

# Volga

Elvajean Hall

*The Volga* Janet M. Hartley,2021-01-12 A rich and fascinating exploration of the Volga--the first to fully reveal its vital place in Russian history The longest river in Europe, the Volga stretches over three and a half thousand km from the heart of Russia to the Caspian Sea, separating west from east. The river has played a crucial role in the history of the peoples who are now a part of the Russian Federation--and has united and divided the land through which it flows. Janet Hartley explores the history of Russia through the Volga from the seventh century to the present day. She looks at it as an artery for trade and as a testing ground for the Russian Empire's control of the borderlands, at how it featured in Russian literature and art, and how it was crucial for the outcome of the Second World War at Stalingrad. This vibrant account unearths what life on the river was really like, telling the story of its diverse people and its vital place in Russian history.

*The Volga River* Tim McNeese,2005 Contains an introduction to Russia's Volga river, tracing the history and geography of Europe's longest river, including a timeline of events, a bibliography, and suggestions for further reading.

**The Volga River** Joanne Mattern,2012-09-30 The Volga River is the longest river in Europe and one of the most important rivers in Russia. This slow-moving waterway is home to a huge variety of plants and animals and has been a lifeline for various ethnic groups for thousands of years. From its humble beginnings in the Valdai Hills to its mouth at the Caspian Sea, the Volga has provided Russia's people with food, transportation, power, drinking water, and much more. Its shores and cities have been the site of many historical events, most notably the Battle of Stalingrad during World War II, and faces many ecological challenges as it struggles to survive in the modern era. Learn about the "Mother Volga," its people, its history, and its vital place in Russian culture in this fascinating story of a mighty river.

The Volga Germans Fred C. Koch,2010-11-01

**The Volga Germans** Fred C. Koch,1977 Catherine the Great recruited thousands of colonists to populate her lower Volga River frontier with dependable permanent settlers who not only would bring stability to this lawless, underdeveloped, and uncharted region, but also would reclaim the vast wasteland there--an area larger than the state of Maryland. This recruitment program ended in 1766, after drawing a majority of the colonists (about 30,000) from west central Germany, particularly the Hessian states. Since 1874 many inhabitants of this overpopulated land island between Saratov and Volgograd (formerly Stalingrad) have emigrated to the Western world--to homesteads from the plains of western Canada to the pampas of Argentina, but chiefly in the U.S. By 1920 more than 300,000 Volga Germans were counted in the U.S., mostly in the private states but including 24,000 in the East and 30,000 on the West Coast. Meanwhile, the number of German-derived residents of the Soviet Union exceeded two million--the original Evangelical and Roman Catholic settlers having flourished, despite adversity, and having been joined by Mennonites in 1854. The author paints a vivid picture of the pioneering activities of the Germans on the Volga, meeting the challenges of a hostile environment and raids by brigands, and keeping their culture alive through an elaborate system of parochial schools. A century ago population pressure forced many Volga Germans westward to the Americas, or eastward to Turkestan and Siberia somewhat later. Although Lenin established a Volga German Autonomous Republic, Stalin abolished it in 1941 during the Nazi invasion and deported its population to Siberia and Central Asia. A 1964 Soviet decree retracted wholesale charges of disloyalty against the Volga Germans but denied restoration of their Republic. The story of the Volga Germans and their adventures in North and South America from 1874 to the present is a warm and vibrant one. Both laymen and scholars will find it rewarding.

*Volga, Volga* Lesley Chamberlain,1995

*Volga Tatars* Azade-Ayse Rorlich,2017-09-01 This is the first Western language study that investigates the history of the Volga Tatars since the Tenth Century A.D. The central theme of the book is the shaping and evolution of the identity of these people, focusing on the history of the first non-Christian and non-Slavic people incorporated into the Russian state.

Way a River Went Thom Wheeler,2015-08-13 Thom Wheeler is not a man to be put off by the prospect of an uncharted, impractical or downright dangerous journey. Having accidentally introduced his old school friend Vicky to Dmitry, the Russian love of her life, at the Hermitage Museum in St. Petersburg, Thom decides to travel to their wedding in Astrakhan in the most obvious and straightforward way: by following the Volga river, from its source over 1,000 miles inland, all the way to the Caspian Sea and a party to remember..

Swimming the Volga: A U.S. Army Officer's Experiences in Pre-Putin Russia Brigadier General Peter B. Zwack,2021-11 Swimming the Volga is a personal eyewitness account of day-to-day life in a provincial Russian city just before the dissolution of the Soviet Union and before the names Putin and Russia became inseparable.

**A Trip Up the Volga to the Fair of Nijni-Novgorod** Henry Alexander Munro-Butler-Johnstone,2012-09-10 Hardcover reprint of the original 1875 edition - beautifully bound in brown cloth covers featuring titles stamped in gold, 8vo - 6x9. **Emigration to and from the German-Russian Volga Colonies** Darrel Philip Kaiser,2008 This book covers the emigration of the Catherine the Great Germans into the Volga River area in the mid to late 1700's, the movement of the Volga German-Russians further east of the Volga River into Russia's Steppes, the western exodus of the Volga German-Russians to the United States, Canada, Germany, Brazil and Argentina in the late 1800's and early 1900's, the Stalin ordered deportation of all Volga German-Russians to Siberia in the 1940's, and their final emigrations back to Germany and their long gone Volga River Colonies. This is my fourth book on the history of the Volga Colonies. See all my books at my websites, [www.Volga-Germans.com](http://www.Volga-Germans.com) & [www.DarrelKaiserBooks.com](http://www.DarrelKaiserBooks.com)

*The Bad and Downright Ugly of the German-Russian Volga Colonies* Darrel Philip Kaiser,2008 This book identifies the hardships that the German-Russian colonists endured and overcame in the Volga colonies.

**The Volga** Elvajejan Hall,1965 The history, geography and folklore of Russia told through the story of the Volga River. Grades 6-8.

**MARCH TO THE VOLGA** D. Philipp Kaiser,2012-01-01 It is the year 1764 in a land far different from the Germany today, a land ruled by feudal princes and religious zealots. The terrible Seven Years' War is done, but the tales of religious atrocities from the long past Thirty Years' War are still fresh in the minds of all. No tolerance at this time; the Catholics and Protestants openly hate each other. A young Lutheran country couple, along with a strange new city friend, slowly travel from village Heilbronn north to Lubeck, one step at a time towards the Promised Land. Sailing to, and walking across much of Russia, our couple arrives to help build the Volga Colony of Balzer. Over the next 130 years, they and their descendants triumph over evils and carve out a bountiful life, before again moving on to the new Promised Land, AMERICA, settling in the San Joaquin Valley near Fresno, California. MARCH TO THE VOLGA is one in a series of historical fiction novels, each based on a different Deutsche family in the 1760's. [www.MarchToTheVolga.com](http://www.MarchToTheVolga.com)

**The Volga** Jane Werner Watson,1980 Traces the history of the 2,290 mile river that flows from the hills of northern Russia to the Caspian Sea.

**Thunder on the Steppe** Timothy J. Kloberdanz,Rosalinda Kloberdanz,1993 Folklore, social life and customs of ethnic Germans who returned to former settlements near the Lower Volga River in Russia following the Second World War.

A Trip Up the Volga to the Fair of Nijni-Novgorod Henry Alexander Munro Butler-Johnstone,1875

*Down the Volga* Marq De Villiers,1992 Author combines travel writing with history and folklore as he travels along the Volga River in the heart of modern Russia.

**Down the Volga in a Time of Troubles** Marq De Villiers,1992

**Seed of the Volga** Karen L. Schutte,2014-10 The warm autumn air was thick with acrid smoke and the smell of fresh blood. Heinz Steiner crouched low in the dense thicket. As the crack of gunshots and screams echoed through the dense woods, he stopped and carefully considered his options. The sounds were coming from near the clearing at the north edge of the woods where the widow Rothnig and her five scrawny, starving spawn lived in a makeshift hovel. Unarmed, Heinz was no match for the elite French troops who relentlessly terrorized the lower Rhine and upper Danube River Valleys. They killed whatever and whomever happened to be in their path, and they enjoyed it. When Princess Theraisa Von Steiner discovers she is with child soon after the tragic death of her beloved David Ritter, there is no match for the trepidation that consumes her soul. The smallest level of comfort finds her when her Aunt Louisa offers her only solution: travel to the Volga to have the child in secret. Little did Theraisa and Louisa know that the journey would be so perilous, and the newborn child would be the one responsible for bringing the Steiner bloodline to America at the turn of the century. Based on the true story of author Karen Schutte's family, Seed of the Volga captures the chilling tale of her ancestors journey to the German settlements along the Volga River in Russia. They left their family and the only home they had ever known while realizing they would never see them again. Over 140 years later the people felt the hot breath of Russian politics breathing down their necks and they chose to leave the prosperous German settlements along Russia's Volga River. In 1907 David and Sofie Steiner discovered the streets in America were not lined with gold.

This book delves into Volga. Volga is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Volga, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
  - Chapter 1: Introduction to Volga
  - Chapter 2: Essential Elements of Volga
  - Chapter 3: Volga in Everyday Life
  - Chapter 4: Volga in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Volga. The first chapter will explore what Volga is, why Volga is vital, and how to effectively learn about Volga.
3. In chapter 2, this book will delve into the foundational concepts of Volga. This chapter will elucidate the essential principles that need to be understood to grasp Volga in its entirety.
4. In chapter 3, the author will examine the practical applications of Volga in daily life. This chapter will showcase real-world examples of how Volga can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Volga in specific contexts. The fourth chapter will explore how Volga is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Volga. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Volga.
