The Voice of Victory Wayne Messmer,2018-12-04 The Voice of Victory is the autobiographical account of Wayne Messmer,

The Victory of the New Man and Mysteries of God Joel Zao,2020-12-16 This book completes a series on Paul's Letter to the Romans. Chasing Truth focused on Chapters 1-8 of the Letter, All Israel Shall Be Saved focused on Chapters 9-11. This final installment is a discussion of Chapters 12-16, which illustrates the practical application of the truths of the previous two books, providing a proper conclusion to the study. Paul's Letter to the Romans lays the foundation of the faith he delivered to the Christian churches he founded in the first century. All subsequent assemblies, in order to carry out their rightful mission, should pattern their teaching and service to God according to Paul's pattern. It is the author's opinion that departure from the teachings in Romans is the cause of weak faith in believers, and inadequate preparation needed to successfully build up the church, which is Christ's Body.

Every Young Man's Battle Stephen Arterburn,Fred Stoeker,2004-01-20 In this world you're surrounded by sexual images that open the door to temptation. They're everywhere--on TV, billboards, magazines, music, the internet--and so easy to access that it sometimes feels impossible to escape their clutches. Yet God expects his children to be sexually pure. So how can you survive the relentless battle against temptation? Here's powerful ammunition. Steve Arterburn and Fred Stoeker, the authors of the hard-hitting best-seller Every Man's Battle, now focus on the temptations young single Christian men like you face every day--and they offer workable, biblical strategies for achieving sexual purity. The authors examine the standard of Ephesians 5:3--"there must not be even a hint of sexual immorality"--in a positive and sensitive light. And they explain how an authentic, vibrant relationship with Jesus Christ is the key to victory over temptation. Every Young Man's Battle will show you how to train your eyes and your mind, how to clean up your thought life, and how to develop a realistic battle plan for remaining pure in today's sexually soaked culture. Another Valley, Another Victory Valetta Steel Crumley,Ed Erny,2021-01-14 Tragedy is timeless and universal. So is victory, which is defined by the author's life as letting God have the controls -- allowing him to expose previously hidden beauty, now displayed for the sake of others. This inspiring life story has moved countless others to overcome and look at adversity from God's perspective. When viewed from the top, a valley is precious and beautiful. Valetta lost her young son Danny to leukemia; her husband Henry succumbed to Hodgkin's disease a few years later; then she lost her remaining two children in a tragic car accident. Her new reality was nearly unbearable, but when offered a secure position in her father's business, Valetta refused. The Lord had called her and Henry into ministry, and there was a mountain of unfinished business. Today, Valetta has traveled the world, sharing Christ and teaching Christians how to share Christ in their communities. Thousands have been saved, and countless more inspired in their walk with the Lord. Valetta's story will touch you, move you, and challenge you to let God do as he desires in and through your life, enabling you to minister to others in ways you never would have imagined possible.

Based on 2 Timothy 4:7, His Battle offers letters from God written specifically to men, followed by prayer responses, all accompanied by plenty of Scripture. Victory Over Satan Fischer Alex, 2017-08-31 Religious book-shops and book-stands have been filled in recent times with books and pamphlets containing sensational stories of encounters, deliverance, miracles, and revelations. The book you are holding in your hand is not another sensation book. The writer of this book is a respected Senior Civil Servant in his Ministry; so he is not out looking for a job or for monetary gains. He is also a deacon in his church whose knowledge of the scriptures is profound; so he is not interested in establishing a new church, which, unfortunately appears to be in fashion nowadays. The book in your hands is the account of one man's experience of how God has used him to bring deliverance to those whom Satan had bound in one form or another. If the claims appear to you to be fantastic and perhaps incredible, I urge you to hold your suspicion and skepticism in check until you have read through the whole book. You will discover that this is more than a story of other people's deliverance. It is a guide, a personal guide, to every Christian living in our society and culture today on how you can live your life victoriously, as an over-comer, protected by the name of Jesus Christ - the name above all other names. One of the ploys that Satan, the enemy of God's people, uses under the guise of Science, enlightenment, and sophistication, is to get people to deny that Satan is real. The more people believe that Satan is not real, the easier it is for the father of lies and the inventor of deceit to operate, like an under-cover agent. But, of course, to deny Satan's operations is not biblical; for the Word of God tells us that the son of God was manifested so as to destroy the works of Satan. Every Christian, therefore, who is a living Christian must be on full alert to the strategies and devices of the evil one; and accordingly take the steps outlined in this work to ensure your Victory over Satan. One thing you can rest assured: that at the Name of Jesus every knee shall bow. TO GOD BE ALL THE PRAISE AND GLORY!

The Young Man's Victory Over the Devil: a Sermon [on 1 John ii. 13], Preach'd to a Society of Young Men in ... London, March 7, 1724-5 William Wishart, 1725

Dark Victory Dan E. Moldea, 2017-04-18 A “smoldering indictment” of the corrupt influences that rescued Ronald Reagan's career, made him millions, and shaped his presidency (Library Journal). Founded in 1924, the Music Corporation of America got its start booking acts into speakeasies run by such notorious Chicago mobsters as Al Capone. How then, in only a few decades, did MCA become the driving force behind music publishing, radio, recording artists, Hollywood, and the burgeoning television industry? Enter Ronald Reagan. By the late 1950s, Reagan was a passé movie actor. As president of the Screen Actors Guild, he was also MCA's key client. With Reagan's help, MCA would become the most powerful entertainment conglomerate in the world. And with MCA's help, Reagan would secure a fortune (resulting in a federal grand jury hearing), be marketed to the public as a viable politician, and ascend to the presidency of the United States. But according to reporter Dan E. Moldea, there had always been another catalyst behind MCA: Ties to organized crime that reached back to the company's inception—and through Reagan's Teamster-backed candidacy—had never been severed. From the author of The Hoffa Wars, this is an epic and serpentine investigation into the insidious links among Hollywood, the Mob, and politics. Based on research of six thousand pages of previously classified documents, including the entirety of Reagan's grand jury testimony, Moldea “has, through sheer tenacity, amassed an avalanche of ominous and unnerving facts. [Dark Victory is] a book about power, ego and the American way. Moldea has shown us what we don't want to see” (Los Angeles Times).
