⌚ **Beware the Visored Visigoths, and Please Don't Suffer the Little Children** William Francis Jack,2018-09-02 What happens with an irreverent, bemused, pagan, seventh-grade altar boy in the Archdiocese of Saint Paul, Minnesota, in 1958, when a priest sexually abuses him? The novel is tragic, satirical, enraging, and, ultimately uplifting. Warning: If you are a devout anything and don't want to read blasphemous satire, then it's probably best not to read beyond page three, or perhaps you might want to quit three pages sooner. I warn you respectfully.

⌚ **Who I've Become** Sonya Visor,2013-10-05 Invisible masks traumatic experiences, rejection, and abuse can cause us to function as opposites of our true selves. We often say I'm fine when we're emotionally, physically, and spiritually on edge. We don't want the people around us to know we are hurting or struggling because exposing our weakness makes us vulnerable. In Who I've Become, Sonya shares her own painful experience as a victim of childhood sexual abuse—from being pursued by one family member's perversions to being used by several others and lying to keep up the facade that everything was okay when she was hurting inside. Sonya's story shows how her abusers stole her ability to trust her parent's love just like the enemy tricks us into thinking we can't take our burdens to the Lord and leave them there. This book shows how we all wear masks at one time or another to cover up our frailties, and the danger that comes when we lose our purpose and ourselves. More than a testimonial, this is a resource to help you take off the mask and find the person God created you to be. Who I've Become is a mirror of truth. Are you ready to meet the TruU?

⌚ **Bannockburn 1314** Peter Armstrong,2012-09-20 Bannockburn was the climax of the career of King Robert the Bruce. In 1307 King Edward I of England, 'The Hammer of the Scots' and nemesis of William Wallace, died and his son, Edward II, was not from the same mould. Idle and apathetic, he allowed the Scots the chance to recover from the grievous punishment inflicted upon them. By 1314 Bruce had captured every major English-held castle bar Stirling and Edward II took an army north to subdue the Scots. Pete Armstrong's account of this pivotal campaign culminates at the decisive battle of Bannockburn that finally won Scotland her independence.

⌚ **Visor Use Among U. S. Army Rotary-Wing Aviators** Clarence E. Rash,U.S. Army Aeromedical Research Laboratory,John C. Mora,Melissa H. Leford,Barbara S. Reynolds,Rebecca H. Ivey,1998-01-01 Visors are optical devices that provide a level of comfort and protection from dust, wind, sun glare and particle fragments and, in the case of a crash, from tree branches, rocks, debris and aircraft structural parts. This report presents the results of a survey whose objective was to document visor usage, and identify problems associated with optical quality, and maintenance in Army rotary wing aviation. The survey was distributed to U.S. Army aviators and crewmen at Fort Hood, Texas; Fort Rucker, Alabama; Fort Campbell, Kentucky; and Fort Bragg, North Carolina. The survey identified that guidelines for visor use need to be established. Minor problems with haze, distortion, luminous transmittance, and prismatic deviation were also identified. Other problems include' mechanical difficulties, e.g., visors sticking and coming off track, inadequate custom trimming for IHADSS visors, and ANVIS incompatibility. Data support that dual visor design results in higher percentage of visor use.

⌚ **The Visor** Peter J Jones,2019-09-28 Extraordinary is the word!...a multi-narrative, multi-genre extravaganza, with a central story which is unrelentingly gripping...a true original. Funny...horrifying...astounding. A surreal journey through trauma and its aftermath. A man is living in Paris, France during the final years of the human era. Yet it is not the future that he fears, only the consequences of a hidden and terrifying past... The Old Tailor had stared at the space left by the young woman as she left the workshop, and it had seemed as though there was a faint trail left by those eyes like car headlights on a slow film photograph taken at night...He had not believed such a thing was possible...He did not know if she recognised him or not, and whoever had engineered this agony was determined to place him in an impossible position. He might well gaze, but he could not, under any circumstances, tell her the truth.
