**Vindicator - The Humans Breakout** Buck Jones,2017-04-06 This is the story of a ship called the Vindicator and Nathan Delves. Nathan is a scientist and an inventor. He found a way to make cold fusion a reality. That made him very rich. With his riches and his mind he found the time to run more experiments and perfect an anti-gravity drive. With the help of several expert people he built a space ship called the Vindicator. Those people became friends and lived through the so called Rapture because of that craft. Aliens took over half the world's population while he and his crew were sitting on the moon in their ships maiden voyage. The story just gets better from there. Nathan and his friends really got to work! Think! What would happen if you could get some of the smartest people in the world to solve the world's problems? Problem the rest of the world may not even know they have. Space battles and the colonization of Mars all happen until the . . . well I don't want to give it all away. **Rosicrux** Roger Ruffles,2013-11 Admiral James Gavain is enmeshed in the politics of the post-Dissolution colonised galaxy, an unwilling and reluctant participant. His main concern now is for forging a future for the people under his command, a mercenary company for sale to the highest bidder in a rapidly disintegrating colonial galaxy. As pirates swamp the Eastern Segment, preying on the weak, a pattern begins to emerge. All is not as it seems. Whilst his ships engage on a contract which plunges the mercenary company into a conspiracy far deeper than could be imagined, Ulrik Andryukhin leads the marines on a ground campaign which exposes the darker side of humanity - intolerance for anything that is different. The old enmity between the augmented and the unaugmented is running strong, and genocide is the preferred solution. Balancing the difficulties of a star-spanning conspiracy and the outrage of a friend grieving for a lost lover, Gavain also discovers his newfound ally and supporter Lady Sophia is playing a dangerous game. Married into House Zupanic, famed for their murderous and fatal political machinations, she is looking for power within the young Levitanic Union, and vengeance for the assassination of a member of her own House.

The Johnstown Vindicator Quincy Long,1988 THE STORY: The news that a local evangelist has been murdered throws The Vindicator into the crisis it's been putting off for years. Jack, the city editor, grapples with the secrets of his dubious parentage, and manages to alienate Janet, his ace s

*The Vindicator Complete Series* Kathy Coopmans,2023-06-09 Vengeance I often wondered if Vengeance came with a price. For me, Vengeance is best served through the eyes of my scope. The twitch of my finger. The pull of a trigger. The death of someone who deserves to die. Revenge, retribution, and retaliation are all that comes to mind. I lost everything. The woman I loved. My sister. My parents. Myself. You know what else I say about Vengeance? It's best served frozen. No side dish of compassion. No extra helping of warning. No dessert called a second chance. The price I want for it. Is written in blood. Warrant Every wrongdoing warrants a consequence. In my case, I've decided to settle the score with death. Years, I've been plotting to take out the men I used to call my brothers. The men who double-crossed me by brutally murdering my sister. I want revenge. I need it. Crave it. It's in my blood. One tiny glimpse of her changes everything. Or does it? Maybe, just maybe, the little siren I wanted to harm is going to single-handedly slaughter me instead. Lies. Deceit. Manipulation. Gotta love a tangled web of warranted deception. Retaliation As far back as I can remember, I pushed away those ugly demons looping their venom around my brain. Trying to turn me into a man I never wanted to be. I never wanted to be a killer; now it's a craving I need to survive. The man I used to be never wanted to cause anyone an ounce of unbearable pain, because I know first-hand what it feels like. The men I'm killing, they left me no choice but to walk a line chalked with retaliation. To leave the woman I love behind. I sacrificed a lifetime with her to keep her alive. But, after fourteen years of her living that lie, I'm crossing another line. One I was warned to never step over.
