Peter Pan J. M. Barrie,2023-12-07 'All children grow up, except one.'

Chasing his runaway shadow, a mischievous young boy who will never grow up crash lands through an open window and meets a headstrong young girl who is desperate to be an adult. With a sprinkle of fairy dust, they take flight on a whirlwind voyage over pirate ships, through mermaid lagoons and into the heart of Neverland. Adapted from J.M. Barrie's perennial favourite, this enchanting new version by Evan Placey, with songs by Vikki Stone, premiered in 2023 at Rose Theatre, Kingston upon Thames, directed by Lucy Morrell. It was commissioned by the Rose to be performed by twenty members of the Rose Youth Theatre alongside four professional adult actors. It offers rich opportunities for other theatre companies who want to keep their audiences hooked with a magical, musical classic. 50% of royalties from the sale of this book and amateur performance licences are donated to Great Ormond Street Hospital, London.

Real Influence Mark Goulston,John Ullmen,2013-01-02 Authentic influence is about more than creating a strong initial connection--it's about sustaining professional relationships long after an agreement has been reached. When others sense they are being pushed, their guard goes up. In business interactions, even if the person you are pitching to does comply with your

requests, lingering resentment may undermine the relationship forever. So why do most books on influence still portray it as something you do to someone else to get your way? Based on their commitment to listening, genuine engagement, and the pursuit of win-win outcomes, doctors and authors Mark Goulston and John Ullmen share a new method that business leaders can utilize to persuade others. In *Real Influence*, Goulston and Ullem teach you how to: examine priorities, learn about the needs of key players, earn others' attention, motivate others to hear more, and add value with question and actions. Outdated approaches that portray influence as a means to get your way invites resistance and cynicism from those who recognize the techniques. Manipulative tactics fail to produce the mutual trust that sustains successful relationships. Complete with examples of the steps in action and insights from real-world "power influencers," *Real Influence* is a one-of-a-kind guide that showcases how being straight with everyone means winning for all.

Catching a Case Tina Lee, 2016-03-16 Influenced by news reports of young children brutalized by their parents, most of us see the role of child services as the prevention of severe physical abuse. But as Tina Lee shows in *Catching a Case*, most child welfare cases revolve around often ill-founded charges of neglect, and the parents swept into the system are generally struggling but loving, fighting to raise their children in the face of crushing poverty, violent crime, poor housing, lack of childcare, and failing

schools. Lee explored the child welfare system in New York City, observing family courts, interviewing parents and following them through the system, asking caseworkers for descriptions of their work and their decision-making processes, and discussing cases with attorneys on all sides. What she discovered about the system is troubling. Lee reveals that, in the face of draconian budget cuts and a political climate that blames the poor for their own poverty, child welfare practices have become punitive, focused on removing children from their families and on parental compliance with rules. Rather than provide needed help for families, case workers often hold parents to standards almost impossible for working-class and poor parents to meet. For instance, parents can be accused of neglect for providing inadequate childcare or housing even when they cannot afford anything better. In many cases, child welfare exacerbates family problems and sometimes drives parents further into poverty while the family court system does little to protect their rights. *Catching a Case* is a much-needed wake-up call to improve the child welfare system, and to offer more comprehensive social services that will allow all children to thrive.

A Rolling Stone Gathers No Moss John Maynard, Vikki Smith, 2004

The Winnowing Vikki VanSickle, 2017 In a world where the familiar has sinister undertones, two friends are torn apart just when they need one another most. Can they both survive? Marivic Stone lives in a small world, and that's fine with her. Home is with her beloved grandfather in a small town that just happens to be famous for a medical discovery that saved humankind -- though not without significant repercussions. Marivic loves her best friend, Saren, and the two of them promise to stick together, through thick and thin, and especially through the uncertain winnowing procedure, a now inevitable -- but dangerous -- part of adolescence. But when tragedy separates the two friends, Marivic is thrust into a world of conspiracy, rebellion and revolution. For the first time in her life, Marivic is forced to think and act big. If she is going to avenge Saren and right a decade of wrongs, she will need to trust her own frightening new abilities, even when it meansturning her back on everything, and everyone, she's known and loved.

A gripping exploration of growing up, love and loss, *The Winnowing* is a page-turning adventure that will have readers rooting for their new hero, Marivic Stone, as they unravel the horror and intrigue of a world at once familiar but with a chilling strangeness lurking beneath the everyday.

Bringing Up Race Uju Asika, 2021-05-04 Uju Asika has written a necessary book for our times.—Chika Unigwe, author of *On Black Sisters' Street* You can't avoid it, because it's everywhere. In the looks Black kids get in certain spaces, the manner in which some people speak to them, the stuff that goes over their heads. Stuff that makes them cry even when they don't know why. How do you bring up your kids to be kind and happy when there is so much out there trying to break them down? *Bringing Up Race* is an important book, for all families whatever their race or ethnicity. It's for everyone who wants to instil a sense of open-minded inclusivity in their kids, and those who want to discuss difference instead of shying away from tough questions.

Uju Asika draws on often shocking personal stories of prejudice along with opinions of experts, influencers, and fellow parents to give prescriptive advice in this invaluable guide. Bringing Up Race explores: When children start noticing ethnic differences (hint: much earlier than you think) What to do if your child says something racist (try not to freak out) How to have open, honest, age-appropriate conversations about race How children and parents can handle racial bullying How to recognize and challenge everyday racism, aka microaggressions Bringing Up Race is a call to arms for all parents as our society works to combat white supremacy and dismantle the systemic racism that has existed for hundreds of years.
