perceptions of this pivotal period of history have changed.

The Descent of Man Grayson Perry,2017-05-30 What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, *The Descent of Man* is a timely and essential addition to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that's happiness, right? Grayson Perry admits he's not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

Victoria Wood Neil Brandwood,2011-03-31 'One of the great British comedians and all-round entertainers of her generation' Guardian 'Bittersweet but scalpel sharp' Radio Times 'One of Britain's finest ever performers ... a sublime and unparalleled crafter of words' Independent Victoria Wood's wit and humour endeared her to millions of TV viewers for over four decades. Writer, producer and actress of television shows such as *As Seen on TV* and *Dinnerladies*, Victoria was often voted the funniest woman in Britain. Her rise to stardom, from her early years in Lancashire to the successes of the sell-out shows at the Royal Albert Hall, is sympathetically and honestly portrayed by Neil Brandwood.
